A MAN OF A THOUSAND! CONSUMPTIVE CURED.

WHEN death was hourly expected from Consumption, all remedies having failed, accident led to a discovery whereby Dr. H. James cured his only child with a preparation of *Cannabis Indica*. He now gives this recipe free on receipt of two stamps to pay expenses. There is not a single symptom of consumption that it does not dissipate—Night Sweats, Irritation of the Nerves, Difficult Expectoration, Sharp Pain in the Lungs, Nausea at the Stomach, Inaction of the Bowels, and Wasting of the Muscles.

LIEBIG'S LIQUID EXTRACT OF BEEF.

Besides the Condensed Beef prepared from the best parts of the animal, the preparation contains Quinine, Peruvian Bark, and numerous herbs and roots grown for their tonic and health-giving properties.

THIS IS THE ONLY CONDENSED BEEF THAT DOES NOT REQUIRE COOKING OR WARMING. It was especially manufactured under the direction of BARON VON LIEBIG, before the late FRANCO-PRUSSIAN WAR, for the German soldiers. Its tonic qualities are much greater than those found in any ordinary Specific or Appetiser, and its nutritive properties are sufficient to sustain the body without the addition of solid food. It is now recommended by the Faculty in preference to anything else as the best remedy for

CONSUMPTION, GENERAL DEBILITY, LOSS OF APPETITE, LOWNESS OF SPIRITS, INDIGESTION, DYSPEPSIA, LAZZIUS, FEVER, AGUE, CHOLERA, ALL FEMALE AND CHILDREN'S MALADIES, SICK-HEADACHE, SEA SICKNESS, INFLUENZA, &c.

Thoroughly Renews the System.

There is only one liquid extract of Beef in Existence.

Signature of the Inventor.

Johnston Liebig

BARON JUSTUS LIEBIG, M.D. F.R.S.

Professor in the University of Munich.

Opinion of the Medical men of Halifax.

Liebig's Fluid Extract of Beef, a very agreeable article of Diet, and particularly useful where stimulants are required. In Dyspepsia, Typhoid Fever, and every depressing disease, its use will be attended with great advantage and will be found invaluable in Country Districts where fresh Beef cannot be easily procured. EVERY BODY SHOULD HAVE A BOTTLE.

EDWARD JENNINGS, M. D.—SURGEON PROVINCIAL AND CITY HOSPITAL.
