MRS. AINSLEY'S Arthranodyne Liniment.

THIS magical pain curer having been in use among private friends for a number of years is now offered to the public as a superlative remedy for RHEUMATIC PAINS, TOOTH ACHE, NEURALGIA, SPRAINS, &c. Manufactured by Mrs. Ainsley, Halifax, Lunenburg, August 20th 1873.

Mrs. Ainsley, Dear Madam—Having found the efficacy of your very invaluable Liniment in the case of sore throat, which by two applications I was entirely relieved both of the swelling and soreness, I was induced to apply it to the parts affected by a severe attack of Lumbago. After having my back, loins and thigh thoroughly rubbed with the mixture, I was enabled to sleep comfortably and in a few days to walk about the field I would further add for your satisfaction that my friend with whom I board has been entirely relieved from a pain in his shoulders, which drove him nearly to madness, by freely using the Liniment twice. Also the wife of one of my neighbours who was suffering dreadfully from an attack of acute rheumatism especially in her joints and legs, told me that she had scarcely applied it to parts affected before she felt immediate relief. I have reason to believe the Arthranodyne Liniment the best now in use. Your obedient servant, REV. D. S. SHAW. Agents at Halifax—Brown, Bros. & Co; John K. Bent. Manufactured by C. GATES & CO., Middleton, Annapolis Co., N. S. Lower Granville, April 1873.

My DEAR FRIEND—I have always, until of late, been a bitter enemy to all patent or occult preparations in the shape of medicines for the sick. But in consequence of an unlucky fall from the deck of a schooner bound to Boston, down into the cabin, by which displacing two of the short ribs on the right side, the liver was so seriously injured, that for twenty-four hours death was expected every moment. In a few days a blot was discovered in the ankles, pervading in a short time the whole body. Used every medicine that the medical art could devise, not excepting a thorough course of mercury, in order that the liver might be brought once more to perform its proper functions, but did not succeed until I had taken a jug full of your Life of Man Bitters, which you kindly sent me: after I had taken a few draughts I began to improve. I am not a drunkard, but was always fond of biters, most particularly when prepared with good brandy; this induced me, although an unbelieve, to partake of liberal draughts, in the morning, 11 o'clock, and at 4 P. M., of your Bitters, and before I thought, was cheated into a cure, so far as was possible. I am truly surprised that such a valuable, and, at the same time, safe compound, should not meet with the liberal patronage that it, in my opinion, so justly merits. I am, yours, most respectfully, WILLIAM KENNEDY, M. D.
