OUR MINING DISTRICTS are terribly afflicted with the curse of intemperance, which is the parent of all other crime. Good wages are earned by the miners and when pay-day comes instead of its bringing blessings to the households, in many cases it becomes the terror of the wives and families. A few days age at Lingan, C. B., there was a serious fracas, during which Wm. Ling, an employee of the General Mining Association, was stabbed in the hip by one McDonald.

SATURDAY was occupied by several local and private bills being read a third time.

Mr. C. J. Campbell in alluding to Immigration said the Province needed Irish and Scotch settlers, who were used to hardships and privation. We cannot expect to attract the English, who live in a warmer climate. Nova Scotia needed more and better roads. New Brunswick had in this way made herself far more attractive to emigrants than Nova Scotia. In his county (Victoria) there is a tract of land of some six or seven hundred thousand acres about Smoky Mountain that is totally inaccessible for want of roads.

Mr Holmes asked the Government to lay on the table a return showing the number of Journals of Education published and their cost; also the number of Education Reports published and their cost.

On Monday after the presentation of petitions and the third reading of several bills, the Provincial Secretary brought in the estimates for the ensuing year, and gave explanations concerning them.

THE SERVICE OF SONG.

This work, it is claimed, contains the best, the sweetest, most elevated Scriptural Collection of HYMNS extant. It has the best and every way most available MUSIC for CONGREGATIONAL SINGING, the adaptation of the Hymns and Music is the most perfect, the whole arrangement is the most thoroughly systematic; the numbering of the HYMNS of the different editions (unlike other similar works,) ALL COR-RESPOND; the several Indexes are the fullest and most complete; the size and weight of the book the most convenient for use; the type the neatest and most distinct. All these excellencies, combined, with the superior paper and binding, make H in every respect, the most perfect and attractive book for public worship in the market; while the PRICE is lower than most, and is as low

It has been introduced into a large number of our best churches in different parts of the country, and has received the most unqualified commendation of the press, of musical men, of ministers and churches, etc. With no effort to detract from other recent works, by attempting to point out their defects, the Publishers simply desire, and would respectfully urge, a thorough, eandid examination of the "Service of Song," conadent that such an examination cannot fall to convince every fair unprejudiced mind, of its superior merits.

The Collection contains 1069 HYMNS, and 361 TUNES, 36 DOXOLOGIES, and a choice collection of CHANTS, with Selections of SCRIP-TURE for Chanting.

PRICE -Cheap Edition of the Hymns alone, 18mo., cloth, Arabesque, 75 etc. Pew Edition of Hymns alone, 18mo., sheep, marbled edges, 1.25. Hymn and Tune Edition, for Congregational Singing, square 8vo, cloth, Arabesque, marbled edges, 2.00. To churches, for introduction, 60 etc., 1900, and 1.60. The same, in various eccess
