

enjoins on clergymen more care in the preparation of candidates for Confirmation, and says:

Had more care and discrimination been exercised in the past, in the preparation of our Candidates for Confirmation the Church would have been saved many a scandal;—Many of her children would be found in her embrace to-day, lovingly imbibing from her breasts the sincere milk of the Word, who now make no hesitation in standing up in some Sectarian Experience Meeting and publicly declaring that, although they were baptized and confirmed in the Church, they never knew anything about true religion until after they had left her;—and we should not be called to look upon some, who should be our future Mothers in Israel, going to any unauthorized Minister to have a secular marriage performed, only a few weeks after they had knelt with a white veil upon their heads before the Christian Altar as the brides of the Church.

We can afford to smile at our contemporary combining "Sectarian" with "Experience Meeting." It pleases him whilst it does not hurt any body else. The Christians were called "a sect every where spoken against," at Rome, even in the Apostle Paul's day.

MISSIONARY UNION.—We have been requested to insert the following copy of the Reply of the Amherst church to the invitation to send delegates to the Missionary Union.

Resolved, As the opinion of this church, that the matter referred to in the circular requesting us to send delegates to meet with the N. S. Home Missionary Union at Bridgetown on Friday June 20, 1873, should be discussed and decided at the approaching Associations. We therefore decline taking any individual action as a church in the matter at present.

A. S. BLENNHORN, Clerk pro tem.

To G. E. Day, A. C. Robbins, &c., members of Board.

THE BAPTIST HANDBOOK FOR 1873, published under the direction of the Baptist Union of Great Britain and Ireland, for a copy of which we are indebted to the kindness of Rev. Dr. Cramp, gives a detailed account of the present position of the denomination in Great Britain, and a condensed view of the body in other countries. In England, Wales, Scotland and Ireland last year there was an increase of 37 new Baptist churches, 145 new chapels built, and about 50 others enlarged or improved, 49 ministers died during the year, various other statistical matters are included in this volume of near 400 pages.

BOOKS FOR THE TIMES!

"SCIENCE AND THE BIBLE."

REV. GEO. H. EATON, (formerly Pres. of Houston Female College, Ga., says:

A single chapter of "SCIENCE AND THE BIBLE" is sufficient to show that it is the production of a master mind. The thoughts embodied and rendered intelligible to the plainest reader are clothed with an elegance, eloquence and p. w. of diction that at once wonderfully attract, charm and convince. In mechanical execution, the work is one of great beauty, which needs only to be seen to be admired more. It is a work of great popular interest, and manifestly "A Book for the Times." It must and will be in great demand.
