DYSPEPSIA. Invariably yields to the virtues of the vegetable ingredients contained in that great Purifier of the Blood and Restorer of the Health—MRS. JACKSON'S LINIMENT. For sale at BROWN BROS., Halifax. Jan. 10. 3m.

Ayer's Cathartic Pills. For all the purposes of a Family Physic, and for curing Costiveness, Jaundice, Indigestion, Puff Swelling, Headache, Erysipelas, Rheumatism, Eruptions and Skin Diseases, Breithiness, Dropsy, Tumors, Worms, Neuralgia, as a Dinner Pill, for Purifying the Blood.

Are the most effective and congenial purgative ever discovered. They are mild, but effectual in their operation, moving the bowels surely and without pain. Although gentle in their operation, they are still the most thorough and searching cathartic medicine that can be employed: cleansing the stomach and bowels, and even the blood. In small doses of one pill a day, they stimulate the digestive organs and promote vigorous health.

AYER'S PILLS have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day complaints of everybody, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed. They reach the vital fountains of the blood, and strengthen the system by freeing it from the elements of weakness.

Adapted to all ages and conditions in all climates, containing neither calomel nor any deleterious drug, these Pills may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take; while being purely vegetable, no harm can arise from their use in any quantity.

GATES' ACADIAN LINIMENT, Is the best known remedy for pains internal or external, Rheumatism, Sore Throat, Toothache, Chilblains, Cuts or Bruises of every kind in man or beast. Read the following certificate: TO CALEB GATES & CO., MIDDLETON, N. S. DEAR SIRS, For the benefit of all concerned I make the following statement: About 3 years ago I was seized with a severe pain in my arm which lasted several days, and then settled in my wrist leaving my arm entirely useless for at least six months, during this time I was under the doctor's treatment, but all to no purpose. And strange as it may appear, I dreamed that your agent in Wallace had medicine in his store, that would cure my arm. I asked my husband to go and see, he went, and brought home one bottle of "Gates' Life of Man Bitters" and one of "Gates' Acadian Liniment" with immediate results two bottles of each made a perfect cure. During my trouble with my arm my general health was much impaired, appetite gone, and notwithstanding all the prejudice against patent medicines I must not only praise it, but also recommend it to any afflicted public for I consider it providential that I found such medicine. Mrs. STEPHEN CAMPFIELD. The above statement sworn to before me at Wallace this 13th day of October, 1876. W. B. HUERTS, J. P. Oct. 25.
