"At the last meeting held in London by the delegates from the different Chambers of Agriculture, throughout the Kingdom, it was shown by the Statistics of each County, that in the Counties where the North British Cattle Food Co's food had been used no fatal cases of plague had occurred; on the other hand where this food had not been used the Cattle mostly succumbed to the disease."

# Life of Man Bitters.

Wilmot, Port George, March 20th, 1871. MESSRS. C. GATES & Co.

Gentlemen .- I have much pleasure in send. ing you this testimony for the encouragement of yourselves and for the benefit of suffering

In April of 1868 my wife was most distress. ingly afflicted with a severe pain through her chest, side, and both shoulders. We endeavoured to obtain medicine to give ease but were never able to get any that gave relief until I got some of your Life of Man Bitters and No 1 Syrup which not only gave relief but effected a perfect cure. During the time my wife was taking your medicine we took a little child whose mother had just died with consum tion. When the little one was left motherless it was 12 months old and weighed only 15 lbs., being but little short of a living skeleton We gave it I bottle of your Bitters and 2 bottles of your No 1. Syrup which acted like a charm, quieting its nerves and giving health and vigor to its whole system. We consider it now a healthy child, and has been so with but one expection. When it was taken with cholera apparently in its worst form passing little else than blood, we got one half bottle of your Certain Check which made a complete cure, and the child is now healthy Also my daughrelief must have terminated in consumption A few bottles of your No. 2 Bitters and No 1 Syrup effected a complete cure.

MR. CALEB GATES,-Dear Sir :- I have very much pleasure in

I was much troubled last winter with a severe cold, which continued to get worse until I feared it would settle upon my lungs. My cough was incessant I could not get relief from any quarter, or from any medicine man, antil I accidentally fell in with your valuable syrup. I now honestly on my oath state that one bottle of it gave me instantane us relies . I use it continually in my family, and would not be without it on any ac-

count. Several other persons with whom I am acquainted have also been cured by your valuable medicines I shall be happy to give any futher information concerning your medicines at any time. I have also been cured of palpitation of the heart by the use of Gates' medicines. One of my daughters was in a learful state as regards a cough or cold, and she received immediate relief a perfect cure, and can honestly recommend it to all, young and old.

They are prepared to supply Churches, Ministers and Sunday Schools, with denominational

#### BOOKS, TRACTS, PAPERS, SUNDAY SCHOOL LIBRARIES & SUNDAY

SCHOOL REQUISITES, all kinds, HYMN BOOKS, &c., &c. Special attention given to selecting Sunday

School Libraries. Besides our own RICH LIST of Sunday School Books we furnish the publications of all other publishing houses which are suitable for

BAPTIST SCHOOLS.

In the limited time at the command of pastors and committees, it is almost IMPOSSIBLE TO AVOID MISTAKES in selecting books. In many Baptist Sabbath School Libraries are books containing

PEDO-BAPTIST TEACHING and OTHER PERNICIOUS ERRURS.

When the pastor preaches the truth on Sun" day, these books are publishing error ALL THE WEEK. Libraries explusively made up of (secitled) Union Publications omit a large part of

God's truth. The Publication Society therefore renders the Sunday Schools an invaluable service, in offering to select libraries for our schools, composed in part of our own Baptist Books and in part of the Publications of other Societies a d houses,

known to be free from erroneous teaching, For the last five years, the Society has employed an Examining Committee, who Carefully Read Every Book Published

by the various publishing houses in all the country. The excellent are kept on hand. All others are rejected. THE ADVANTAGES SECURED by sending

orders to the Publication Society, and entrusting the selection to their judgment, are 1. All Books of a worthless character are 2. No Volume is admitted that does not con-

tain Religious and Moral Truth. 3. Baptist Scho'ars will be saved from the Great Evil of PROOBAPTIST Book ..

4. Dull Books, that would be Useless Lumber in any Library, are excluded. The work of selecting these Libraries in each of the Society's Depositories is under the direct personal supervision of a thorough bunday School man, whose experience in this class of literature, and familiarity with the books of all publishers, will guarantee that none but REAL-LY GOOD BOOKS shall find a place in the Librar-

ies which we make up. Purchasers ordering through us will please specify the following particulars:

1-How much they wish to expend in books. 2-What books ALPHABETICALLY arranged, they have now on hand. We cannot avoid duplicating without you send us an alphabetical list of the books al-

ready in your library. 3-What proportion of the new books is desired for the smaller, and what for the larger
