CURE OF EPILEPSY: OR, FALLING FITS

Persons laboring under this distressing malady, will find Hance's Epileptic Pills to be the only remedy ever discovered for curing Epilepsy or Falling Fits.

The following certificates should be read by all the afflicted; they are in every respect true, and should they be read by any one who is not afflicted himself, if he has cutting this out and sending it to him.

A MOST REVARKABLE CURE.

PHILADELPHIA, June 28th, 1867. SETT HANCE, Baltimore, Md. - Dear Ser: Seeing your advertisement, I was induced to try your Epileptic Plits. I was attacked with Epilepsy in July, 1863. Immediately my physician was summoned, but he could give me no relief. I then consulted another physician, but I seemed to grow worse. I then tried the treatment of another, but without any good effect. I again returned to my family physician; was cupped and bled several different times. at any premonitory symits a day, at intervals of was generally attacked with toms. I had from two to ilv ed in my sleep, and would be tever be occupied with times from the falls. wo weeks. I was often a the was severely injured seve as affected so much that I lost all confidence in myself, also was affected in my business, and I consider that our Epileptic Pills cured me. In February, 1865, I commed to use your Pills, and only had two attacks after less serious character. With the blessing of Prayidence year medicine was made the instrument by which I was cured of that distressing affliction. I think that the Pilis and their good effects should be made known everywhere, that persons who are similarly affected may have the benefit of them. Any person wishing further information can obtain it by calling at my readence, No. 835 North Third St., Philadelphia. Pr...

His case was a very bad one; he had fits nearly all his life. Persons have written to me from Alabama and Persons have written to me from Alabama and ressee on the subject, for the purpose of ascertainm, and in no instance where I have I and a chance of hearing from their effect have they is led to once. ANOTHER REMARKABLE CURE OF EPILEPSY; OR, FALLING FITS.

BY HANCE'S EPILE : TO PILLS. MONTGOMERY, Texas, June 20th, 1867.
To Serm S. HANCE:—A person in my employ had been addicted with Fits, or Epilepsy, for thirteen years; he had these attacks at intervals of two to four weeks, and often these attacks at intervals of two to four weeks, and oftenthat a several in quick succession, semetimes continuing
for two or three days. On several occasions they lasted
that this mind appeared totally deranged, in which state,
we hould continue for a day or two after the fits ceased.
I ried several remedies proscribed by our resident physicians, but without success. Having seen your advertisement I concluded to try your needy. I obtained two
becas of your Pills, gave them according to directions,
and they effected a permanent cure. The person is now
a tout, healthy man, about 30 years of age, and has not
had a fit since fit commenced taking your medicine, ten
years since. He was my principal wagoner, and has,
ince that time, been exposed to the severest of weather.
I have great confidence in your remedy, and would like i have great confidence in your remedy, and would like every one who has fits to give it a trial.

STILL ANOTHER CURE.

Read the following testimonial from a respectable citizen of Grenada, Mississappi. SETH S. HANCE, Baltimore, Md.—Dear Sr: I take great pleasare in relating a case of Spasms, or Fits, cured by your invaluable Pills. My brother, J. J. Ligon, has leng been affected with this awful disease. He was first attacked while quite young. He would have one or two spasms at one attack at first, but as he grew older they seemed to increase. Up to the time he commenced taking your Pills he had them very often and quite severe, protesting him, body and mind. His mind had suffered termously, but now, I am happy to say, he is cured of those fits. He has enjoyed fine health for the last five months. His mind has also returned to its original brightness. All this I take great pleasure in communicating, as it may be the means of directing others to the remedy that will cure them. Yours, respectfully, etc. W. P. Ligon.
