

April 17. J. W. Bancroft, A. B., Windsor, N. S.
26. J. D. Skinner, Bear River, Nova Scotia.
May 6. William Spencer, New Minas, Nova Scotia.

Two new churches have been constituted: at Annapolis Royal and Pleasantville, both in Nova Scotia.

New Meeting Houses have been opened at Annapolis Royal; Kentville; Osborne, Shelburne Co; Morristown; Mahone Bay; and New Canada, in Nova Scotia; and at Hillsborough; Pleasant River, Queens Co; and Fairfield, St. Martins, in New Brunswick. Others are in progress.

The Committee have noticed with great interest the movements in Great Britain and Ireland, and in various parts of the Continent of Europe, on behalf of religious revival. Without pledging themselves to an approval of every method employed by evangelists, they cannot, nevertheless fail to rejoice in the attention excited to the truths of the gospel, and the deep convictions produced in favour of an advanced state of personal piety.

Rev. S. N. Royal has resigned the pastoral charge of the Free Baptist Church in this city.

After a lengthened discussion as to the endowment of the Grammar School at Blenheim—the amendment was then put and carried on the voices, after which the motion as amended was also carried on the voices.

Robert Chambers, Esq., of Truro departed this life on Sunday last, after a lingering illness of about six months. For several years he represented Colchester County in the Provincial Parliament and was highly esteemed in the community for his business integrity and the enterprise which he displayed in commercial pursuits.

THE RINK was opened for a religious service on Sunday afternoon—the first of a series under the auspices of the Evangelical Alliance. Hon. Dr. Parker occupied the chair and addresses were given by Rev. G. M. Grant and Rev. J. Lathern. There were probably 1000 people present.

Rev. S. N. Royal has resigned the pastoral charge of the Free Baptist Church in this city.

EAST INDIA HEMP,

And What We Know About It. Instead of devoting a column to the merits of this strange and wonderful plant, we remain silent and let it speak for itself through other lips than ours, believing that those who have suffered most can better tell the story. We will here quote word for word from letters recently received, simply adding our testimony to the rest in saying, that when this plant is properly prepared, we know that it positively CURES CONSUMPTION, and will break up a fresh cold in twenty-four hours.

ST. MARY'S CHURCH, Alleghany } City, Pa., Nov. 10, 1874. } The East India Hemp has been taken by Rev. Matthias Binber, O. S. B., and Rev. Sebastian Arnold, O. S. B., both assistant pastors of this church, and so far has given relief to both. They suffered from affection of the lungs and bronchial organs. We have recommended, charity sufferers, to the Cannabis Indica to different persons, and continue the same in good conscience, knowing the effects by experience. Please find enclosed check for twelve bottles of syrup, pills and ointment. We shall inform you in due time what further success the medicine shall meet with. Yours truly, REV. FERDINAND WOLF, O. S. B., 87 Washington Street.

CHINA GROVE, Rowan Co., N. C. } Oct. 21, 1874. } Send one dozen Ointment and one of Cannabis Indica. When Mr. J. W. Fisher brought his wife to me for examination, I found her in the incipient stage of tuberculous consumption. Then it was I concluded to make a fair trial of Indian Hemp, and now there is a general demand for those remedies. The Ointment excels everything and anything of its kind I ever saw or tried, in many cases it acted like a charm. Fraternally yours, P. A. SIFFORD, M. D.

RIDGEVILLE, Caswell, N. C. } Sept. 12, 1874. } Inclosed is \$10 for more of the Indian Hemp. I can truly say that the medicine has done me more good than all the doctors, and I had several of the best in the country. My cough is a great deal better, and my obilils and night sweats are gone. You may look for several other orders, as many have seen the effect of this medicine on me. W. A. FULLER. COLUMBUS, O., Oct. 30, 1874.

Your treatment for consumption has so improved my condition, that the inquiry comes every day from my friends. What are you taking? Several are talking of sending for some of your medicine, and James Huff desires me to order for him \$9 worth of the Hemp. Wm. Hunt, North High Street. P. S.—It is my opinion that an agent at this place would sell considerable for you. W. H.

DECHERD, Franklin, Tenn. } Sept. 12, 1875. } Send three more bottles of your consumption and bronchitis cure. My son began taking the Hemp last night three weeks ago, and he is improving rapidly. The last ten days have made him look and act like another person. I have great hopes. J. M. BRATTON.

N. B.—This Remedy speaks for itself. A single bottle will satisfy the most skeptical \$2.50 per bottle, or three bottles for \$6.50 Pills and Ointment \$1.25 each. Sent at our risk. Address GRADDOCK & Co., 1032 Race Street, Philadelphia. Dec. 13. 13wco.

