Lunenburg, August 20th, 1873. MRS. AINSLEY, DEAR MADAM,-

Having found the efficacy of your very in valuable Liniment in the case of sore throat, which by two applications I was entirely relieved both of the swelling and soarness, I was induced to apply it to the parts affected by a severe attack of Lumbago. After having my back, lein and thigh thoroughly rubbed with the mixture, I was enabled to sleep comfortably and in a few days to walk about the field. I Chromo, "The Lord is Risen," a would further add for your satisfaction that my

friend with whom I board has been entirely re lieved from a pain in his shoulders, which drove him nearly to madness, by freely using the Liniment twice. Also the wife of ore of my neighbours who was suffering dreadfully from an attack of acute rheumatism especially in her joints and legs, told me that she had scarcely applied it to parts affected before she felt immediade relief. I have reason to believe the Arthranodyne Liniment the best now

MR. C. GATES .- This is to certify, that I was sfek of dyspepsia and indigestion, and that I could not eat any description of food without suffering great distress? I was also troubled with piles, owing to extreme costiveness. Having had the advice of our best medical men and finding no relief I began to consider mine a hopeless case; when Mr. Gates' agent called on me and recommended me to try Gates Remedies. I did so, though with little hope ; but, I am happy to say, by their use, I have quiterecovered my health, and now feel like a new man ; and would heartily recommend was, and I have uo doubt they will experience

My wife, also, was greatly troubled with asthma, so much so that for months she could not lie in bed ; she commenced the use of Gates Remedies, and was relieved; in fact the medicines seemed to work like magic; and she is now able to get a good night's rest and suffers no inconvenience from the asthma.

My little girl was very bad with jaundiceso bad that I had to employ the dector; but she got worse under his treatment. I was induced to try Gates' Jaundice Medicines, and SAMURL K. OSBORNE.

Personally appeared before me the subscriber and maketh oath to the above certificate. Berwick, this 10th day of December, 1869. E. C. FOSTER, J. P. May 6.

Important to every man who keeps a Horse, Cow, Ox, Pig, Sheep or Poultry,

THE WE have the Largest and Best Assortment North British Cattle Food Company's

NUTRITIOUS CONDIMENT FOR and Cattle.

Horses

All the principal prize cattle at the Royal Agricu tural Shows, held at the Agricultural Hall, Islington, London, 'Xmas, '68, '69, '70, and '71, were fed on the North British Cattle Food Co.'s Nutritious Condiment.

THE NUTRITIOUS CONDIMENT has been used by the leading breeders, proprietors of racing establishments, and feeders of cattle and horses in England and Scotland for ten years, with great success. The largest contractors, omnibus proprietors, horse car companies, and owners of horses in the principal cities of Europe, also teed with it. The success attending its introduction in Canada was greatly in excess of the most sanguine anticipations of the Company, inasmuch as the large cargo consigned to Montreal in October '72 which was considered to be sufficient to last one year, was exhausted in three months.

Six hundred of the leading Veterinary Surgeons, Horse Owners, Contractors, Farmers, Express Companies and Lumber Dealers of Canada testify to its utility as an economical, health giving food, for Horses and Cattle.

A Condiment is generally considered to be a seasorer of feed. The Nutritious Condiment is, however, a great deal more than a seasoner. Although it will season and rander palatable any description of coarse provender, such as chaff, chopped hay, &c., it is in itself a rich nutritious food. This will be seen by the system of feeding, which, if adhered to, will effect a saving of twenty per cent. in the cost or feeding, and the animals will be in a great deal better condition than when fed upon the

The directions show that where the Condiment is used, one fourth of the oats used at each time of feeding are deducted, and the bulk is made up with chaff or chopped hay. One fourth of a feed of oats costs more than four times as much as a measureful of this Condiment (quantity, one gill costs one cent.) Then the cost of the chaff or chopped hay to make up the bulk is very trifling. Therefore it will be seen the "Nutritious Condiment besides possessing numerous advantages in point of health, is a cheaper method of feeding than the old system of pain oats.

The Condiment may be had at the Depot, 83 Lower Water Street, Halitax, and of Sub-Agents throughout the Province.

Put up in strong Cotton Bags, 100 lbs., \$8.00; 50 lbs., \$4.25; 25 lbs., \$2.50; and 10 lbs., \$1.25. There is a Tin Measure, with full directions, in each Bag.
