

Son of Righteousness may shine on him and his that has shone on our brethren and sisters in all their journeyings and labors up to the present time.

FOREIGN MISSIONS.

Rev. W. B. Boggs writes to the Board under date "Vizagapatam, Aug. 20." as follows:—

"On the 12th inst., Brethren McLaurin, Churchill and I left Cocanada on an exploring tour through the Northern part of the Telooquo field. When I say "exploring tour" I do not mean what I did when speaking of the journey to Rahaing. That trip was undertaken to find out whether there were enough Karens in Siam to warrant a mission: in this case there is no doubt about the dense Telooquo population. Our object now is to visit all the towns and villages that we can in five or six weeks, and select the most suitable places for mission stations. We have with us a native preacher (a most excellent man) and a colporteur, and they do what they can in every place where we stop.

In coming here from Cocanada we passed through eight or ten large towns, besides very many villages, and there were many more not lying on the road by which we travelled. There is no mission in any of the towns through which we passed before reaching here. This is a large town on the coast about 80 miles north-east of Cocanada, and has been a station of the London Missionary Society, for many years.

"The road by which we came is not along the coast, but some distance inland. There are several places admirably suited to be mission stations. One is Annakilly, 20 miles from here, a town of 15,000 inhabitants, and surrounded by many villages. Another is Too ne 60 miles from here, just half-way between this and Rajahmundry, on the Godavery. These are both important places, and there is no reason why they should not be occupied as soon as our missionaries have acquired enough of the language to commence work.

"From here we expect to go on to Bilampatam, Vizianagram, Chitacoli, &c., to find out the size and position of these places, and what openings there are for work. We will probably return by another route, still farther inland. We travel by bullock cart, and carry our tent with us. We travel in the night, and encamp in some town during the day, when it is too hot to travel. It is very slow and fatiguing.

Brother McLaurin has not been in this portion of the field before, as his work has been chiefly to the West of Cocanada."

"All the members of the mission are well. Pray for us, brethren. We believe we have now reached the right field, and there is hard work before us, and we feel deeply the need of divine help."

In a letter to Dr. Cramp, dated "Cocanada, Aug. 27," Rev. W. F. Armstrong says, "We are at last able to address you from our new station. We took the first though long delayed opportunity that offered of coming from Tavoy to Rangoon. The delay was advantageous to us, as it gave us ample time to make the necessary arrangements for the carrying on of the school and the other departments of work in Tavoy after our departure. We left matters so that they can be efficiently carried on by the native brethren themselves till a missionary is sent to them. Two of the more advanced students were put into the Theological Seminary in Rangoon; we have high hopes of them. Eight others were taken to Rangoon, to continue their studies in the higher schools there, in the Sgau and Pwo departments, under the Rev. Messrs. Vinton and Brayton. Several of these will enter the Theological Seminary next year. The great want of Tavoy is a band of earnest, educated young men. This movement among the young men is one of the most interesting and hopeful features of Mrs. Armstrong's work there.

"We left on the 2nd of August in the steamer "Pyah Pakbet." Our leaving was not without tears. We had become strongly attached to the people, and they to us."

"The few days we remained at Rangoon were pleasantly spent in the family of Brother Crawley, who you are aware has removed to Rangoon for a short time on account of impaired health."

Further extracts are deferred till next week.

We received by the last English mail another letter from Rev. G. Churchill which will appear in our next.

DAVIS MEMORIAL FUND. S. Selden, Esq.—

DEAR SIR,—I had the honor a short time ago of addressing you on the subject of a "Davis Memorial Fund," having for its object the payment of a debt on our church, and the erection of a suitable memorial to our late pastor. It occurred to me at that time that if each Baptist on the island, in Nova Scotia, and New Brunswick would give three cents, the sum required would be raised, and although I have as yet received nothing from the churches to whom circulars were sent, yet, it has come to my ears that many are collecting for us. I shall be glad, therefore, if from time to time you will publish the results of our efforts, as I send them to you. I think it is only right we should let the churches know how we get on, I subjoin a list of contributions just made to the Fund. I am dear Sir, yours faithfully, J. MEXCALF.

MAHONE BAY, Oct. 26th, 1875.

Dear Bro. Selden,— Please acknowledge receipt of the amounts received for new meeting house: Summerside church, L.H.V. \$ 5.00, Chester church, Rev. I. J. Skinner. 8.00, From Caleb Langille, Esq., New Germany. 2.00 \$15.00

These friends will accept our sincere thanks as we are very much pleased. Other receipts will be thankfully received and gratefully acknowledged. JOSEPH HAM, Treasurer.

TO THE POSTMASTERS.

We learned on Friday that the last week's bundle of the Christian Messenger for Clarence, was wrongly addressed and sent to Clementsport, and we suppose that the Clementsport Postmaster, very properly we suppose, sent the bundle back to our office, as he did not find the right names on the papers. We regret that our Clementsport friends were disappointed in getting their papers. It would have been better if the papers had been given to the persons entitled to copies, and our obliging agent would have informed us of the number of papers and two or three of the names on them, so that we might have discovered what bundle it was and how many more papers to send. By return mail we sent the right number to Clementsport.

