

with much secular knowledge, many of the parents and the greater part of the town had heard again the gospel call, and the seed sown may appear in due time to have fallen in some cases on good ground.

"Our Karen school numbered 38, of these ten were baptized before they left for their homes, most of whom have since proved themselves to be active labourers in the Master's vineyard.

"One thing that deserves mention here is the unfailing kindness, shown us by the English residents. As an instance of this—near the close of our school-term the Director of Public Instruction visited Tavoy. Col. and Mr. Grove especially interested themselves for us, recommended the schools to him, and brought him to visit and examine them. It was in consequence of this that we received the ensuing year over 1000 rupees, as a Government Grant-in-Aid.

"About the middle of October I went to the Burmese Convention at Sway Geen, leaving the schools in the care of the native teachers. I was accompanied by the Karen delegate from the Tavoy Association; and expected on my return to meet your missionaries at Rangoon. Owing to their detention in Glasgow I was disappointed, and having six weeks at my disposal I determined to visit the Mergui churches, which I had long been anxious to do. Returning to Tavoy we gathered together a party of Karens from the school and went by steamer to the town of Mergui. There we found but one disciple, a Chinaman. We visited him, and fortunately finding a boat were able to leave at once for the Karen jungle. We visited thirteen villages, secured many names for the town school, encouraged many fainting hearts, and brought comfort to many who had little hope of seeing a missionary's face again. As I remember, about twenty-five were baptized. In every village where there was a church the people were gathered together for a season of conference by the ordained pastor with me; those who had been waiting for baptism, and gave good evidence of their fitness for that ordinance were baptized. We all partook of the Lord's Supper, and separated to meet no more in time.

"I got home just in time to go some thirty or forty miles East to Matab, where our Karen Association was held that year. Returned immediately to take the steamer then due for Rangoon, where your band of seven had just arrived, and were awaiting me.

"This finishes my first year in Tavoy. I shall write of the remaining year another time."

DONATION TO REV. JAMES PARKER. Dear Editor,—In a letter from Rev. L. Wallace, of Berwick, in the last issue of the Messenger, the attention of the churches in this County was directed to a proposed donation to the Rev. James Parker from the Kentville church. Arrangements have already been made for this donation, which is to be held in the vestry of the Baptist Meeting House, Kentville, on Monday 15th inst., at 7 P. M.

The sister churches throughout the province are respectfully invited to co-operate in this worthy movement. A committee of arrangement has been appointed by the Kentville Church, to receive donations in cash, or any articles useful in the family, who will take charge of, and forward the same to Bro. Parker. We feel assured that the many friends of our afflicted brother throughout the province will need only to be informed of his helplessness, and entire dependence upon the benevolence of the denomination which he has so long served, to cheerfully and promptly respond to this invitation.

SUPREME COURT.—The November sittings of the Supreme Court opened on Tuesday of last week.

On the Civil side Chief Justice Young presided. On the Criminal side Judge McCully. The Civil docket comprises 126 summary and 232 declaration causes. The Criminal docket is also large.

The military authorities refuse to take off the ban from Albemarle Street.

Much delay and disappointment to the travelling public we are informed was occasioned last week by the diminution of hands on the Pictou railway.

KING'S COUNTY.—The Kentville Chronicle says, Bears are reported very thick in Aylesford and thereabouts. A large one was killed in that district a few days ago. Red foxes are very plenty this season. Mr. Scaborn caught two one day last week; another got away with a trap. One was started on the Wellington dyke, last Sunday; and we hear of great numbers being seen throughout the southern part of the county.

FOR PICTOU HARBOR.—Mr. Gilbert, of St. Joseph street, Montreal, has built a steamer named the "Mayflower," to replace the one of the same name at present plying on Pictou harbor, in connection with the International Railway. The hull, which is strong oak, is 125 feet long, 23 ft. beam and 11 ft. in depth; has a heavy spar-deck. The engines, which were built by Mr. Gilbert, are of 150 horse-power, one engine being connected to a pair of twin screws of eight feet in diameter; speed 120 revolutions per minute. The boat is good for 12 miles per hour, and from her build is suitable for summer and winter.

DIGBY.—The ladies of Digby have resolved that there shall be light. They are collecting money to provide street lamps. Capt. James Raymond's house was robbed of \$20 worth of clothing. Mr. E. W. Pitter, Smith's Cove, had an arm broken by a kick from a horse.

HANTS COUNTY.—Mr. John Simpson, while engaged working at the old Avon Bridge, was struck by a block and tackle which inflicted a severe injury on his head. It appears that Mr. S. was working below and two men were engaged above, hoisting something with a block and tackle, when its fastening gave way.

