Messrs E Lunt & Sons, and Messrs Small & Hatheway, proprietors of the lines of Steamers in the Bay and Rivers; the European and N. American R. R ; and the River Du Loup R. R , to allow delegates and visitors to the Convention to pass over their lines to and from St. John for one full fare to be paid at point of departure. The delegates on returning must be provided with the usual Convention certificate, and since some of the R. R. officials require it, it would be advisable for all availing themselves of the reduction of rates of fare to inform the agents when purchasing tickets that they are en route to the Convention. On the Intercolonial R. R delegates will

be obliged to pay one and one third (1) regular fare for the round trip.

It is understood that tickets on the Rail Roads will be good for transportation from the 20th to 29th inst.

The P. E. Island brethren have not yet responded to our request to socure a reduction of fare from their Province.
