HALIFAX, FEB. 23RD, 1874. MR. B. HUBLEY, Dear Sir,—I do not know of anything better for RHEUMATISM than your LINIMENT. ESROM BOUTILLIER.

MR. BENJAMIN HUBLEY, Sir,—I shall feel obliged by your making known for the benefit of others my opinion of your RHEUMATISM LINIMENT. The use of it in the case of RHEUMATISM has satisfied me that it not only merits the character claimed for it in your advertisement, but also that the advertisement does not do adequate justice to a most valuable remedy. JAMES E. REYNOLDS.

Hundreds Cured daily in N. S. BY THE DIAMOND RHEUMATIC CURE.

Effectually curing hundreds of our Nova Scotia citizens from that terrible malady, RHEUMATISM.

This statement is substantially a FACT based upon evidence in the possession of the agent, in the shape of numerous testimonials from past sufferers, in all the walks of life, and particularly from some of our most respectable and trustworthy families.

DIAMOND RHEUMATIC CURE. In its history, this invaluable Medicine occupies the most honorable position possible for any remedy to attain. A few years since it was known only to the friends and neighbors and patients of the proprietors, and all ways sought for by them whenever troubled with Rheumatism, and in this way came to the notice of physicians generally, and through their favorable expression, and its acknowledged value as a Rheumatic Remedy, the demand for it became so frequent and urgent as to oblige its proprietors to increase their facilities for its manufacture. Its reputation rapidly extended, and soon orders, letters of enquiry, letters of thanks, and certificates of praise were daily received from all sections of the United States and Canada; and in this way on a basis of its merit alone—unaided by "tricks of the trade" or special efforts—it has risen to its present enviable position. Wherever introduced it has received the most flattering preference in the treatment of all rheumatic complaints. In this we are really grateful and happy, not alone because our medicine finds ready sale, and is consequently profitable to us, but because we see, and we open a new field, in medical science, and cure at once what the best medical practitioners have for ages found so difficult even to relieve. We fill a place heretofore unoccupied. We relieve the suffering and minister to God's poor; we rest the laboring man to the use of his injured limbs, and save him scores of times its cost in doctor's bills; we carry contentment and gladness into the home of the afflicted, and consequently are remembered by millions of grateful souls.

The proprietor of this medicine has walked the aisles of the hospitals of London, England, for the past twenty years, making Rheumatism a specialty, and the prescription from which this remedy is compounded is all he ever used in the treatment of this disease.

This medicine is for sale at all the drug stores throughout Canada. If it happens that your druggist has not got it in stock, ask him to send for it to
