PAUL and CHRIST: A PORTRAITURE AND AN ARGUMENT.

BY J. M. CRAMP, D. D.

This small volume is rich in vigorous thought and in devout feeling. In ten short chapters he sketches the early life and labours of the great Apostle, his views of Christ, of faith, of regeneration, and holiness, his letters and theology. The whole is at once a history and an argument, full of instructive lessons, and decisive as evidence of the truth of Christianity.

THE North British Cattle Food Company's NUTRITIOUS CONDIMENT FOR Horses and Cattle.

All the principal prize cattle at the Royal Agricultural Shows, held at the Agricultural Hall, Islington, London, &mas, '68, '69, '70, and '71, were fed on the North British Cattle Food Co.'s Nutritious Condiment.

THE NUTRITIOUS CONDIMENT has been used by the leading breeders, proprietors of racing establishments, and feeders of cattle and horses in England and Scotland for ten years, with great success.

Six hundred of the leading Veterinary Surgeons, Horse Owners, Contractors, Farmers, Express Companies and Lumber Dealers of Canada testify to its utility as an economical, health giving food for Horses and Cattle.

A Condiment is generally considered to be a seasoning of food. The Nutritious Condiment is, however, a great deal more than a seasoning. Although it will season a finer palatable any description of coarse provender, such as chaff, chopped hay, &c., it is in itself a rich nutritious food.

The directions show that where the Condiment is used, one fourth of the oats used at each feeding are deducted, and the balance made up with chaff or chopped hay.

One pound of a feed of oats costs more than four times as much as a measureful of this Condiment, (quantity, one gill costs one cent.) Then the cost of the chaff or chopped hay to make up the bulk is very trifling.

The Condiment may be had at the Depot, 83 Lower Water Street, Halifax, and of Sub-Agents throughout the Province.

Put up in strong Cotton Bags, 100 lbs., \$5.00; 50 lbs., \$2.25; 25 lbs., \$2.50; and 10 lbs., \$1.25. There is a Tin Measure, with full directions, in each Bag.

MRS. AINSLEY'S Arthranodyne Liniment.

This magical pain curer having been in use among private friends for a number of years is now offered to the public as a superlative remedy for RHEUMATIC PAINS, TOOTHACHE, NEURALGIA, SPRAINS, &c.

Manufactured by Mrs. Ainsley, Halifax. Lunenburg, August 20th, 1873.

Mrs. Ainsley, Dear Madam— Having found the efficacy of your very invaluable Liniment in the case of sore throat, which by two applications I was entirely relieved both of the swelling and soreness, I was induced to apply it to the parts affected by a severe attack of Lumbago.

I would further add for your satisfaction that my friend with whom I board has been entirely relieved from a pain in his shoulders, which drove him nearly to madness, by freely using the Liniment twice.

Your obedient servant, REV. D. S. SHAW. Wholesale Agents—Brown Brothers & Co.; Forsythe & Co.; Avery Brown & Co., Halifax. Aug. 13. 6ms.
