## Special Notice.

We beg to inform the public that, frem this date, the business of our Retail Department will be conducted on a Strictly Cash basis. No exceptions can or will be made.

By the adoption of this system we shall prevent numberless losses by bad debts, which have perceptibly increased the prices of all Goods purchased by Cash customers. We have no hesitation in asserting that in consequence of this undoubted saving, we shall be able to sell our stock at such low prices, that the advantages to purchasers will be plainly apparent.

If careful attention, unsurpassed facilities for purchasing, a well assorted stock, convenient premises, and cheap goods, will ensure increased trade, we shall certainly obtain it.

We tender our sincere thanks to our many Cash and Credit Customers who have favored us with their support, and beg to assure them that every exertion will be made on our part to retain and increase it.

## IMPORTANT FACT!!!

(From the London "Field" dated 15th July,

"At the last meeting held in London by the delegates from the different Chambers of Agriculture, throughout the Kingdom, it was shown by the Statistics of each County, that in the Counties where the North British Cattle Food Co's food had been used no fatal cases of plague had occurred; on the other hand where this food had not been used the Cattle mostly succumbed to the disease."

WE all know that prevention is better than cure. The Nutritious Condiment was the preventative. The Cattle using it were in John, and at Shubenacadie and better health and more able to stand the rava-Windsor Junction (between Halifax | ges of disease, when contracted, and also by its use they were less liable to be afflicted with the disease.

> Dear Sir,-I have much pleasure in testify ing to the many excellent qualities of the Nutritous Condiment for which you are agent, I have given it a fair trial, and find it very good for all kinds of cattle and horses. You are at perfect liberty to use my name in strongly recommending it as one of the most beneficial things of the kind ever introduced into this province.

JOHN NORTHUP. Newport, Co. of Hants, N. S.

26th August, 1872 Halifax, N. S., 1st August, 1872. We, the undersigned citizens of Halitax, having used the North British Cattle Food Company's Nutritious Condiment for Horses and Cattle in our stables, oo hereby c rtifiv that we are perfectly satisfied with the results. We believe that it fully realizes all that is claimed for it in the Company's Circular, and that it is the best thing of the kind yet introduced here.

We do cheerfully and confidently recommend it to all who have any regard for the well-being of their cattle.

In the limited time at the command of pastors and committees, it is almost impossible to AVOID MISTAKES in selecting books. In many Baptist Sabbath School Libraries are books containing

PEDO-BAPTIST TEACHING and OTHER PERNICIOUS ERRORS.

When the pastor preaches the truth on Sun," day, these books are publishing error ALL THE WEEK. Libraries exclusively made up of (secalled) Union Publications omit a large part of

God's truth. The Publication Seciety therefore renders the Sunday Schools an invaluable service, in offering to select libraries for our schools, composed in part of our ewn Baptist Books and in part of the Publications of other Societies a d houses. known to be free from erroneous teaching,

For the last five years, the Society has employed an Examining Committee, who

Carefully Read Every Book Published by the various publishing houses in all the cou .try. The excellent are kept en hand. All others are rejected

Dull Books, that would be Useless Lumber in any Library, are excluded The work of selecting these Libraries in each of the Society's Depositories is under the direct personal supervision or a thorough Sunday School man, whose experience in this class of literature, and familiarity with the books of all publishers, will guarantee that none but REAL.
