We endeavoured to obtain medicine to give ease but were never able to get any that gave relief until I got some of your Life of Man Bitters and No 1 Syrup which not only gave relief but effected a perfect cure. During the time my wife was taking your medicine we took a little child whose mother had just died with consumption When the little one was left metherless it was 12 months old and weighed only 15 lbs., being but little short of a living skeleton. We gave it I bottle of your Bitters and 2 bottles of your No 1. Syrup which acted like a charm, quieting its nerves and giving health and vigor to its whole system. We consider it now a healthy child, and has been so with but one expection. When it wis taken with cholera apparently in its worst form passing little else than blood, we got one half bottle of your Certaia Check which made a complete cure, and the child is now healthy. Also my daughter was very much afflicted with sick headache and female weakness, which had she not got relief must have terminated in consumption. A few bottles of your No. 2 Bitters and No. 1
