several churches are in rains, many levelled to the ground.

The inhabitants have not yet recovered from the terror; thousands are encamped in the fields, but there has been no recurrence of the shock.

SPAIN -A despatch to the Times from Madrid on Thursday says there is a great alarm in that city in consequence of men acing attitude of " Irreconcilables," who are known to be intriguing for overthrow of the present Government.

Troops are concentrated at strategetical points, and every precaution taken to promptly suppress any outbreak.

The draft of the New Constitution was submitted to the cortes to day. It provides | says : that the President of the Republic must | A single chapter of "SCIENCE AND THE be at least 25 years of age. The country is divided into Cantons, like

the Swiss Republic. The Assembly of each Canton is to elect four Senators, and Deputies are to be chosen by universal suffrage. Cuba and Port , Rico are to be assimilated with the Cantons of Spain.

The Central Power is authorized to suspend constitutional guarantees, and order levies for troops without first consulting the authorities of the Cantons.

The present Spanish Ministry is regarded as satisfactory to all parties. The G vernment has decided to discharge the soldiers whose terms have expired, but to off r than two reus per diem to re-enlist. It the result is unsatisfactory it wil appeal to the patriotism of the country to supply combatants against the Carlist-, stating trankly the situation and the state

of Spain General Carbinek announces that he has defeated the Carlists under Caballo. The Progressita Club has discontinued its sittings because of the suspension of
