EAST INDIA HEMP,

And What We Know About It.

Instead of devoting a column to the merits of this strange and wonderful plant, we remain silent and let it speak for itself through other lips than ours, believing that those who have suffered most can better tell the story. We will here quote word for word from letters recently received, simply adding our testimony to the rest in saying, that when this plant is properly prepared, we know that it positively cures CONSUMPTION, and will break up a fresh cold in twenty-four hours.

St. MARY'S CHURCH, Alleghany } City, Pa., Nov. 10, 1874.

The East India Hemp has been taken by Rev. Matthias Bieber, O. S. B., and Rev. Sebastian Arnold, O. S. B., both assistant pastors of this church, and so far has given relief to both. They suffered from affection of the lungs and bronchial organs. We have recommended, charity sufferers, to continue the same in good conscience, knowing the effects by experience. Please find enclosed check for twelve bottles of syrup, pills and ointment. We shall inform you in due time what farther success the medicine shall meet with.

Yours truly, REV. FERDINAND WOLF, O. S. B., 87 Washington Street.

CHINA GROVE, Rowan Co., N. C. } Oct. 21, 1874.

Send one dozen Ointment and one of Cannabis Indica. When Mr. J. W. Fisher brought his wife to me for examination, I found her in the incipient stage of tuberculous consumption. Then it was I concluded to make a fair trial of Indian Hemp, and now there is a general demand for those remedies. The Ointment excels everything and anything of its kind I ever saw or tried, in many cases it acted like a charm.

Fraternally yours, P. A. SIFFORD, M. D.

RIDGEVILLE, Caswell, N. C. } Sept. 12, 1874.

Inclosed is \$10 for more of the Indian Hemp. I can truly say that the medicine has done me more good than all the doctors, and I had several of the best in the country. My cough is a great deal better, and my chills and night sweats are gone. You may look for several orders soon, as many have seen the effect of this medicine on me.

W. A. FULLER.

COLUMBUS, O., Oct. 30, 1874.

Your treatment for consumption has so improved my condition, that the inquiry comes every day from my friends. What are you taking? Several are talking of sending for some of your medicine, and James Huff desires me to order for him \$9 worth of the Hemp.

Wm. Hunt, North High Street P. S.—It is my opinion that an agent at this place would sell considerable for you.

W. H.

DECHERD, Franklin, Tenn., } Sept. 12, 1875.

Send three more bottles of your consumption and bronchitis cure. My son began taking the Hemp last night three weeks ago, and he is improving rapidly. The last ten days have made him look and act like another person. I have great hopes. J. M. BRATTON.

DEEP RIVER, POWDSHICK, Iowa, } Jan. 3, 1874.

I have just seen your advertisement in my paper. I know all about the Cannabis Indica fifteen years ago it cured my daughter of the Asthma. She had it very bad for several years, but was perfectly cured.

JACOB TROUT.

N. B.—This Remedy speaks for itself. A single bottle will satisfy the most skeptical \$2.50 per bottle, or three bottles for \$6.50. Pills and Ointment \$1.25 each. Sent at our risk.

Hundreds Cured daily in N. S.,

BY THE DIAMOND RHEUMATIC CURE.

Effectually curing hundreds of our Nova Scotia citizens from that terrible malady, RHEUMATISM.

This statement is substantially a FACT based upon evidence in the possession of the agent, in the shape of numerous testimonials from past sufferers, in all the walks of life, and particularly from some of our most respectable and trustworthy families.

DIAMOND RHEUMATIC CURE.

In its history, this invaluable Medicine occupies the most honorable position possible for any remedy to attain. A few years since it was known only to the friends and neighbors and patients of the proprietors, and all ways sought for by them whenever troubled with Rheumatism, and in this way came to the notice of physicians generally, and through their favorable expression, and its acknowledged value as a Rheumatic Remedy, the demand for it became so frequent and urgent as to oblige its proprietors to increase their facilities for its manufacture. Its reputation rapidly extended, and soon orders, letters of enquiry, letters of thanks, and certificates of praise were daily received from all sections of the United States and Canada; and in this way on a basis of merit alone—unaided by the tricks of the trade, or special efforts—it has risen to its present enviable position. Wherever introduced it has received the most flattering preference in the treatment of all rheumatic complaints. In this way we are really grateful and happy, not a little because our medicine finds ready sale, and is consequently profitable to us; we say this, but because we open a new field in medical science, and care at once what the best medical practitioners have for ages found so difficult even to relieve. We find a place heretofore unoccupied. We relieve the suffering and minister to God's power; we restore to laboring man to the use of his injured limbs, and save him scores of times its cost in doctor's bills; we carry contentment and gladness into the home of the afflicted, and consequently are remembered by millions of grateful souls.

The proprietor of this medicine has walked the aisles of the hospitals of London, Eng., for the past twenty years, making rheumatism a specialty, and the prescription from which this remedy is compounded is all he ever used in the treatment of this disease.

This medicine is for sale at all the druggists throughout Canada. If it happens that your druggist has not got it in stock, ask him him to send for it to
