CARD.

To the Electors of the City of Halifax GENTLEMEN—In response to a very numerous & good request, I have consented to become, at the ensuing Municipal Election, a candidate for the office of Mayor.

EAST INDIA HEMP, And What We Know About It.

Instead of devoting a column to the merits of this strange and wonderful plant, we remain silent and let it speak for itself through other lips than ours, believing that those who have suffered most can better tell the story. We will here quote word for word from letters recently received, simply adding our testimony to the rest in saying, that when this plant is properly prepared, we know that it positively cures consumption, and will break up a fresh cold in twenty-four hours.

St. Mary's Church, Alleghany, City, Pa., Nov. 10, 1874. The East India Hemp has been taken by Rev. Matthias Binber, O. S. B., and Rev. Sebastian Arnold, O. S. B., both assistant pastors of this church, and so far has given relief to both. They suffered from affection of the lungs and bronchial organs. We have recommended, charity sufferers, to the Cannabis India to different persons, and continue the same in good conscience, knowing the effects by experience. Please find inclosed check for twelve bottles of syrup, pills and ointment. We shall inform you in due time what further success the medicine shall meet with.

Yours truly, REV. FERDINAND WOLF, O. S. B., 87 Washington Street. CHINA GROVE, Rowan Co., N. C., Oct. 21, 1874. Send one dozen Ointment and one of Cannabis India. When Mr. J. W. Fisher brought his wife to me for examination, I found her in the incipient stage of tuberculous consumption. Then it was I concluded to make a fair trial of Indian Hemp, and now there is a general demand for those remedies. The Ointment excels everything and anything of its kind I ever saw or tried, in many cases it acted like a charm.

Inclosed is \$10 for more of the Indian Hemp. I can truly say that the medicine has done me more good than all the doctors, and I had several of the best in the country. My cough is a great deal better, and my chills and night sweats are gone. You may look for several orders soon, as many have seen the effect of this medicine on me.

Your treatment for consumption has so improved my condition, that the inquiry comes every day from my friends. What are you taking? Several are talking of sending for your medicine, and James Huff desires me to order for him \$9 worth of the Hemp. Wm. Hurt, North High Street. P. S.—It is my opinion that an agent at this place would sell considerable for you.

I have just seen your advertisement in my paper. I know all about the Cannabis India Fifteen years ago it cured my daughter of the Asthma. She had it very bad for several years, but was perfectly cured. JACOB TROUT. N. B.—This Remedy speaks for itself. A single bottle will satisfy the most skeptical \$2.50 per bottle, or three bottles for \$6.50 Pills and Ointment \$1.25 each. Sent at our risk. Address CRADDOCK & Co., 1032 Race Street, Philadelphia. Dec. 23. 13woov.

Hundreds Cured daily in N. S., BY THE DIAMOND RHEUMATIC CURE.

Effectually curing hundreds of our Nova Scotia citizens from that terrible malady, RHEUMATISM. This statement is substantially a FACT based upon evidence in the possession of the agent, in the shape of numerous testimonials from past sufferers, in all the forms of life, and particularly from some of our most respectable and trustworthy families.

DIAMOND RHEUMATIC CURE. In its history, this invaluable Medicine occupies the most honorable position possible for any remedy to attain. A few years since it was known only to the friends and neighbors and patients of the proprietors, and always sought for by them whenever troubled with Rheumatism, and in this way came to the notice of physicians generally, and through their favorable expression, and its acknowledged value as a Rheumatic Remedy, the demand for it became so frequent and urgent as to oblige its proprietors to increase their facilities for its manufacture. Its reputation rapidly extended, and soon orders, letters of enquiry, letters of thanks, and certificates of praise were daily received from all sections of the United States and Canada; and in this way on a basis of its merit alone—unaided by "tricks of the trade" or special efforts—it has risen to its present enviable position. Wherever introduced it has received the most flattering preference in the treatment of all rheumatic complaints. In this we are really grateful and happy, not alone because our medicine finds ready sale, and is consequently profitable to us, but because we see the afflicted, and consequently are remembered by millions of grateful souls.
