THOMAS' EXCELSIOR ELECTRIC OIL.

Worth Ten Times its Weight in Gold— Pain cannot stay where it is used!

It is the cheapest medicine ever made. One dose cures common sore throat. One bottle has cured bronchitis. Fifty cents' worth has cured an old standing cough. It positively cures catarrh, asthma and croup. Fifty cents' worth has cured crick in the back, and the same quantity lame back of eight years' standing. It cures swelled neck, tumors, rheumatism, neuralgia, contraction of the muscles, stiff joints, spinal difficulties, and pain and soreness in any part, no matter where it may be, nor from what cause it may arise. It always does you good. Twenty-five cent's worth has cured bad cases of chronic and bloody dysentery. One tea-spoonful cures colic in 15 minutes. It will cure any case of piles that is possible to cure. Six or eight applications is warranted to cure any case of excoriated nipples or inflamed breast. For bruises, if applied often and bound up, there is never the slightest discoloration to the skin. It stops the pain of a burn as soon as applied. Cures frosted feet, boils, warts, and corns, and wounds of every description on man or beast.

In 1834 she removed her membership to the Wilmot Church, of which she remained a worthy member till death. Prone to distrust herself, she could not distrust her Saviour or cast aside the hope she had in him. Though the death summons was long delayed yet it came suddenly at the last. The earthly Sabbath was about passing away when she entered upon the eternal Sabbath. COM. BY REV. A. COBURN.
