BY HANCE'S EPILEPTIC PILLS. Persons laboring under this distressing malady, will find Hance's Epileptic Pilis to be the only remedy ever discovered for curing Epilepsy or Falling Fits.

A MOST REMARKABLE CURE.

SET HANCE, Baltimore, Ald. - Dear S.r.; Seeing your advertisement, I was induced to try your Epileptic Pills. advertisement, I was induced to try your Epileptic Pills. I was attacked with Epilepsy in July, 1853. Immediately my physician was summoned, but he could give me no relief. I then consulted another; hysician, but I seemed to grow worse. I then tried the treatment of another, but without any good effect. I again retarned to my family physician; was cupped and bled soveral different times. I was generally attacked without any premonitory symptoms. I had from two to five firs a day, at intervals of two weeks. I was often attacked in my sleep, and would fail wherever I would be, or whatever be occupied with, and was severely injured several times from the falls. I was affected so much that I lost all confidence in myself. I also was affected in my business, and I consider that your Epileptic Pills cured me. In February, 1865, I commenced to use your Pills, and only had two attacks aftermerced to use your Pills, and only had two attacks after-n ards. The last one was April 5th, 1865, and they were of tless serious character. With the blessing of Providence your medicine was made the instrument by which I was cared of that listressing affliction. I think that the Pills and their good effects should be made kno to averywhere, that persons who are similarly affected may have the benefit of them. Any person wishing farther information can obtain it by calling at my residence, No. 836 North Third St., Philadelphia. Page

Monroomery, Texas, June 20th, 1867. To SETH S. On several occusions they lasted totil his mind appeared totally deranged, in which state would continue for a day of two after the fits ceased. I tried several remedies prescribed by our resident physicians, but without success. Having seen your advertisement I concluded to try your remedy. I obtained two boxes of your Pilts, gave them according to directions, had a fit since he commenced taking your medicine, ten yours since. He was my principal wagoner, and has, Ince that time, been exposed to the sever stor weather.

Ligon, has long been afflicted with this awful disease. He was first attacked while quite young. He would have one or two spasms at one attack at first, but as he grew older they seemed to increase. Up to the time he commenced taking your Pills he had them very often and quite severe, prostrating him, body and mind. His mind had suffered seriously, but now, I am happy to say, he is cured of those fits. He has enjoyed fine health for the last five months. His mind has also returned to its original brightness.
