WHAT THEY SAY OF IT! A FEW FACTS FOR THE PEOPLE.—There are but few preparations of medicines which have understood the impartial judgment of the people for any great length of time. One of these is Dr. Thomas' Electric Oil. Read the following and be convinced.—Thos. Robinson, Farnham Centre, P. Q., writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Thomas' Electric Oil, and since then have had no attack of it. I would recommend it to all."—J. H. Earl, Hotel Keeper, West Shefford, P. Q., writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Thomas' Electric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried it on my horses in cases of cuts, wounds etc., and think it is equally as good for horse as for man."—A. Maybee, Merchant Warkworth, writes, "I have sold some hundreds of bottles of Electric Oil, and it is pronounced by the public, 'one of the best medicines they have ever used,' it has done wonders in healing and relieving pain, sore throats, etc., and is worth of the greatest confidence."—Joseph Rusan, Township Percy, writes, "I was persuaded to try Thomas' Electric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for lameness. It is a great public benefit."—A. M. Hamilton, Warkworth, writes, "For weeks I was troubled with a swelled ankle, which annoyed me very much. Mr. Maybee of this place induced me to try Electric Oil, and before one bottle was used I was cured. It is most remarkable medicine."—S. N. THOMAS, Phelps, N. Y. Suddenly in the twinkling of an eye, by dislocation of the neck, at 6 o'clock, a. m., April 15th, Lot Hardy, of Jordan River, in the 74th year of his age. Bro. Hardy was converted and baptized with the fellowship of the F. Baptist Church, along with his wife, about 37 years ago in Caledonia, Queens Co. In April, 1871, they were among the 34 that united with the little Baptist Church of that place. His faithful attendance at the prayer and Conference meetings ever made us glad. We have lost a brother dear. The family a dear husband and father. May the grace of our Lord Jesus sustain our aged sister and truly sanctify all our sorrow.—COM. BY REV. E. N. ARCHIBALD.

May 12th, 1876, at the residence of his son-in-law, Mr. Joseph Cleveland, Mr. Issachar Harris, aged 80 years. Brother Harris was born in Yarmouth, and afterwards settled at Margareville, Annapolis Co., where he died. About 46 years ago he professed faith in Jesus, and united with the Baptist Church of Christ, of which he remained a worthy and consistent member till death. He lived respected and died lamented. Having followed two wives to the "narrow house." He left behind him 9 children, 65 grand children and 21 great-grand children. He was sick but 36 hours and departed to be with Christ.

At Dundas, Rice Co., Minnesota, on the 11th of May, 1876, John B. Porter, formerly of Halls Harbor, Kings Co., N. S., in the 61st year of his age. Mr. Porter emigrated to Illinois in the spring of 1863, and in the fall of 1870 he moved to Minnesota, he was formerly a member of the Baptist Church at Halls Harbor. May our last end be like his. (St. John and Boston papers please copy.)

At Brookfield, Colchester Co., May 22nd, of typhoid fever, Cyrus Stevens, son of James W. and Louisa Stevens, leaving a wife and two young children, parents, brothers and sisters, and a large circle of friends to mourn his departure. The subject of this notice was convinced of the necessity of an inward change when quite young, and was baptized when he was seventeen years of age by Rev. R. D. Porter, and united with the Baptist Church at Lower Stewackee. His business (photographer) often called him from home, but he was ever found on the Lord's side and an active worker in the Master's vineyard. His health had been failing for several years. In April he was stricken down with typhoid fever, and only lived four weeks. During his sickness he frequently spoke of a sick bed being no place to prepare for death. The day of his death, although suffering great bodily pain, he seemed at times almost enraptured when speaking of Heavenly things. The Rev. Mr. Goucher (who one year ago May day, preached the funeral sermon of a young brother of the same family, and five years ago married the deceased.) Preach an appropriate discourse from 1 John iv. 8. Brethren Shaffer and Roscoe, Licentiates, were also present and took part in the services.—COM.

TO CALEB GATES & CO., MIDDLETON, ANAPOLIS CO., N. S.

MY DEAR FRIEND—I have always, until of late, been a bitter enemy to all patent or occult preparations, in the shape of medicines for the sick. But, in consequence of an unlucky fall from the deck of a schooner bound to Boston, down into the cabin, by which, displacing two of the short ribs on the right side, the liver was so seriously injured, that for twenty four hours death was expected every moment. In a few days, a blot was discovered in the ankles, pervading in a short time the whole body. Used every medicine that the medical art could devise, not excepting a thorough course of mercury, in order that the liver might be brought once more to perform its proper functions, but did not succeed until I had taken a jug full of your LIFE OF MAN BITTERS, which you kindly sent me; after I had taken a few draughts, I began to improve. I am not a drunkard, but was always fond of bitters, most particularly when prepared with good brandy; this induced me, although an unbeliever, to partake of liberal draughts, in the morning, 11 o'clock, and at 4 P. M., of your Bitters, and before I thought, was cheated into a cure, so far as was possible. I am truly surprised that such a valuable, and, at the same time, safe compound, should not meet with the liberal patronage that it in my opinion, so justly merits. I am yours, most respectfully, WILLIAM KENNEDY, M. D. April 26.
