Deaths.

At Middleton, N. S., on the 1st day of Aug., 1875, Mrs. Joseph Greenloe, in the 66th year of her age. On Saturday forenoon she attended to her household duties; on Sabbath morning she was numbered with the dead. She left a husband and a large family of young children to mourn the loss of a kind wife—a peaceful and loving mother. Her Christian influence has already produced the fruit of early conversion in three of her children. May it work till all own themselves trophies of the Redeemer's love.

At Wilmot, Brooklyn East, Annapolis Co., on the 18th of July, 1875, Bro. John Dodge, in the 87th year of his age. His illness which was somewhat lingering, was borne with patience, and to the close of life he appeared cheerful and submissive. He was favoured above many with health and years. He was one of the old men who did not appear old. He was widely known, and highly esteemed. In early life he professed allegiance to the King of Zion. He enjoyed the blessings of him whose transgression is forgiven, and whose sin is covered. He loved, and sustained the worship of God, and died resting on the atonement. May God sustain and bless the widow and all the friends who are left behind to miss an honored member of the Pine Grove Church.—Com. by Rev. J. A. McLean.

At Richmond, Mary, wife of Deacon Wm. S. Patten, aged 57 years. Sister Patten was the subject of early religious impressions, but did not connect herself with the church of Christ till after her marriage. She was baptized by Elder Henry Saunders, at, or near, the time of the organizing of the Lake George Church, of which she continued a worthy member until death. A painful and lingering disease proved that she had a living faith in a living Christ, patiently and submissively she awaited the Master's call, and on June 19th, 1875, calmly fell asleep in Je-u-s, leaving a beloved companion, several children and a large circle of relatives and friends, sad and grieved yet comforted with the thought of reunion in the upper house.

At Sandford, Yarmouth, Mary, wife of Mr. James Shaw. Mrs. Shaw was a member of the Baptist Church at Hebron, her christian deportment endeared her to a large circle of acquaintances. The messenger came suddenly and found her ready; after a half hour's sickness she departed in peace. "Blessed are the dead who die in the Lord." Thus, in the 72nd year of her age she entered into rest, leaving an aged husband, several children three surviving brothers and many other friends to mourn her sudden removal.—Com. by Rev. P. F. Murray.

At Port Williams, Cornwallis, on the 4th of July, Elizabeth, aged 56 years, wife of Enoch Eaton. She was for many years a member of the 1st Cornwallis Baptist church, and her work was that of a consistent christian. EAST INDIA HEMP,

And What We Know About It.

Instead of devoting a column to the merits of this strange and wonderful plant, we remain silent and let it speak for itself through other lips than ours, believing that those who have suffered most can better tell the story. We will here quote word for word from letters recently received, simply adding our testimony to the rest in saying, that when this plant is properly prepared, we know that it positively cures consumption, and will break up a fresh cold in twenty-four hours.

ST. MARY'S CHURCH, Alleghany City, Pa., Nov. 10, 1874.

The East India Hemp has been taken by Rev. Matthias Binber, O. S. B., and Rev. Sebastian Arnold, O. S. B., both assistant pastors of this church, and so far has given relief to both. They suffered from affection of the lungs and bronchial organs. We have recommended, charity sufferers, to the Cannabis Indica to different persons, and continue the same in good conscience, knowing the effects by experience. Please find enclosed check for twelve bottles of syrup, pills and ointment. We shall inform you in due time what further success the medicine shall meet with.

Yours truly, REV. FERDINAND WOLF, O. S. B., 87 Washington Street.

CHINA GROVE, Rowan Co., N. C., Oct. 21, 1874.

Send one dozen ointment and one of Cannabis Indica. When Mr. J. W. Fisher brought his wife to me for examination, I found her in the incipient stage of tuberculous consumption. Then it was I concluded to make a fair trial of Indian Hemp, and now there is a general demand for those remedies. The Ointment excels everything and anything of its kind I ever saw or tried, in many cases it acted like a charm.

Fraternally yours, P. A. SIFFORD, M. D.

RIDGEVILLE, Caswell, N. C., Sept. 12, 1874.

Inclosed is \$10 for more of the Indian Hemp. I can truly say that the medicine has done me more good than all the doctors, and I had several of the best in the country. My cough is a great deal better, and my chills and night sweats are gone. You may look for several orders soon, as many have seen the effect of this medicine on me.

W. A. FULLER.

COLUMBUS, O., Oct. 30, 1874. Your treatment for consumption has so improved my condition, that the inquiry comes every day from my friends. What are you taking? Several are talking of sending for some of your medicine, and James Huff desires me to order for him \$9 worth of the Hemp.

WM. HUNT, North High Street.

P. S.—It is my opinion that an agent at this place would sell considerably for you.

W. H.

DECHERD, Franklin, Tenn., Sept. 12, 1875.

Send three more bottles of your consumption and bronchitis cure. My son began taking the Hemp last night three weeks ago, and he is improving rapidly. The last ten days have made him look and act like another person. I have great hopes.

J. M. BRATTON.

DEEP RIVER, Poweshock, Iowa, Jan. 3, 1874.

Hundreds Cured daily in N. S.,

BY THE DIAMOND

RHEUMATIC CURE.

RHEUMATISM.

Effectually curing hundreds of our Nova Scotia citizens from that terrible malady.

This statement is substantially a FACT based upon evidence in the possession of the agent, in the shape of numerous testimonials from past sufferers, in all the walks of life, and particularly from some of our most respectable and trustworthy families.

DIAMOND RHEUMATIC CURE.

In its history, this invaluable Medicine occupies the most honorable position possible for any remedy to attain. A few years since it was known only to the friends and neighbors and patients of the proprietors, and always sought for by them whenever troubled with Rheumatism, and in this way came to the notice of physicians generally, and through their favorable expression, and its acknowledged value as a Rheumatic Remedy, the demand for it became so frequent and urgent as to oblige its proprietors to increase their facilities for its manufacture. Its reputation rapidly extended, and soon orders, letters of enquiry, letters of thanks, and certificates of praise were daily received from all sections of the United States and Canada; and in this way on a basis of its merit alone—unaided by "tricks of the trade" or special efforts—it has risen to its present enviable position. Wherever introduced it has received the most flattering preference in the treatment of all rheumatic complaints. In this we are really grateful and happy, not alone because our medicine finds ready sale, and is consequently profitable to us, but because we have opened a new field in medical science, and cure at once what the best medical practitioners have for ages found so difficult even to relieve. We fill a place heretofore unoccupied. We relieve the suffering and minister to God's poor; we restore the laboring man to the use of his injured limbs, and save him scores of times its cost in doctor's bills; we carry contentment and gladness into the home of the afflicted, and consequently are remembered by millions of grateful souls.

The proprietor of this medicine has walked the aisles of the hospitals of London, Eng., for the past twenty years, making rheumatism a speciality, and the prescription from which this remedy is compounded is all he ever used in the treatment of this disease.

This medicine is for sale at all the druggists throughout Canada. If it happens that your druggist has not got it in stock, ask him him to send for it.
