THE NORTH BRITISH CATTLE FOOD CO.

Additional Testimony.
 HALIFAX CITY RAILROAD OFFICE,
 May 9th, 1872.
 GEO. FRASER, Esq.,
 Agent N. B. Cattle Food Co.
 Dear Sir,—I have much pleasure in stating that I have given the Nutritious Condiment a fair trial, and have found it satisfactory as stated in your Circulars. I am prepared to say that I have used nothing yet to compare with it for health, spirits and appetite, and am of opinion that when others similarly situated know of the benefits to be derived from it, they will be as anxious as I am to continue its use.
 Please send me two bags more, 100 lbs. each. I am, Dear Sir,
 Respectfully yours,
 N. GLENNON,
 Manager Halifax City R. R. Co.

In addition to the foregoing, the Agent has received from hundreds of others in this City and throughout the Province, who have already used the Nutritious Condiment, the most unqualified testimony, not only of its merits as an economizer of ordinary food, but as imparting life, vigor and beauty, where all other means had failed. Many who at first were skeptical, are now fully convinced of its real merits, and proving their confidence by sending for repeated supplies.
Directions for Use.
 HORSES.—Use one fourth less corn and add a measure full of the Condiment for each horse, (cost one cent), make up the bulk with chaff or chopped hay, mix with a little water, and you have a rich aromatic provender that never fails to produce a glossy coat, bright eye and clean limbs.
 COWS OR OXEN.—Mix at the rate of twelve measures for every dozen cows or oxen with their usual provender, deducting an eighth part of the meal used before using the Condiment.
 Result.—From the cows you will have more milk and of a better quality; from the oxen more work.
 PIGS.—For fattening pigs use one-half the usual quantity of meal, and add brick in its place, with the Nutritious Condiment, one measure for each pig.
 Result.—Fatten in half the usual time, and the bacon sweeter and better.
 CALVES.—The Nutritious Condiment has proved most efficacious made into porridge at the rate of seven measures for every twelve calves.
 For sale in bags at \$2.50, \$4.25 and \$8.00 each, at the Depot,
 74 Lower Water Street,
 There is a tin measure in each bag. The smallest bags contain sufficient for 200 feeds.

CAUTION!! CAUTION!!!

TO THE PUBLIC OF THE BRITISH PROVINCES OF NORTH AMERICA.
 I beg most respectfully to acquaint the public of the British North American provinces that in May, 1871, I caused the business at 80, Maiden Lane, New York, for the sale of HOLLOWAY'S PILLS AND OINTMENT, which were up to that time prepared by William Brown, now deceased, to be closed. I regret to say that I have reason to know that the management of the late business had for some years, and in many ways, been most corrupt, and it may be that the Pills and Ointment were not prepared with that care I have always desired.
 Those who do not wish to be deceived by buying spurious medicines, which are now likely to emanate from the States or elsewhere, but to possess themselves of the genuine HOLLOWAY'S PILLS AND OINTMENT, manufactured by me in London, England, will do well to see that each pot and box bears the British Government stamp on which is engraved the words "HOLLOWAY'S PILLS AND OINTMENT," and that the address on the label is 533, OXFORD STREET, LONDON, where only they are manufactured, and in no other part of the world. The retail prices are on the labels in British currency, and not in dollars and cents.
 No representative of mine will ever travel through any part of the British Provinces or the United States, either to sell, or to take orders for my Pills and Ointment, and as I have reason to believe that attempts will very probably be made to deceive the public in this way by persons calling upon medicine vendors, falsely representing that they are acting for me, and with my knowledge and consent, I deem it advisable to put the public on their guard against any such deceptions.
 I most earnestly entreat all those who may read this advertisement that they be pleased, in the public interest, to communicate the purport of the same to their friends that they may not be defrauded of their money by purchasing perhaps worthless imitations of the genuine HOLLOWAY'S PILLS AND OINTMENT.
 I would ask, as a great favour, that should it come to the knowledge of any person that spurious medicines are being sold in my name, he be pleased to send me all the particulars he can collect respecting the same, that is to say, the name and address of the vendor who is selling the spurious medicines, and likewise the name and address of the House in the United States, or elsewhere, which may have supplied them, so as to enable me, for the protection of the public, to institute proceedings against such evil doers, and I engage to remunerate very handsomely any person who may give me such information, the informant's name never being divulged.
 Should any person have reason to believe that he has been deceived by buying spurious imitations of these Medicines, he will do well to send me, in a letter, to the address at foot (which he can do at a cost of six cents in postage,) one of the books of instructions which are affixed to the same. I promise to examine it and send a reply, stating whether the Medicines are genuine or not, so that if spurious he may apply to the person from whom he purchased them to have his money returned.
 Chemists and Druggists who desire to obtain the Medicines can be supplied at the lowest wholesale prices in quantities of not less than \$20 worth—viz., \$5, \$1, 22s., and 34s. per dozen boxes of pills or pots of Ointment, nett, without discount, for which remittance must be sent in advance.
 I have the honour to be,
 With great respect,
 THOMAS HOLLOWAY.
