# FOR SALE.

FARM and CROP.

Postmaster.

THE SUBSCRIBER offers to sell an excellent Farm in Colchester County, two miles from Stewiacke Station, containing 300 acres of upland well calculated for woodland, pasture, and tillage, 40 acres under good cultivation free from stone, and 14 acres of marsh. The lot is well calculated for two good Farms as there are two public roads passing through it

about a mile apart. On the premises are good buildings consisting of a commodious Dwelling House well finished, a large double Barn, Coach House and Stable, beside other out Buildings necessary for Farming operations. There is also a nice Plum Orchard

bearing well and a few Apple Trees.
Within half a mile is a good School, just across the street a New Baptist Meeting House, and about two miles off a Presbyterian and Episcopal Church, Telegraph, and Post Office. Any person wishing to secure a pretty situation in a nice locality with every convenience almost for farming, will do well to call at an early period and examine for themselves. It can be sold in two lots if necessary, with or without the present growing crop.

For terms of sale and other particulars please apply to JAMES A. COX, Upper Stewiacke, or the Subscriber on the

# FITS! FITS! FITS!

CURE OF EPILEPSY; OR. FALLING FITS, BY HANCE'S EPILEPTIC PILLS. Persons labering under this distressing malady, will find Hance's Epileptic Pills to be the only remedy ever discovered for caring Epilepsy or Falling Fits.

The following certificates should be read by all the afflicted; they are in every respect true, and should they be read by any one who is not afflicted himself, if he has a friend who is a sufferer, he will do a humane act by cutting this out and sending it to him.

A MOST REMARKABLE CURE.

PHILADELPHIA, June 28th, 1867. SETT HANCE, Baltimore, Md. — Dear Ser: Sceing your advertisement, I was induced to try your Epileptic Pills. I was attacked with Epilepsy in July, 1863. Immediately my physician was summoned, but he could give me no relief. I then consulted another physician, but I scemed to grow worse. I then tried the treatment of another, but without any good effect. I again returned to my family physician; was supped and bled several different times. I was generally attacked without any premonitory sym-I was generally attacked without any premonitory symptoms. I had from two to five fits a day, at intervals of two weeks. I was often attacked in my sleep, and would fall wherever I would be, or whatever be occupied with, fall wherever I would be, or whatever be occupied with, and was severely injured several times from the falls. I was affected so much that I lost all confidence in myself. I also was affected in my business, and I consider that your Epileptic Pills cured me. In February, 1865, I commenced to use your Pills, and only had two attacks afterwards. The last one was April 5th. 1835, and they were of a less serious character. With the blessing of Providence your medicine was made the instrument by which I was cured of that listressing affliction. I think that the Pills and their good effects should be made known everywhere, that persons who are similarly affected may lave the benefit of them. Any person wishing further information can obtain it by calling at my residence, No. 836 North Third St., Philadelphia. Pa.

William Elder. WILLIAM ELDER.

#### IS THERE A CURE FOR EPILEPS 1 ?

The subjoined will answer.

GRENADA, Miss., Jane 30.—Seth S. Hance.—Dear Size You will find enclosed five dollars, which I send you feet two boxes of your Epileptic Pills. I was the first person who tried your Pills in this part of the country. My son was badly afflicted with fits for two years. I wrote for and received two boxes of your Pills, which he took according to directions. He has never had a fit since. It was by my persuasion that Mr. Lyon tried your Pills. His case was a very bad one; he had fits nearly all his life. Persons have written to me from Alabama and Teanessee on the subject, for the purpose of ascertaining my opinion in regard to your Pills. I have always recommended them, and in no instance where I have had a chance of hearing from their effect have they The subjoined will answer. had a chance of hearing from their effect have they failed to sure. Yours, etc., C. H. Gry, Grenada, Yalabusha County, Miss.

#### ANOTHER REMARKABLE CURE OF EPILEPSY; OR, FALLING FITS BY HANCE'S EPILETTIC PILLS.

MONTGOMERY, Texas, June 20th, 1867. To Seth S. Hance:—A person is my employ had been afflicted with Fits, or Epilepsy, for thirteen years; he had these attacks at i.e. rvals of two to four weeks, and oftentimes several in quick succession, sometimes continuing for two or three days. On several occasions they lasted until his mind appeared totally deranged, in which state he would continue for a day or two after the fits ceased. I tried several remedies prescribed by our resident physicians, but without success. Having seen your adver-I tried several remedies prescribed by our resident physicians, but without success. Having seen your advertisement I concluded to try your remedy. I obtained two boxes of your Pills, gave them according to directions, and they effected a permanent cure. The person is now a stout, hea'thy man, about 30 years of age, and has not had a fit since he commenced taking your medicine, ten years since. He was my principal wagoner, and has, since that time, been exposed to the severest of weather. I have great confidence in your remedy, and would like every one who has fits to give it a trial.

B. L. DEFREESE.

#### STILL ANOTHER CURE.

Read the following testimonial from a respectable citizen of Grenada, Mississippi, citizen of Grenada, Mississippi.

Szth S. Hance, Baltimore, Md.—Dear Sir: I take great pleasure in relating a case of Spasms, or Fits, cured by your invaluable Pills. My brother, J. J. Ligon, has long been afflicted with this awful disease. He was first attacked while quite young. He would have one or two spasms at one attack at first, but as he grew older they seemed to increase. Up to the time he commenced taking your Pills he had them very often and quite severe, prostrating him, body and mind. His mind had suffered seriously, but now, I am happy to say, he is cured of those fits. He has enjoyed fine health for the last five months. His mind has also returned to its original brightness. All this I take great pleasure in communicating, as it may be the means of directing others to the remedy that will cure them. Yours, respectfully, etc., W. P. Ligon.
