This Council have to state that the Brethren by whom the Council has been called, have rented a Hall on Gerrish Street, where they hold their regular worship, and that all other arrangements made by them were preliminary to their organization, rending the advice of this Council. The Council is gratified to know that the Brethren of the North Baptist Church, entertain no other feelings than those of kindness and brotherly love toward the Brethren who now seek the formation of a new Baptist Church in this City, and would with them deeply deplore the sad spectacle of a Church of Christ divided ; "one saying I am of Paul, another I am of Apollos.", The Council cannot fail to see that in the exercise of this Christian spirit by the Senior Deacon and Brethren of the Church, there is an assurance that when the spirit and desire of the Brethren, who now ask for their dismission, are known, such an adjustment of this most unhappy difficulty will be effected, as shall save the Church of Christ from presenting to the world the aspect of a house divided against itself. APPENDIX NO. 8.

It would have been pleasing to me to attend the Western Association, held at Lockeport ; but, as the journey, was long, I could not be there and at the Central and Eastern Associations, and therefore concluded to omit the first named, and attend the other two. The Central commenced June 27th in Cornwallis, where I was born, August 6, 1794, brought up, baptized by the venerable Edward Manning, May 14, 1815, where I commenced preaching as a Licentiate March 24, 1816, and where I was ordained July 17, 1817. In this place, therefore, as may be naturally supposed, my interest is deep and lively. A contemplation of what God has wrought in this Township with reference to the Baptist denomination since my Union with the body, may well excite thankfulness and praise. It may also afford encouragement to labor in His cause. In 1814, the year previous to my baptism, according to the Associational Minutes, there were in Cornwallis only one Baptist Minister, and one Church, consisting of 68 members. There are now 5 Ministers, and 7 Churches, containing 1757 members. Of these 300 were received by baptism in the course of the year preceding the holding of the Association in Canard, June 27, 1874.

The Session was peculiarly harmonious and pleasant. Mrs. Tupper and I were very kindly entertained by our esteemed sister Carruthers, (with her amiable chiljustly venerable Pastor, Rev. Edward Man-

I trust none of my friends will suspect the soundness of my sentiments as a Bartist from the fact, that on the Sabbath I preached, by request, in the Methodist Chapel in Canning. The sermon was such as would have been preached by me from this text in a Baptist Meeting The year 1874 has been, through the House. At the close Rev. Such friendly intercoure between Ministers of Christ belonging to different denominations, without any sacrifice of principle, appears to me bighly desirable and beneficial. It was also my privilege to attend the Eastern Association, which assembled in Parrsborough Village July 11th. In the success of the cause of Christ in this region especially as connected with the Baptist body, my interest is naturally strong and abiding. Here a considerable portion of my early evangelistic labors was expended. waggon to preach, near the last of January. | On my first visiting Parrsborough, July 2, On the night of Lord's day, 25th, there | 1816, there were only one or two Baptists, came on a violent snow storm. Dear Mr. Editor .-

For the Christian Messenger.

Within the present few months I have visited quite a number of harbors on the Nova Scotia shore, and although nineteentwentieths of the Baptists can sing, yet not one-twentieth possess a Baptist hymnbook ! Some have "Wesley's hymns," more have the " Pealms," but very few possess the "Pealmist." Why? They can purchase Wesley's for 25 cents, and a Testament for about the same, with "psalms and paraphrases " to boot, but the " Psalmist " being the largest collection, costs 75 cents. But this is not the only cause, for while Ministers of other denominations know that the possession of a hymn-book with many in a mixed community, is as good as a promissory note to attend service, our Ministers appear ignorant of that fact ! In one harbor where the Baptist population was no mean proportion, other singing books were found in abundance, but not a sufficient number of Psalmists to ensure Baptist singing, and we used Wesley's hymns for one or two meetings. After the first service, however, I told the people about a nice compilation called the "SELECTION" containing 179 hymns-135 of them amongst the best hymns from the Psalmist, and 44 others mostly of the more modern popular melodies in use at revival meetings, costing only \$1 25 per dozen. Some of them had not heard of it before, but when assured of the fact of its existence, three dozen were ordered immediately. That congregation require three dozen more. Send for them triends, bro. Selden I have no doubt, is prepared to meet your order.

Just a word to Pastors. Have your churches well supplied with hymn-books ; if they cannot afford the PSALMIST sce that they get the SELECTION. A word to Missionaries. Do not go to your fields this "New Year vacation" without a few dozens of the "Selection," for you will be received better, you will have no bad dreams about men with open mouths and straining eyes trying to sing from a book on the opposite sile of the building, and you will have no guilty conscience for having " laughed up your sleeve" at the poor bookless ones. Yours, &c., 1 CHORISTER.
