Hon. Provincial Secretary called attention to the petition to appropriate certain lands connected with the Normal School, Truro. He moved that a committee be appointed to examine the Normal School at Truro, and buildings. He them moved that Messrs. White, Kirk, Allison, Des-Brisay and Woodworth form said committee. were presented, and several bills for incorporating companies.

The greater part of the afternoon was occupied in the consideration of the bill for extending to the City of Halifax the provisions of the License Law that apply to other parts of the Province. There was quite an animated discussion on its second

Messrs. Kirk, Moore, Gayton, McDougall, DesBrisay, Rettie, McDonnell, spoke in favor of the motion; Messrs Blanchard, McDonald, White and the Provincial Sec-

retary opposed it. The friends of the Temperance Cause in the House urged that the measure was approved by a large number of the most intelligent and influential citizens of Halifax, and that the traffic in Halifax was not only demoralizing to the city but that its bad effects were felt injuriously in the country also. The opponents of the mea sure argued that it had not been accepted and recommended by the City Council and that it would therefore remain a dead letter on the Statute book if passed, and they advised delay.

On the motion for the second reading of the bill being put to the House it passed by a vote of 20 to 12, and it was accordingly read and referred to a committee of the whole House

In Boston, Mass., on Thursday, Feb. 15th, 1872, Miss Margaret E. Cook, aged 24 years, eldest daughter of Mr. Joseph Cook, of Portaupique. The deceased was baptized into the fellowship of the Baptist Church of Portau-James Reid, and maintained a consistent christian life to its close. Last November she left home for Boston going as passenger in a vessel from Five Islands. On the passage her plety and moral courage were evinced by reading to those on board the Word of God. and it gives s me indication of the state of her mind as on that occasion she read the 14th chapter of the gospel by John, already contemplating her Father's House and the mansions above to which she was drawing so pear. Shortly after ariving at Boston she was taken sick and for six weeks endured great bodly suffering, but was uncomplaining. As she drew to the close of life she said her " Heavenly home was near; "and sent the message to her friends that to her "Jesus was precious

and she was happy." At Provincial and C ty Hospital, March 31st, Joseph Pitre aged 39 years Also, April 1st, E izabeth Nichols, aged 35 years.

Cornwallis, February 8, 1872. Mr. Cales Gates-Dear Sir-It is with much pleasure that I state to you the wonderful effect of your bitters. As I was sick about 3 years ago with the phthicic and had taken doctor's medicine which had no effect, but still grew worse, and was not able to go about, when I commenced taking your bitters and using your ointment I had not taken it two days before I felt relieved, and after taking 10 or 12 quarts of your bitters I was able to go about my work. This was about 18 months ago, and have been able to work ever since without feeling any symptoms of the disease. You are at liberty to publish this if you think proper.

This is to certify that George A. Parker, of Annapolis, in the County of Annapolis, and Province of Nova Scotia, maketh oath that he has been afflicted for about six months with dyspeps:a, in its severest form; and also with disease of the lungs, and has tried different physicians and found no relief, and very little or no encouragement; and finally using Mr. Caleb Gates' medicine, and using it about 2 months, is now healthy, well and strong and would thus wish so make known to suffering humanity the healing virtues of such a boon. Sworn to at Wilmot, this 4th Sept., 1866, } before me. JAS WHENOCK, J. P.
