tor since early in May. A substitute, as I supposed, was provided or I should have returned. But he did not occupy the field and they were left. I hope the cause has not suffered; but that they have learned to stand firm at their post, though deserted by the captain. but a small vestry. Efforts will be made I trust to procure one this season. The that centre of a great harvest field .-Much depends on this being done immediately. A man is needed also for Portaupique and Economy. This is an extensive field, and able to yield support to a good minister who will live amongst the people and identify himself with their local interests. We never had vest to send forth laborers into His harvest. The brethren in Parrsborough are making united efforts to provide support for the ministry in the field entrusted to them. The times are hard, but they are trusting in God that they may succeed. Yours prayerfully,

LOCAL NEWS.

ARCHBISHOP CONNOLLY who for the past seventeen years has been the head of the Roman Catholic Church in Nova Scotia, died on Thursday last. He had been in impaired health of late but not enough to call for medical aid, till the Sun-That people should at once be supplied | day previous, on which day he officiated with a place of worship, though it be in the Cathedral. On Tuesday being better he drove to his residence at the Dutch Villiage, but getting worse he returned next day. On Wednesday his standard should at once be planted in disease developed into congestion of the brain of which he died on Thursday, just before midnight, in the 62nd year of his age. It is believed that the late trouble with the Christian Brothers, and their leaving Halifax so abruptly had much to do with his sickness and probably shortened his days. Archbishop Connolly was a native of Ireland, his genial good-nature won for him warm affection among men of all classes in the commumore need to pray the Lord of the Har- nity. In times of political commotion he sought to promote peace between the people of his communion and Protestants, and thus gained for himself popularity and influence. Rev. G. M. Grant published a eulogy of the Archbishop on Friday morning, suggesting a public funeral! The arrangement of the obsequies were however left in the hands of the Roman Catholic ecclasiatical authorities, and carried out with great mag-nificence on Monday morning. The rain which fell in torrents during the procession greatly interfered with the satisfaction of the thousands in the procession and on the streets as spectators.

WHAT THEY SAY OF IT! A FEW FACTS FOR THE PEOPLE.—There are but few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of these is Dr. Thomas' Eclectric Oil. Read the following and be convinced:—Thos. Robinson, Farnham Centre, P. Q., writes, "I have been afflicted with rheumatism for the last ten years and have tried many for the last ten years, and have tried many remedies without any relief, until I tried Thomas' Eclectric Oil, and since then have had no attack of it. I would recommend it to all."-J. H. Earl, Hotel Keeper, West Shefford, P. Q., writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Thomas' Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried it on my horses in several it on my horses in cases of cuts, wounds etc., and think it is equally as good for horse as for man."—A. Maybee, Merchchant Warkworth, writes, "I have sold some hundreds of bottles of Eclectric Oil, and it is pronounced by the public, one of the best medicines they have ever used; it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greatest confidence."

—Joseph Rusan, Township Percy, writes, "I was persuaded to try Thomas' Eclecme for three or four years, and I never | same disease. found anything like it for lameness. CURE OF EPILEPSY; OR, FALLING FITS BY HANCE'S EPILEPTIC PILLS. Persons laboring under this distressing malady, will and Hance's Epileptic Pills to be the only remedy ever discovered for curing Epilepsy or Falling Fits.

The following certificates should be read by all the afflicted; they are in every respect true, and should they be read by any one who is not afflicted himself, if he has a friend who is a sufferer, he will do a humane act by cutting this out and sending it to him.

A MOST REMARKABLE CURE.

Philadelphia, June 28th, 1867.

Set Hance, Baltimore, Md.—Dear Sat: Seeing your advertisement. I was induced to try your Epileptic Pills. I was attacked with Epilepsy in July, 1863. Immediately my physician was summoned, but he could give me no relief. I then consulted another physician, but I seemed to grow worse. I then tried the treatment of another, but without any good effect. I again returned to my family physician; was cupped and bled several different times. I was generally attacked without any premonitory symptoms. I had from two to five fits a day, at intervals of two weeks. I was often attacked in my sleep, and would fall wherever I would be, or whatever be occupied with and was severely injured several times from the falls. I was affected so much that I lost all confidence in myself. I also was affected in my business, and I consider that your Epileptic Pills cured me. In February, 1865, I commerced to use your Pills, and only had two attacks afterwards. The last one was April 5th, 1865, and they were of a less serious character. With the blessing of Providence your medicine was made the instrument by which I was cured of that listressing affliction. I think that the Pills and their good effects should be made known everywhere, that persons who are similarly affected may have the benefit of them. Any person wishing further information can obtain it by calling at my residence, No. 636 North Third St., Philadelphia, Pa.

William Elder. PHILADELPHIA, June 28th, 1967.

IN THERE A CUBE FOR EPILEPS 1 ?

The subjoined will answer.

GRENADA, Miss., Jane 30.—Sette S. Hance.—Dear Sir:
You will find enclosed five dollars, which I send you for
two boxes of your Epileptic Pills. I was the first person
who tried your Pills in this part of the country. My son
was badly afflicted with fits for two years. I wrote for
and received two boxes of your Pills, which he took according to directions. He has never had a fit since. It
was by my persuasion that Mr. Lyon tried your Pills.
His case was a very bad one; he had fits nearly all his
he. Persons have written to me from Alabama and
Tennessee on the subject, for the purpose of ascertaining my opinion in regard to your Pills. I have always
recommended them, and in no instance where I have
had a chance of hearing from their effect have they
faded to cure. Yours, etc., C. H. Gey,
Grenada, Yalabusha County, Miss. The subjoined will answer.

ANOTHER REMARKABLE URE OF EPHLEPSY; OR, FALLING FITS BY HANCE'S EPILE" TO PILLS.

MONTGOMERY, Texas, June 20th, 1867.
To Seth S. Hance:—A person in my employ had been flicted with Fits, or Epilepsy, for thirteen years; he had ness attacks at latervals of two to four weeks, and oftenmes several in quick succession, sometimes continuing r two or three days. On several occasions they laste for two or three days. On several occasions they lasted natil his mind appeared totally deranged, in which state he would continue for a day or two after the fits ceased. I tried several remedies prescribed by our resident physicians, but without success. Having seen your advertisement I concluded to try your remedy. I obtained two boxes of your Pills, gave them according to directions, and they effected a permanent cure. The person is now a stout, hea'thy man, about 30 years of age, and has not had a fit since he commenced taking your medicine, ten years since. He was my principal wagoner, and has, since that time, been exposed to the severest of weather. I have great confidence in your remedy, and would like every one who has lits to give it a trial.

B. L. Defreese.

STILL ANOTHER CURE.

Read the following testimonial from a respectable citizen of Grenada, Mississippi. citizen of Grenada, Mississippi.

SETM S. HANCE. Baltimore, Md.—Dear Sir: I take great pleasure in relating a case of Spasms, or Fits, cured by your invaluable Pills. My brother, J. J. Ligon, has long been afflicted with this awful disease. He was first attacked while quite young. He would have one or two spasms at one attack at first, but as he grew older they seemed to increase. Up to the time he commenced taking your Pills he had them very often and quite severe, prostrating him, body and mind. His mind had suffered seriously, but now, I am happy to say, he is cured of those fits. He has enjoyed fine health for the last five months. His mind has also returned to its original brightness. All this I take great pleasure in communicating, as it may be the means of directing others to the remedy that will cure them. Yours, respectfully, etc., W. P. Ligoj.