To the Editor of the Christian Messenger.

DEAR SIR,—Allow me to acknowledge through your paper your kind remittance of \$13 83, collected in Granville Street Church for the Soldiers and Sailors Home on Thanksgiving Day. I remain, Dear Sir, Yours truly, ELIZABETH MARY HUNT-MORGAN.

Mrs. A. adds "Any one who had ever seen heathen Karens in their uncleanliness and unkindness with their staid-looking faces, might well in looking at this group exclaim 'What hath God wrought!'"

FITS! FITS! FITS!

CURE OF EPILEPSY; OR, FALLING FITS.

Persons laboring under this distressing malady, will find Hance's Epileptic Pills to be the only remedy ever discovered for curing Epilepsy or Falling Fits. The following certificates should be read by all the afflicted; they are in every respect true, and should they be read by any one who is not afflicted himself, if he has a friend who is a sufferer, he will do a humane act by cutting this out and sending it to him.

A MOST REMARKABLE CURE.

PHILADELPHIA, June 28th, 1867. SETH HANCE, Baltimore, Md.—Dear Sir: Seeing your advertisement, I was induced to try your Epileptic Pills. I was attacked with Epilepsy in July, 1863. Immediately my physician was summoned, but he could give me no relief. I then consulted another physician, but I seemed to grow worse. I then tried the treatment of another, but without any good effect. I again returned to my family physician, who was supplied and bled several different times. I was generally attacked without any premonitory symptoms. I had from two to five fits a day, at intervals of two weeks. I was often attacked in my sleep, and would fall wherever I would be, or whatever I was occupied with, and was severely injured several times from the falls. I was affected so much that I lost all confidence in myself. I also was affected in my business, and I considered your Epileptic Pills cured me. In February, 1866, I commenced to use your Pills, and only had two attacks afterwards. The last one was April, 1867, and they were of a less serious character. With the blessing of Providence your medicine was made the instrument by which I was cured of that distressing affliction. I think that the Pills and their good effects should be made known everywhere, that persons who are similarly afflicted may have the benefit of them. Any person wishing further information can obtain it by calling at my residence, No. 336 North Third St., Philadelphia, Pa. WILLIAM ELDER.

IS THERE A CURE FOR EPILEPSY?

The subjoined will answer. GRENADA, Miss, June 30.—Seth S. Hance.—Dear Sir: You send me enclosed a bottle of your Epileptic Pills. I was the first person who tried your Pills in this part of the country. My son was badly afflicted with fits for two years. I wrote for and received two boxes of your Pills, which he took according to directions. He has never had a fit since. It was by my persuasion that Mr. Lyon tried your Pills. His case was a very bad one; he had his mind nearly lost. Persons have written to me from Alabama and Tennessee on the subject, for the purpose of ascertaining my opinion in regard to your Pills. I have always recommended them, and in no instance where I have had a chance of hearing from their effect have they failed to cure. Yours, etc. G. H. GUY, Grenada, Yalabusha County, Miss.

ANOTHER REMARKABLE CURE OF EPILEPSY; OR, FALLING FITS.

MONTGOMERY, Texas, June 29th, 1867. To SETH S. HANCE.—A person in my employ had been afflicted with Fits, or Epilepsy, for thirteen years; he had these attacks at intervals of two to four weeks, and often times several in quick succession, sometimes continuing for two or three days. On several occasions they lasted until his mind appeared totally deranged, in which state he would continue for a day or two after the fits ceased. I tried several remedies prescribed by our resident physicians, but without success. Having seen your advertisement I concluded to try your Pills. I obtained two boxes of your Pills, gave them according to directions, and they effected a permanent cure. The person is now a stout, healthy man, about 30 years of age, and has not had a fit since he commenced taking your medicine, ten years since. He was my principal wagoner, and has, since that time, been exposed to the severest of weather. I have great confidence in your remedy, and would like every one who has fits to give it a trial. R. L. DEFRANCO.

STILL ANOTHER CURE.

Read the following testimonial from a respectable citizen of Grenada, Mississippi. SETH S. HANCE, Baltimore, Md.—Dear Sir: I take great pleasure in relating a case of Spasms, or Fits, cured by your valuable Pills. My brother, J. J. Ligon, has long been afflicted with this awful disease. He was first attacked while quite young. He would have one or two spasms at one attack at first, but as he grew older they increased. Up to the time he commenced taking your Pills he had them seven or eight a week, and they afflicted him, body and mind. His mind had suffered seriously, but now, I am happy to say, he is cured of them. He has enjoyed fine health for the last five months. His mind has also returned to its original brightness. All this I take great pleasure in communicating, as it may be the means of directing others to the remedy that will cure them. Yours, respectfully, etc. W. P. LIGON.

Sent to any part of the country, by mail, free of postage, on receipt of a remittance. Address, SETH S. HANCE, 336 Baltimore St., Baltimore, Md. Price, one box, \$5; two boxes, \$10. Please mention "where you saw this advertisement." No. 4 1 yr
