LIEBIG'S
LIQUID EXTRACT OF BEEF.

Besides the Condensed Beef prepared from the best parts of the animal, the preparation contains Quinine, Peruvian Bark, and numerous herbs and roots grown for their tonic and health-giving properties.

THIS IS THE ONLY CONDENSED BEEF THAT DOES NOT REQUIRE COOKING OR WARMING. It was especially manufactured under the direction of BARON VON LIEBIG, before the late FRANCO-PRUSSIAN WAR, for the German soldiers. Its tonic qualities are much greater than those found in any ordinary Specific or Appetiser, and its nutritive properties are sufficient to sustain the body without the addition of solid food. It is now recommended by the Faculty in preference to anything else as the best remedy for

CONSUMPTION, GENERAL DEBILITY, LOSS OF APPETITE, LOWNESS OF SPIRITS, INDIGESTION, DYSPEPSIA, LASSITUDE, FEVER, AGUE, CHOLERA, ALL FEMALE AND CHILDREN'S MALADIES, SICK-HEADACHE, SEA SICKNESS INFLUENZA, &c.

Thoroughly Renews the Sytem.

There is only one liquid extract of Beef in Existence.

Opinion of the Medical men of Halifax.

Liebig's Fluid Extract of Beef, a very agreeable article of Diet, and particularly useful where stimulants are required. In Dyptheria, Typhoid Fever, and every depressing disease, its use will be attended with great advantage and will be found invaluable in Country Districts where fresh Beef cannot be easily procured. *EVERY BODY SHOULD HAVE A BOTTLE.*

TO MR. CALEB GATES.—This is to certify that I had inflamation of the langs for some months. After consulting several medical men, and receiving no relief, I was induced by some of my friends to try Gates medicines. I purchased three bottles and after I had taken the third bottles, I began to find myself growing strong and ever since I have been in perfect health. I do not hesitate to recommend this medicine to those similarly affected; and if this certificate is of any benefit to you you are entirely welcome.

With many thanks, respectfully yours,

JOHN WHEATON.

PAUL and CHRIST:
A PORTRAITURE AND AN ARGUMENT.

BY J. M. CRAMP, D. D.

"This small volume is rich in vigorous thought and in devout feeling. In ten short chapters he sketches the early life and the labours of the great Apostle, his views of Christ, of faith, of regeneration, and holiness, his letters and theology. The whole is at once a history and an argument, full of instructive lessons, and decisive as evidence of the truths of Christianity. Dr. Cramp has made himself familiar with modern Biblical criticism, and gives in the text or in notes the result of recent scholarship. The volume will find no small acceptance with teachers, ministers, and intelligent readers generally. We give it a cordial welcome."—*Freeman.*
