ANNAPOLIS.—A little girl named Ord, fell on a carving knife, which she was carrying, and the blade went through her cheek.

The Farmer thinks this ancient capital a suitable location for the proposed Maritime Provinces penitentiary.

BRYAN'S WAFERS.—(The great public remedy,) have now been in use over twenty years, hence it cannot be said that they are on trial. They have been thoroughly tried, and pronounced (on the authority of those whose lives and health they have preserved) to be a cure, harmless and eminently salutary preparation, and if taken in season will invariably cure colds, coughs, sore throat, and all Bronchial affections. One fair trial will convince the most skeptical. Sold by all medicine dealers, at 25cts. per box.

WHAT THEY SAY OF IT! A FEW FACTS FOR THE PEOPLE.—There are few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of these is Dr. Thomas' Electric Oil. Read the following and be convinced.—Thos. Robinson, Farmington Centre, P. Q., writes: "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Thomas' Electric Oil, and since then have had no attack of it. I would recommend it to all."—J. H. Earl, Hotel Keeper, West Sheffield, P. Q., writes: "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Thomas' Electric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried it on my horses in cases of cuts, wounds, etc., and think it is equally as good for horse as for man."—A. Maybee, Merchant Warkworth, writes: "I have sold some hundreds of bottles of Electric Oil, and it is pronounced by the public, 'one of the best medicines they have ever used'; it has done wonders in healing and relieving pain, sore throats, etc., and is worth of the greatest confidence."—Joseph Rusan, Township Percy, writes: "I was persuaded to try Thomas' Electric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for lameness. It is a great public benefit."—A. M. Hamilton, Warkworth, writes: "For weeks I was troubled with a swelled ankle, which annoyed me very much. Mr. Maybee of this place induced me to try Electric Oil, and before one bottle was used I was cured. It is a most remarkable medicine."—S. N. THOMAS, Phelps, N. Y., Toronto, Ont., Sole Agents for the Dominion.

EAST INDIA HEMP,

AND WHAT WE KNOW ABOUT IT

Instead of devoting a column to the merits of this strange and wonderful plant, we remain silent and let it speak for itself through other lips than ours, believing that those who have suffered most can better tell the story. We will here quote word for word from letters recently received, simply adding our testimony to the rest in saying, that when this plant is properly prepared, we know that it positively cures consumption, and will break up a fresh cold in twenty-four hours.

ST. MARY'S CHURCH, Allegheny City, Pa., Nov. 10, 1874.

The East India Hemp has been taken by Rev. Matthias Binber, O. S. B., and Rev. Sebastian Arnold, O. S. B., both assistant pastors of this church, and so far has given relief to both. They suffered from affection of the lungs and bronchial organs. We have recommended charity sufferers, to the Cannabis Indica to different persons, and continue the same in good conscience, knowing the effects by experience. Please find inclosed check for twelve bottles of syrup, pills and ointment. We shall inform you in due time what further success the medicine shall meet with.

Yours truly,
REV. FERDINAND WOLF, O. S. B.,
87 Washington Street.

CHINA GROVE, ROWAN CO., N. C.,
Oct. 2, 1874.

Send one dozen Ointment and one of Cannabis Indica. When Mr. J. W. Fisher brought his wife to me for examination, I found her in the incipient stage of tuberculous consumption. Then it was I concluded to make a fair trial of Indian Hemp, and now there is a general demand for those remedies. The ointment excels everything and anything of its kind I ever saw or tried, in many cases it acted like a charm.

Fraternally yours,
P. A. SIFFORD, M. D.

RIDGEVILLE, CASWELL, N. C.,
Sept. 12, 1874.

Inclosed is \$10 for more of the Indian Hemp. I can truly say that the medicine has done me more good than all the doctors, and I had several of the best in the country. My cough is a great deal better, and my chills and night sweats are gone. You may look for several orders soon, as many have seen the effect of this medicine on me.

W. A. FULLER

COLUMBUS, O., Oct. 30, 1874.

Your treatment for consumption has so improved my condition, that the inquiry comes every day from my friends. What are you taking? Several are talking of sending for some of your medicine, and James Huff desires me to order for him \$9 worth of the Hemp.

WM. HUNT, North High Street.

P. S.—It is my opinion that an agent at this place would sell considerable for you.

DECHERD, Franklin, Tenn.,

Send three more bottles of your consumption and bronchitis cure. My son began taking the Hemp last night three weeks ago, and he is improving rapidly. The last ten days have made him look and act like another person. I have great hopes.

CALEB GATES & CO.,

MIDDLETON,

ANNAPOLIS CO., N. S.

MY DEAR FRIEND—I have always, until of late, been a bitter enemy to all patent or occult preparations, in the shape of medicines for the sick. But, in consequence of an unlucky fall from the deck of a schooner bound to Boston, down into the cabin, by which, displacing two of the short ribs on the right side the liver was so seriously injured, that for twenty four hours death was expected every moment. In a few days, a bloated was discovered in the ankles, pervading in a short time the whole body. Used every medicine that the medical art could devise, not excepting a thorough course of mercury, in order that the liver might be brought once more to perform its proper functions, but did not succeed until I had taken a jug full of your LIFE OF MAN BITTERS, which you kindly sent me; after I had taken a few draughts, I began to improve.

