RECEIVED FROM WOMAN'S MISSION AID SOCIETIES.

Summerville,-Collected by Miss S.

M. R. SELDEN, Sec'y. The following brief letter received by the Secretary of the Central Board of Women's

Missionary Aid Societies will be read with MRS. M. R. SELDEN, SECRETARY OF THE

CENTRAL BOARD WOMEN'S MISSIONARY AID SOCIETIES OF NOVA SCOTIA AND P. E. ISLAND.

Dear Sister, - Doubtless you would like to hear from any of the Circulars recently issued by your Board. Let me give a brief sketch of the history of the one sent to us, hoping it may " provoke to jealouty and good works" some of its sister circulars, which may be lying idle in some church Clerk's pocket, or, what is worse, in some Pastor's study.

This Circular seems to lack nothing but the power of locomotion and articulation. These having been supplied by your correspondent, the little messenger went from house to house and appealed in simple truthful language to almost every woman in our church and congregation, with the following result :-

On the 25th ult., quite a number of women met at the Parsonage and organized "The Bedeque Woman's Baptist Missionary Aid Society," with a membership of fifty five. The constitution given in the Christian Messenger Aug. 2nd, 1871, was | cook; Whisper, Hilchie, Pop.'s Harbor; adopted in a form modified to suit our cir- Sus n, Cole, Isaac's Harbor; Frank, McDoncumstances. Our membership fee is one dollar a year to be paid quarterly in ad-

We are to meet once a month, and hope to maintain a true missionary spirit. We Lark, Barry, Chester. feel a deep interest in Sisters DeWolf and Norris because they are servants of the church, and we are happy to be able to assist them in their labour of love for the Master, and hope that each of them like "Phebe the servant of the church at Cenchrea" may be "a succorer of many." Please find enclosed our first offering, \$14.00.

Yours in the love of Christ, ADDIE McDonald.

Bedeque, P. E. I., June 1, 1872.

CAUTION!! CAUTION!!!

TO THE PUBLIC OF THE BRITISH PROVINCES OF NORTH AMERICA

I beg most respectfully to acquaint the public of the British North American provinces that in May. 1871, I caused the business at 80, Maiden Lane, New York, for the sale of HIL LOWAY'S PILLS AND CINTMENT, which were up to that time prepare by William Brown, now de ceased, to be closed. I regret to say that I have reason to know that the management of the late business had for some years, and in many ways, been most corrupt, and it may be that the Pills and Untment were not prepared with that care I have always desired

These who do not wish to be deceived by buying spurious medicines, which are now likely to emanate frem the States or elsewhere, but to possess themselves of the genuin- Hou-LOWAYS PILLS AND OINTMENT manufactured by me in Londen, England, will do well to see that each pot and box bears the British Government stamp on which is engraved the words " HOLLOWAY'S PILLS AND UINTMENT," and that the address on the label is 533 UXFORD STREET, London, where only they are manufactured, boro'; Ada, Ingersoll, Yarmouth; Sarah. and in no other part of the world. The retail prices are on the labels in British currency, and not in dollars a..d cents.

No representative of mine will ever travel through any part of the British Provinces or the United States, either to sell, or to take orders for my Pills and Uintment, and as I have reason to believe that attempts will very probably be made to deceive the rublic in this way by persons ealling upon medicine vendors. falsely representing that they are acting for me, and with my knowledge and consent, I deem it advisable to put the public on their guard against any such deceptions.

I most earnestly entreat all those who may read this advertisement that they be pleased, in the public interest, to communicate the purport of the same to their friends that they may not be defrauded of their money by purchasing perhaps worthless imitations of the genuine HOLLOWAY'S PILLS AND OINTMENT

I would ask, as a great favour, that should it come to the knowledge of at y person that spurious medicines are being sold in my name, he be pleased to send me all the articulars he can collect respecting the :ame. that is to say, the name and address of the vendor who is relling the spurious medicines, and likewise the name and addr ss of the House in the United States, or elsewhere, which may have supplied them, so as to enable me, for the protection of the public, to institute proceedings against such evil doers, and I engage to remunerate very handsomely any person who may give me such information, the informant's name never being

divulged. Should any person have reason to believe that he has been deceived by buying spurious imitations of these Medicines, he will do well to send me, in a letter, to the address at foot (which he can do at a cost of six cents in post age) one of the books of instructions which are N. F.; Frank, McDonald, Charlottetown, affixed to the same 1 promise to amine P. E. I.; P. C. Hill, Mitchell, Labrador; Sir | it and send a reply, stating whether the Medi-Rupert, Fulker, North Bay; Bonita, Buchan- cines are genuine or not, so that if spurious he may apply to the person from whom he pur-

chased them to have his money returned. Chemists and Druggists who desire to obtain the Medicines can be supplied at the lowest wholesale prices in quantities of not less than £20 worth-viz, 8s. 6d, 22s, and 34s. per di zen be xes of pills or pots of Uintment, nett without discount, for which remittance must be

sent in advance I have the honour to be, With great respect, I HOMAS HOLLOWAY. 553, Oxford Street (late 244, Strand) London, W. C., October 1, 1871.

NELSON'S CELEBRATED Cherokee Vermifuge.

WORMS.

Pleasant to take.

WHENEVER a child is noticed to be growing habitually pale, complaining of violent pains in the stomach and abdomen, has variable appetite and a dry cough, and is frequently led, by irritation, to carry the hands to the nose, then try

Cherokee

WORMS.

Nelson's Cherokee Vermifuge will certainly effect a cure, whether the person afflicted be infant or adult, as is proved by its universal success; which has been such as to warrant the offer to

Return the Money in any case in which it should fail to prove effectual, when the symptoms have justified the administering Vermifuge.

It is hereby certified that this preparation contains no mercury, and is an innocent medicine, incapable of doing the least injury, even to the most tender infant if given strictly according to the directions enclosed with each bottle.