FITS! FITS! FITS!

CURE OF EPILEPSY OR FALLING FITS. BY HANCE'S EPILEPTIC PILLS. Persons laboring under this distressing malady, will find Hance's Epileptic Pills to be the only remedy ever discovered for curing Epilepsy or Falling Fits. The following certificates should be read by all the afflicted; they are every respect true, and should they be read by any one who is not afflicted himself, if he has a friend who is a sufferer, he will do a humane act by cutting this out and sending it to him.

A MOST REMARKABLE CURE. PHILADELPHIA, June 28th, 1867. SEPT HANCE, Baltimore, Md.—Dear Sir: Seeing your advertisement, I was induced to try your Epileptic Pills. I was attacked with Epilepsy in July, 1863. Immediately my physician was summoned, but he could give me no relief. I then consulted another physician, but I seemed to grow worse. I then tried the treatment of another, but without any good effect. I again returned to my family physician; was cupped and bled several different times. I was generally attacked without any premonitory symptoms. I had from two to five fits a day, at intervals of two weeks. I was often attacked in my sleep, and would fall wherever I would be, or whatever I was occupied with, and was severely injured several times from the falls. I was afflicted so much that I lost all confidence in myself. I also was affected in my business, and I consider that your Epileptic Pills cured me. In February, 1867, I commenced to use your Pills, and only had two attacks, which were very slight. The last one was April 20th, 1867, and I have had no more since. With the blessing of Providence your medicine was made the instrument by which I was cured of that distressing affliction. I think your Pills and their good effects should be made known everywhere, that persons who are similarly afflicted may have the benefit of them. Any person wishing further information can obtain it by calling at my residence, No. 336 North Third St., Philadelphia, Pa. WILLIAM ELDER.

IS THERE A CURE FOR EPILEPSY? The subjoined will answer. GRENADA, Miss. June 30.—SETH S. HANCE.—Dear Sir: You will find enclosed five dollars, which I send you for two boxes of your Epileptic Pills. I was the first person who tried your Pills in this part of the country. My son was badly afflicted with fits for two years. I wrote for and received two boxes of your Pills, which he took according to directions. He has never had another attack since. I was by my persuasion that Mr. Lyon tried your Pills. His case was a very bad one; he had fits nearly all his life. Persons have written to me from Alabama and Tennessee on the subject, for the purpose of ascertaining my opinion in regard to your Pills. I have always recommended them, and in no instance where I have had chance of hearing from them, have they failed to cure. Yours, etc. C. H. GRAY, Grenada, Yalabusha County, Miss.

ANOTHER REMARKABLE CURE OF EPILEPSY OR FALLING FITS. BY HANCE'S EPILEPTIC PILLS. MONTGOMERY, TEXAS, June 20th, 1867. To SEPT S. HANCE.—A person in my employ had been afflicted with Fits, or Epilepsy, for thirteen years; he had these attacks at intervals of two to four weeks, and sometimes several in quick succession, sometimes continuing for two or three days. On several occasions they lasted until his mind appeared totally deranged, and he would be obliged to continue for a day or two after the fits ceased. I tried several remedies prescribed by our resident physicians, but without success. Having seen your advertisement I concluded to try your remedy. I obtained two boxes of your Pills, gave them according to directions, and they effected a permanent cure. The person is now a stout, healthy man, about 30 years of age, and has not had a fit since he commenced taking your medicine, ten years since. He was my principal wagoner, and has, since that time, been exposed to the severest weather. I have great confidence in your remedy, and would like every one who has fits to give it a trial. B. L. DEFRANCE.

STILL ANOTHER CURE. Read the following testimonial from a respectable citizen of Grenada, Mississippi. SEPT S. HANCE, Baltimore, Md.—Dear Sir: I take great pleasure in relating a case of Spasms, or Fits, cured by your invaluable Pills. My brother, J. J. Lyon, has long been afflicted with this awful disease. He was first attacked while quite young. He would have one or two spasms at one attack at first, but as he grew older they seemed to increase. Up to the time he commenced taking your Pills he had them very often and quite severe, prostrating him, body and mind. His mind had suffered seriously, but now, I am happy to say, he is cured of those fits. He has enjoyed fine health for the last five months. His mind has also returned to its original brightness. All this I take great pleasure in commending as it may be the means of directing others to the remedy that will cure them. Yours, respectfully, etc. W. F. LIXOX.
