At Bridgewater, on the 7th of Dec., 1875, of consumption, Mary Ann, the beloved wife of John Brine, seventh daughter of the late Nicholas Eisenhaur, of Martin's Brook. Early impressed with the importance of divine things, she fled for refuge to the Saviour, who gave himself a ransom for many, and upon this sure foundation she built her hopes of Rev. A. W. Barss. Her sickness was lingering, yet borne without a murmur. Placing full confidence in her Saviour she calmly fell asleep in Jesus, leaving a husband and eight children to mourn the loss of a kind wife and a loving mother.

On the 4th Oct., 1875, Deacon Whitman Freeman, of the Baptist Church, Milton, Queens; passed to his reward aged 83 years. He was baptized by Rev. I. E. to the higher service of Heaven. He was always among the foremost in every good word and work. Towards the end of his life his reason became somewhat beclouded, as was betrayed by his conversation. ### DIAMOND RHEUMATIC CURE. Effectually curing hundreds of our Nova Scotia citizens from that terrible malady RHEUMATISM.

This statement is substantially a FACT based upon evidence in the possession of the agent, in the shape of numerous testimonials from past sufferers, in the walks of life, and particularly from some of our most respectable and trustworthy fanilies. DIAMOND RHEUMATIC CURE.

In its history, this invaluable Medicine occupies the most honourable position possible for any remedy to attain. A few years since it was known only to the friends and neighbors and patients of the proprietors, and always sought for by them whenever troubled with Rheumatism, and in this way came to the notice of physicians generally, and through their favorable expression, and its acknow ledged value as a Rheumatic Remedy, the demand for it became so frequent and ur-gent as to oblige its proprietors to in-crease their facilities for its manufacture. Its reputation rapidly extended, and soon orders, letters of enquiry, letters of thanks, and certificates of praise were daily received from all sections of the United States and Canada; and in this way on a basis of its merit alone unaidded by "tricks of the trade" or special efforts—it has risen to its present envious position. Wherever introduced it has received the most flattering preference in the treatment of all rheumatic complaints. In this we are really grateful and happy, not alone because our medicine finds ready sale, and is consequently profitable to us, do we say this, but because we open a new field in medical science, and cure at once what the best medical practitioners have for ages found so difficult even to relieve. We fill a place heretofore unoccupied. We relieve the suffering and minister to God's poor; we restore the laboring to the use of his injured limbs, and save him scores of times its cost in docmanufacturing.

DRUMBO—Extra Prize for all kinds gladness into the home of the afflicted, and consequently are remembered by millions of grateful souls. The proprietor of this medicine has

walked the aisles of the Hospitals of Lonsuppressed by the rivalry of their American Cousins, but in the Light Running making rheumatism a speciality, and the Royal they have found their equal and prescription from which this remedy is got fairly beaten. It is without doubt the all he ever used in the treatment of this disease.

This medicine is for sale at all the druggists throughout Canada. If it happens that your druggist has not got it in stock, ask him to send for it to FORSYTH & CO., Halifax.

Gentlemen: This to certify that I have been afflicted for several years with pains in my side and back, a bad cough, weak tungs, liver complaint, and a number of other diseases, all at the same time, and tried the medicines of our most skillful physicians in our place and elsewhere, but received no permanent relief; and, when the doctors had given up doing anything for me, as they could do no good, I procured, through a friend who advised me to try your medicines, some Bitters, Syrup, Plaster, Ointment and Liniment, and after I had used several bottles of your Bitters and Syrup, a bottle or two of your Preventative, and applied your Ointment, Liniment and Plaster to the affected parts, I became strong again and was restored to usual good health.

I began to improve after I had used but a few bottles, etc., etc. I believe that if I had not got the medicines when I did, I could not have lived longer than two months, so feeble and debilitated was my condition and state of health.