Mr. Daniel Moody, of Moose Brook, while harnessing a horse, on Wednesday, 20th ult., was severely kicked in the abdomen. He lingered in great pain until Saturday, 23rd, when he expired. Mr. Moody leaves a wife and seven children to mourn the loss of a kind father and affectionate husband.

On Tuesday morning last, about half-past two o'clock, the dam at Messrs. Hobart & Payzant's mill, at the Forks, gave way. A large aperture was created in the middle of the dam. It is supposed that the dam was undermined by ice boring away at the lower portion of it. The damage is estimated at \$1,000.—Windsor Mail.

The Hemlock Bark Extract Mills, owned by Messrs. DeWolf & Tupper, situated on Chester road, about 12 miles from Windsor were burned to the ground last week. The origin of the fire is supposed to be accidental—caused by workmen in the building. There was no insurance, the loss will amount to between \$9,000 and \$10,000.

PUGWASNE.—The lobster-packing establishment here has put up 155,000 cans during the season, valued at \$19,375, an increase of 56,000 cans over last year.

YARMOUTH.—A telegram from Callao (via Panama) to A. F. Stoneman, Esq., of this town, announces the death of Capt. John G. Perry, of the ship "Peter Young," of this port, now lying at Pabellon de Pica, Peru, loading with guano for Europe. He was accompanied on the voyage by his wife and two of his children.

Greece Point, P. Q., November 2, 1869.—I had suffered with Rheumatism for four years, but last spring the attack was so severe that for three months I could scarce get up or down stairs, until I used Graham's Pain Eradicator, and have been effectually cured by two applications.

As a remedy for Rheumatism I would not grudge \$5.00 a bottle for it. Mrs. Wm. Foreman.

EAST INDIA HEMP, And What We Know About It.

Instead of devoting a column to the merits of this strange and wonderful plant, we remain silent and let it speak for itself through other lips than ours, believing that those who have suffered most can better tell the story. We will here quote word for word from letters recently received, simply adding our testimony to the rest in saying, that when this plant is properly prepared, we know that it positively cures consumption, and will break up a fresh cold in twenty-four hours.

ST. MARY'S CHURCH, Alleghany, N. Y., Pa., Nov. 10, 1874. The East India Hemp has been taken by Rev. Matthias Binzer, O. S. B., and Rev. Sebastian Arnold, O. S. B., both assistant pastors of this church, and so far has given relief to both. They suffered from affection of the lungs and bronchial organs. We have recommended, charity sufferers, to the Cannabis Indica to different persons, and continue the same in good confidence, knowing the effects by experience. Please find inclosed check for twelve bottles of syrup, pills and ointment. We shall inform you in due time what further success the medicine shall meet with. Yours truly, REV. FERDINAND WOLF, O. S. B., 87 Washington Street.

CHINA GROVE, Rowan Co., N. C., Oct. 21, 1874. Send one dozen Ointment and one of Cannabis Indica. When Mr. J. W. Fisher brought his wife to me for examination, I found her in the incipient stage of tuberculous consumption. Then it was I concluded to make a fair trial of Indian Hemp, and now there is a general demand for those remedies. The Ointment excels everything and anything of its kind I ever saw or tried, in many cases it acted like a charm. Fraternally yours, P. A. SEFFORD, M. D.

RIDGEVILLE, Caswell, N. C., Sept. 12, 1874. Inclosed is \$10 for more of the Indian Hemp. I can truly say that the medicine has done me more good than all the doctors, and I had several of the best in the country. My cough is a great deal better, and my chills and night sweats are gone. You may look for several orders soon, as many have seen the effect of this medicine on me. W. A. FULLER.

COLUMBUS, O., Oct. 30, 1874. Your treatment for consumption has so improved my condition, that the inquiry comes every day from my friends. What are you taking? Several are talking of sending for some of your medicine, and James Huff desires me to order for him \$9 worth of the Hemp. Wm. Hunt, North High Street.

P. S.—It is my opinion that an agent at this place would sell considerably for you. W. H. DECHERD, Franklin, Tenn., Sept. 12, 1875. Send three more bottles of your consumption and bronchitis cure. My son began taking the Hemp last night three weeks ago, and he is improving rapidly. The last ten days have made him look and act like another person. I have great hopes. J. M. BRATTON.

DEEP RIVER, POWDSHICK, Iowa, Jan. 3, 1874. I have just seen your advertisement in my paper. I know all about the Cannabis Indica Fifteen years ago it cured my daughter of the Asthma. She had it very bad for several years, but was perfectly cured. JACOB TROUT.

