This young man possessed fine talents, and had good prospects of success in life; but God called him early to part with earthly scenes and employments, and to the abode of Providence he finally came to submit with patient and filial trust. In his affliction he obtained pardon and peace through faith in the blood and righteousness of Jesus; and had his strength permitted, he would have gladly honoured his Lord and Saviour by submitting to the acts of obedience required in uniting with the Church of God. But he felt assured of his acceptance with God, and that the desire of his heart was pleasing to the Lord. Clifford died in peace and in full hope of eternal life through Christ Jesus. This comforts the sorrowing ones around. May this be a general example for the highest spiritual good of the afflicted parents, family and friends! And may the companions of this interesting and promising youth, thus early cut off, lay it to heart and now "prepare to meet God."—Com. by Rev. George Armstrong.

J. ALBERT WALKER wishes to intimate that Pastors and Churches and Sabbath School Superintendents in Colchester and Cumberland Counties, wanting Sabbath School Libraries, by sending in a Post Card to him at Truro, can be supplied early with Books from the American Baptist Publication Society at their own prices. EAST INDIA HEMP, And What We Know About It.

Instead of devoting a column to the merits of this strange and wonderful plant, we remain silent and let it speak for itself through other lips than ours, believing that those who have suffered most can better tell the story. We will here quote word for word from letters recently received, simply adding our testimony to the rest in saying, that when this plant is properly prepared, we know that it positively cures Consumption, and will break up a fresh cure in twenty-four hours.

Liverpool, Beach Meadows, Queens Co., Nova Scotia, Aug. 27, 1874. Please send \$20 worth of India Hemp. I can not tell you with pen the great good this has done me. I was as weak as a cat; could hardly stand on my legs; no appetite; constant pain in my lungs; the doctor had given me up, and I saw death before my eyes. But this medicine has raised me to the enjoyment of three miles without fatigue; have a good appetite; am free from pain; sleep soundly, and am doing well. I have no fears of consumption now.

ISAAC J. GARRETT, Thorntown, Boone Co., Ind., 1st Month 20, 1867. I have tried so much that I have lost all confidence in Patent Medicines, and would not have sent for your remedy, only I saw in your testimonials that of Robert Cox, in the case of Findley Barker, with whom I am personally acquainted, and know that Mr. Barker was cured of Consumption, and is now well and hearty. I am also acquainted with Robert Cox, and feel that Cannabis ought to do as much for me as it did for Barker. Yours in faith, JOHN B. WETHERALD, Sweet Valley, Luzerne, Pa., April 20, 1874. I have used your Cannabis India Syrup for the last ten years with astonishing success in acute and chronic Pulmonary Affections and I believe it has no equal for such diseases. DR. J. N. DAVENPORT, Deep River, Poweshiek, Iowa, Jan. 3, 1874. I have just seen your advertisement in my paper; about the Cannabis India. Fifteen years ago it cured my daughter of the Asthma; she had it very bad for several years, but was perfectly cured. JACOB TROUT, Montezuma, Tenn. My daughter (Miss Crowder) has gotten entirely well of Consumption. Hers was a case of fifteen years' standing. So you see we have tested the virtues of India Hemp, and now have no doubts as to what it will do. Truly yours, CROWDER & MUSE, Lovelockville, Ballard Co., Ky.

Mother has been suffering with Bronchitis for twenty years, and tried most all kinds of medicine, and says the Cannabis India is the only thing that gives her relief. JANE A. ANSBROOK, N. B.—This Remedy speaks for itself. A single bottle will satisfy the most skeptical. \$1.50 per bottle, or three bottles for \$5.00. Pills and Ointment \$1.25 each. sent at our risk. Address, CRADDOCK & Co., 1032 Race Street, Philadelphia. Oct. 14 13w eow.
