WHAT THEY SAY OF IT! A FEW FACTS WHAT THEY SAY OF IT! A FEW FACTS FOR THE PEOPLE.—There are but few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of these is Dr. Thomas' Eclectric Oil. Read the following and be convinced:—Thos. Robinson, Farnham Centre, P. Q., writes, "I have been afflicted with rheumatism for the last ten years, and have tried many for the last ten years, and have tried many remedies without any relief, until I tried Thomas' Eclectric Oil, and since then have had no attack of it. I would recommend it to all."—J. H. Earl, Hotel Keeper, West Shefford, P. Q., writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Thomas' Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried it on my horses in cases of cuts, wounds it on my horses in cases of cuts, wounds etc., and think it is equally as good for horse as for man."—A. Maybee, Merchchant Warkworth, writes, "I have sold some hundreds of bottles of Eclectric Oil, and it is pronounced by the public, one of the best medicines they have ever used; it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greatest confidence."

—Joseph Rusan, Township Percy, writes,

"I was persuaded to try Thomas' Eclectric Oil for a lame knee which troubled tric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for lameness. It is a great public benefit,"—A. M. Hamilton, Warkworth, writes, "For weeks I was troubled with a swelled ankle, which annoyed me very much. Mr. Maybee of this place induced me to try Eclectric Oil, and before one bottle was used I was cured. It is a most remarkable medicine.

IILLAN,

DEATHS.

At Osborne, Shelburne Co., July 27th, John Giffin, in the 78th year of his age. Our dear brother was but a few months later in his departure for Paradise than his dear wife. They were both baptized in 1820 at Little Harbor in those precious days of Pentecost which the Lord gave in such mercy to the people, visited by our missionaries, the names Weddleton, Craig, Nutter, Delong, James Parker, Hobbs, &c., are mentioned with exulting praise to God. Bro. Giffin was a most exemplary man. He sought to make all men believe that Christ has power to save, to sanctify, to make the soul happy. In his later years he suffered much; but grace gave patience and comfort. In his last hours his will was lost in the will of his Father above. The funeral services were largely attended and improved by the Pastor from Rev. xiv. 13. God bless the bereaved family and the church for whom he prayed and lived to bless.

CURE OF EPILEPSV: OR. FALLING FITS, BY HANCE'S EPILEPTIC PILLS.

Persons labering under this distressing malady, will find Hance's Epileptic Pills to be the only remedy ever discovered for caring Epilepsy or Falling Fits.

The following certificates should be read by all the afflicted; they are in every respect true, and should they be read by any one who is not afflicted himself, if he has a friend who is a sufferer, he will do a humane act by cutting this out and sending it to him.

A MOST REHARKABLE CURE.

PHILADELPHIA. June 28th. 1867.
SET- HANCE, Baltimore, Md. - Dear Sir: Sceing your advertisement, I was induced to try your Epileptic Pills. advertisement. I was induced to try your Epileptic Pills. I was attacked with Epilepsy in July, 1863. Immediately my physician was summoned, but he could give me no relief. I then consulted another physician, but I seemed to grow worse. I then tried the treatment of another, but without any good effect. I again returned to my family physician; was supped and bled several different times. I was generally attacked without any premonitory symptoms. I had from two to five fits a day, at intervals of two weeks. I was often attacked in my sleep, and would fall wherever I would be, or whatever be occupied with and was severely injured several times from the falls. I was affected so much that I lost all confidence in myself. I also was affected in my business, and I consider that your Epileptic Pills cured me. In February, 1865, I commenced to use your Pills, and only had two attacks afterwards. The last one was April 5th, 1865, and they were of a less serious character. With the blessing of Providence your medicine was made the instrument by which I was cured of that listressing affliction. I think that the Pills and their good effects should be made known everywhere, that persons who are similarly affected may have the benefit of them. Any person wishing further infortnation can obtain it by calling at my residence, No. 836 North Third St., Philadelphia, Pa.

WILLIAM ELDER.

IS THERE A CURE FOR EPILEPS 1 !

The subjoined will answer.

Grenada, Miss., Jane 30.—Seth S. Hance.—Dear Sir: You will find enclosed five dollars, which I send you feet two boxes of your Epileptic Pills. I was the first person who tried your Pills in this part of the country. My son was badly afflicted with fits for two years. I wrote for and received two boxes of your Pills, which he took according to directions. He has never had a fit since. It was by my persuasion that Mr. Lyon tried your Pills. It is case was a very bad one; he had fits nearly all his life. Persons have written to me from Alabama and Tennessee on the subject, for the purpose of ascertaining my opinion in regard to your Pills. I have always recommended them, and in no instance where I have had a chance of hearing from their effect have they failed to cure. Yours, etc., C. H. Guy, Grenada, Yalabusha County, Miss. The subjoined will answer.

ANOTHER LEMALKABLE CURE OF EPILEPSY; OR, FALLING FITS. BY HANCE'S EPILEPTIC PILLS.

MONTGOMERY, Texas, June 20th, 1867.
To SETH S. HANCE:—A person in my employ had been afflicted with Fits, or Epilepsy, for thirteen years; he had these attacks at intervals of two to four weeks, and oftenthese attacks at intervals of two to four weeks, and oftentimes several in quick succession, sometimes continuing for two or three days. On several occasions they lasted until his mind appeared totally deranged, in which state he would continue for a day or two after the fits ceased. I tried several remedies prescribed by our resident physicians, but without success. Having seen your advertisement I concluded to try your remedy. I obtained two boxes of your Pills, gave them according to directions, and they effected a permanent cure. The person is now a stout, healthy man, about 30 years of age, and has not had a fit since he commenced taking your medicine, ten years since. He was my principal wagoner, and has, since that time, been exposed to the severest of weather. I have great confidence in your remedy, and would like every one who has fits to give it a trial.

B. L. DEFREESE.

STILL ANOTHER CURE.

Read the following testimonial from a respectable citizen of Grenada, Mississippi. SETH S. HANCE, Baltimore, Md.—Dear Sir: I take great pleasure in relating a case of Spasms, or Fits, cured by your invaluable Pills. My brother, J. J. Ligon, has long been afflicted with this awful disease. He was first attacked while quite young. He would have one or two spasms at one attack at first, but as he grew older they seemed to increase. Up to the time he commenced taking your Pills he had them very often and quite severe, prostrating him, body and mind. His mind had suffered seriously, but now, I am happy to say, he is cured of those fits. He has enjoyed fine health for the last five months. His mind has also returned to its original brightness. All this I take great pleasure in communicating, as it may be the means of directing others to the remedy that will cure them. Yours, respectfully, etc., W. P. Ligon.