N. B.—This Remedy speaks for itself. A single bottle will satisfy the most skeptical \$2.50 per bottle, or three bottles for \$6.50. Pills and Ointment \$1.25 each. Sent at our risk. Address CRADDOCK & Co., 1032 Race Street, Philadelphia. Dec. 23. 13cew.

FITS! FITS! FITS!

CURE OF EPILEPSY; OR, FALLING FITS. BY HANCO'S EPILEPTIC PILLS.

Persons laboring under this distressing malady, will find Hanco's Epileptic Pills to be the only remedy ever discovered for curing Epilepsy or Falling Fits. The following certificates should be read by all the afflicted; they are in every respect true, and should be read by any one who is not afflicted himself, if he has a friend who is a sufferer, he will do a humane act by cutting this out and sending it to him.

A MOST REMARKABLE CURE.

PHILADELPHIA, June 25th, 1867. SETH HANCO, Baltimore, Md.—Dear Sir: Seeing your advertisement, I was induced to try your Epileptic Pills. I was attacked with Epilepsy in July, 1863. Immediately my physician was summoned, but he could give me no relief. I then consulted another physician, but I seemed to grow worse. I then tried the treatment of another, but without any good effect. I again returned to my family physician; he was cupped and bled several different times. I was generally attacked without any premonitory symptoms. I had from two to five fits a day, at intervals of two weeks. I was often attacked in my sleep, and would fall wherever I would be or whatever I was occupied with, and was severely injured several times from the falls. I was affected so much that I lost all confidence in myself. I also was affected in my business, and I consider that your Epileptic Pills cured me. In February, 1865, I commenced to use your Pills, and on the 15th of that month I was cured of this distressing affliction. I think that the Pills and their good effects should be made known everywhere, that persons who are similarly afflicted may have the benefit of them. Any person wishing further information can obtain it by calling at my residence, No. 836 North Third St., Philadelphia, Pa. WILLIAM ELDER.

IS THERE A CURE FOR EPILEPSY?

The subjoined will answer. GREENADA, Miss, June 30.—Seth S. Hanco.—Dear Sir: You will find enclosed five dollars, which I send you for two boxes of your Epileptic Pills. I was the first person who tried your Pills in this part of the country. My son was badly afflicted with fits for two years. I wrote for and received two boxes of your Pills, which he took according to directions. He has never had a fit since. It was by my persuasion that Mr. Lyon tried your Pills. His case was a very bad one; he had fits nearly all his life. Persons have written to me from Alabama and Tennessee on the subject, for the purpose of ascertaining my opinion in regard to your Pills. I have always recommended them, and in no instance where I have had a chance of hearing from their effect have they failed to cure. Yours, etc. C. H. GUY, Grenada, Yalabusha County, Miss.

ANOTHER REMARKABLE CURE OF EPILEPSY; OR, FALLING FITS. BY HANCO'S EPILEPTIC PILLS.

MONTGOMERY, TEXAS, June 25th, 1867. To SETH S. HANCO.—A person in my employ had been afflicted with Fits or Epilepsy for thirteen years; he had these attacks at intervals of two to four weeks, and sometimes several in quick succession, sometimes continuing for two or three days. On several occasions they lasted until his mind appeared totally deranged, in which state he would continue for a day or two after the fits ceased. I tried several remedies prescribed by our resident physicians, but without success. Having seen your advertisement I concluded to try your remedy. I obtained two boxes of your Pills, gave them according to directions, and they effected a permanent cure. The person is now a stout, healthy man, about 30 years of age, and has not had a fit since he commenced taking your medicine, ten years since. He was my principal wagon driver and has, since that time, been exposed to the severest of weather. I have great confidence in your remedy, and would like every one who has fits to give it a trial. B. L. DEFRERRE.

STILL ANOTHER CURE.

Read the following testimonial from a respectable citizen of Grenada, Mississippi. SETH S. HANCO, Baltimore, Md.—Dear Sir: I take great pleasure in relating a case of Epilepsy, cured by your invaluable Pills. My brother, J. J. Ligon, has long been afflicted with this awful disease. He was first attacked while quite young. He would be seized by spasms at one attack at first, but as he grew older they seemed to increase. Up to the time he commenced taking your Pills he had them very often and quite severe, and they affected his mind. His mind had suffered seriously, but now, I am happy to say, he is cured of those fits. He has enjoyed fine health for the last five months. His mind has also returned to its original brightness. All this I take great pleasure in communicating, as it may be the means of directing others to the remedy that will cure them. Yours, respectfully, etc. W. F. LIGON.

Sent to any part of the country, by mail, free of postage, on receipt of a remittance. Address, SETH S. HANCO, Baltimore, Md. Price, one box, \$5; six boxes, \$27. Please mention "there you saw this advertisement." Aug. 4. 1 yr
