FREEPORT, DIGBY COUNTY .- Rov. W. L. Parker expresses warmly his appreciation of the teacher in the High School in this place. He says :

The examination of the High School came off with much satisfaction to those who were there. Mr. A. H. Horner, both as a teacher and as a man during the two years which he has been in this place, has commended himself to the community. On the day of examination a Bible was presented to him by Miss Mary Crocker in behalf of the School ; when Miss Eugenia Spring read the following :

To Mr. A. H. Horner, Principal of High School at Freeport, from his Pupils :

.. We present you this Bible as a slight mements of our regard ; appreciating the kind manner you have always manifested toward us, as a Teacher and your good. example, not only in School but at all times during the two years you have been residing with us. We shall be sorry to have you leave us, but hope the good instructions you have always given us will be lasting."

After which Mr. H. made some very appropriate remarks, as follows. " There is no gift which you could have bestowed on me that I would prize more highly. It is the golden chain which leads to heaven. It tells us our duty to God, and to man. It is that which can teach us how to live, and how to die, and what is after death. It auranced a coursi, Mrs. Danal Conk. speaks of the joys of heaven, and the woes death that never dies.".

Nov. 25.

Dear Sir -I have very much pleasure in writing to you, so that all may receive the same benefit from your Life of Man Bitters and Invigorating Syrup. I was much troubled last winter with a severe cold, which continued to get worse, until I feared it would settle upon my lungs. My cough was increasing. I could get no relief from any quarter, or from any medicine man, nntil I accidentally fell in with your valuable Syrup. I now honestly, on my oath, state that ene bottle of it gave me instantansous relief. I use it continually in my family and would not be without it on any account. Several other persons with whom I am acquainted, have also been cured by your valuable medicines. I shall be happy to give any further information concerning your medicines at any time. I have also been cured of palpitation of the heart by the use of Gates' medicines One of my daughters was in a learful state as regards a cough or coli, and she received im mediate relief and a perfect cure, and can honestly recommend it to all, young and old. JAMES YOUNG.

Sworn before me, one of Her Mejosty's Justices of the Peace for the County of Lunenburg.
