**NOW!
BOOKS FOR THE TIMES!**

"SCIENCE AND THE BIBLE."

REV. GEO. H. EATON, (formerly) Pres. of Houston Female College, Ga, says:
A single chapter of "SCIENCE AND THE BIBLE" is sufficient to show that it is the production of a master-mind. The thoughts embodied and rendered intelligible to the plainest reader are clothed with an elegance, eloquence and power of diction that at once wondrously attract, charm and convince. In mechanical execution, the work is one of great beauty, which needs only to be seen to be admired more. It is a work of great popular interest, and manifestly "A Book for the Times." It must and will be in great demand.

Messrs. R. C. MARGESON & Co—

Dear Sirs—Please accept this testimony from one who has been suffering for upwards of five years from Gravel and Stone in the Bladder, and was advised by my friends to try your "Calculifuge." I did so and I am happy to say that after using two bottles last summer, it entirely cured me. I passed five stones the size of peas, and upwards of a wine-glass full of smaller ones and gravel, and will send them to you by the first chance; and would say to all that is suffering with the same complaint—that secure your valuable medicine at once, as it has been the sole means of curing me.
And I take great pleasure in giving all the information I can to all that will call and see me at my house.
I remain yours truly,
ANDREW CRAWFORD,
Chesetocook, March 3rd 1873.

Messrs. R. C. MARGESON & Co—Dear Sirs,

A friend of mine having advised me, about four months ago, to try your **Calculifuge** for the Gravel, from which disease I had suffered for upwards of three years, I did so, obtaining it as Messrs. Avery & Brown's and after taking it three days I felt myself much relieved. I could scarcely change in my feelings. I continued to use the contents of the Bottle, and on finishing it found myself cured.
Therefore I believe it to be my duty, on account of the inestimable blessing conferred on me, to render you this testimonial entirely unsolicited, in order that any fellow-sufferer may be put in the way of obtaining immediate relief from one of the most distressing complaints to which man is subject.
I remain,
Your humble servt.