I am not a drunkard, but was always fond of bitters; most particularly when prepared with good brandy; this induced me, although an unbeliever, to partake of liberal draughts, in the morning, 11 o'clock, and at 4 P. M., of your Bitters, and before I thought, was cheated into a cure, so far as was possible.

I am truly surprised that such a valuable and, at the same time, safe compound, should not meet with the liberal patronage that it is in my opinion, so justly merits.

I am yours, most respectfully,
WILLIAM KENNEDY, M. D.

FITS!

FITS! FITS! FITS!

CURE OF EPILEPSY; OR, FALLING FITS.

Persons laboring under this distressing malady, will find HANCE'S EPILEPTIC PILLS to be the only remedy ever discovered for curing Epilepsy or Falling Fits. The following certificates should be read by all the afflicted; they are in every respect true, and should they be read by any one who is not afflicted himself, if he has a friend who is a sufferer, he will do a humane act by cutting this out and sending it to him.

A MOST REMARKABLE CURE.

PHILADELPHIA, June 28th, 1867.
SIR: I have been afflicted with Epilepsy for many years, and I was induced to try your Epileptic Pills. I was attacked with Epilepsy in July, 1863. Immediately my physician was summoned, but he could give me no relief. I then consulted another physician, but I seemed to grow worse. I then tried the treatment of another, but without any good effect. I again returned to my family physician; was cupped and bled several different times. I was generally attacked without any promontory symptoms. I had from two to five fits a day, at intervals of two weeks. I was often attacked in my sleep and would fall wherever I would be, or whatever I was occupied with, and was severely injured several times from the falls. I was affected so much that I lost all confidence in myself. I also was affected in my business, and I considered that your Epileptic Pills cured me. In February, 1865, I commenced to use your Pills, and only had two attacks after two weeks. The last one was April 5th, 1865, and they were of a less serious character. With the blessing of Providence your medicine was made the instrument by which I was cured of that distressing affliction. I think that the Pills and their good effects should be made known everywhere, that persons who are similarly afflicted may have the benefit of them. Any person wishing further information can obtain it by calling at my residence, No. 336 North Third St., Philadelphia, Pa.
WILLIAM EIDER.

IS THERE A CURE FOR EPILEPSY?

The subjoined will answer.
GRENADA, Miss., June 30.—SIR: I have been afflicted with Epilepsy for thirteen years, which I send you two boxes of your Epileptic Pills. I was the first person who tried your Pills in this part of the country. My son was badly afflicted with fits for two years. I wrote for and received two boxes of your Pills, which he took according to directions. He has never had a fit since. It was by my persuasion that Mr. Lyon tried your Pills. His case was a very bad one; he had fits nearly all his life. Persons have written to me from Alabama and Tennessee on the subject, for the purpose of ascertaining my opinion in regard to your Pills. I have always recommended them, and in no instance where I have had a chance of hearing from their effects have they failed to cure. Yours, &c.,
C. H. Orr,
Grenada, Talabusha County, Miss.

ANOTHER REMARKABLE CURE OF EPILEPSY; OR, FALLING FITS.

BY HANCE'S EPILEPTIC PILLS.

MONTGOMERY, TEXAS, June 20th, 1867.
To SETH S. HANCE.—A person in my employ had been afflicted with Fits, or Epilepsy, for thirteen years, he had these attacks at intervals of two to four weeks, and oftentimes several in quick succession, sometimes continuing for two or three days. On several occasions they lasted until his mind appeared totally deranged, in which state he would continue for a day or two after the fits ceased. I tried several remedies prescribed by our resident physicians, but without success. Having seen your advertisement I concluded to try your remedy. I obtained two boxes of your Pills, gave them according to directions, and they effected a permanent cure. The person is now a stout, healthy man, about 30 years of age, and has not had a fit since he commenced taking your medicine, ten years since. He was my principal wagoner, and has, since that time, been exposed to the severest weather. I have great confidence in your remedy, and would like every one who has fits to give it a trial.
E. L. DEFREES.

STILL ANOTHER CURE.

Read the following testimonial from a respectable citizen of Grenada, Mississippi.
SIR: I have been afflicted with Epilepsy, or Fits, cured by your invaluable Pills. My brother, J. J. Ligon, has long been afflicted with this awful disease. He was first attacked while quite young. He would have one or two spasms at one attack at first, but as he grew older they seemed to increase. Up to the time he commenced taking your Pills he had them very often and quite severe, prostrating him, body and mind. His mind had suffered so seriously, but now, I am happy to say, he is cured of those fits. He has enjoyed fine health for the last five months. His mind has also returned to its original brightness. All this I take great pleasure in communicating, as it may be the means of directing others to the remedy that will cure them. Yours, respectfully, &c.,
W. F. LIGON.
