The directions show that where the Condiment is used, one fourth of the oats used at each time of feeding are deducted, and the bulk is made up with chaff or chopped hay. Lunenburg, August 20th, 1873. MRS. AINSLEY, DEAR MADAM,-

Having found the efficacy of your very invaluable Liniment in the case of sore throat, which by two applications I was entirely relieved both of the swelling and soarness, I was induced to apply it to the parts affected by a severe attack of Lumbago. After having my back, loin and thigh thoroughly rubbed with the mixture, I was enabled to sleep comfortably and in a few days to walk about the field. I would further add for your satisfaction that my friend with whom I board has been entirely relieved from a pain in his shoulders, which drove him nearly to madness, by freely using the Liniment twice. Also the wife of ore of my neighbours who was suffering dreadfully from an attack of acute rheumatism especially in her joints and legs, told me that she had scarcely applied it to parts affected before she felt immediade relief. I have reason to believe the Arthranodyne Liniment the best now

Dr. GATES, Dear Sir,-I suffered two years with Asthma-I suffered day and night purchased every remedy that I could hear tell of, but all to little or no purpose; the more I took of doctor's medicines, such as powders, &c., the worse I got, and they left me so weak that I could scarcely walk. I expected to suffer the rest of my days; but, thanks to Gates' Life of Man Bitters and Syrup, I am cured of the asthma. I have completely re-covered my health, strength, and spirits. My friends, my physician, and myself, are confident that it is owing solely to the use of your won-derful Life of Man Bitters and Syrup that this happy result has come to pass; and I shall ever gratefully acknowledge it; and am now and will be at all times ready to state any further particulars to satisfy the public that my as-
