Bundreds Cured daily in N S.

DIAMOND RHEUMATIC CURE. Effectually curing hundreds of our Nova Scotia cirizens from that terrible malady,

RHEUMATISM. This statement is substantially a FACT based upon evidence in the possession or the agent, past sunerers, in all the walks of life, and particularly from some of our most respect-

able and trustworthy families.

DIAMOND RHEUMATIC CURE. In its Listory, this invaluable Medicine occupies the most honorable position possible for any remedy to attain. A few years since it was known only to the friends and neighbors and patients of the proprietors, and always sought for by them whenever troubled with Rheumatism, and in this way came to the notice of physicians generally, and through their favorable expression, and its acknow-ledged value as a Rheumatic Remedy, the demand for it became so trequent and urgent as to oblige its proprietors to increase their facilities for its manufacture. Its reputation rapidly extended, and soon orders, letters of enquiry, letters of thanks, and certificates of praise were daily received from all section of the United States and Canada; and in this way on a basis of its merit alone-unaided by " tricks of the trade" or special efforts-it has risen to its present enviable position. Wherever introduced it has received the most flattering preference in the treatment of a l rheuma ic complain s In this we are really grateful and happy, not a one because our medicine find ie dy sale, and is consequently prefi a le to us do we say this but because we open a new field, in medical science, and care at once what the best medical practitioners have for ages tound so difficult even to relieve. We fill a place heretofore unoc upied. We, relieve the suffering and the ister to God's Hesslein Building, Hollis etreet, poor; we restrict the laboring man to the use of his injured limbs, and save him scores of times its cost in doctor's bil s; we carry contentment and gladness into the home of the

afflicted, and consequently are remembered by michous of grateful souls. The prop leter of this medicine has walked the aisles of the hespitais of London, king, for the past twenty years, making theumatism a specialty, and the pre c iption from which this remedy is compounded is all he ever used in the t. eatment of th's disease. This medicine is for sale at all the druggists throughou: Canada. If It h ppers that your

d uggist has not got it in stock, ask him him to send for it to FORSYTH & CO., HALIFAX.
