

NEW GLASGOW.—To-day at 2 o'clock, P. M., Captain George McKenzie, of this town, was buried. His funeral was attended by a large assembly of people from the country and from Pictou town. He was 77 years and 5 months old. Having been a ship-builder in New Glasgow, he did much towards promoting the prosperity of the place. He lived near the shipyard, and for three days all work has been suspended therein. Also in the harbor flags have been hoisted half-mast high for three days. These things show the public esteem in which he was held. In the days of Johnston and Howe, he was some time sent to the House of Assembly. He was, I have heard, highly esteemed by the latter on account of the influence which he exerted in behalf of his party. He was proverbially upright, honest and straightforward, and, in his business, had great power over men. One generation goeth and another cometh.—Communicated.

MARCH 15, 1876. KING'S COLLEGE.—We learn from the Church Chronicle that the President, Rev. J. Dart has been appointed Professor of English Literature, Moral Philosophy and Divinity. The Professorship of Classics vacated by the President has been conferred upon Rev. W. E. Wilson. Professors How, Oram and Steffell have been elected Fellows.

Charles Stockall, a workman on the Windsor and Annapolis Railway, was killed at Hancock Ravine, King's County, he was engaged in moving earth in a cutting, when a slide took place, covering him up. He only lived an hour after he was dug out. He leaves a large family.

CANNING.—Influenza, whooping cough, measles and diphtheria have been prevalent in East Cornwallis for some time past.

ISAAC'S HARBOR.—The dwelling house owned and occupied by Capt. Whitman Giffin, was totally destroyed by fire on Saturday, with the furniture, clothes and provisions; his loss is estimated at \$15,000. We deeply sympathize with Capt. Giffin in his loss.

Mr. Donald MacDonald (John's son), B. Sett. Mal. Cove, was instantly killed on Monday last by a falling tree which two neighbors were chopping. A young man who was sitting beside him was seriously hurt. Deceased was about fifty years of age, unmarried, of excellent character.

GETSON'S COVE, LUNenburg COUNTY.—On Friday night, the 10th inst., a barn belonging to Mr. Jeffery Publicover was destroyed by fire, together with its contents, the estimated value of the whole being about \$1000. Believed to be the work of an incendiary. Steps having been taken quite recently to do away with the liquor traffic in this locality, many think this is a result of them.

LIVERPOOL.—A large public meeting in relation to the proposed railway from Nictaux to the Atlantic through Queen's County was held on Monday the 13th inst. As it was thought there had been insufficient notice for many persons to be present; the meeting was adjourned to the following day. J. M. S. Marshall Esq., was appointed chairman and Mr. G. T. Moore, Esq., Secretary. Speeches were made by the Rev. G. O. Gates, George McLeod, Israel Hendry L. S. Ford and Nelson McLeod, Esq., and by L. Bloomfield Page, Esq., representing the Nova Scotia, Nictaux and Atlantic Central Railway Company. Appropriate resolutions instructing the representatives of the county to support the application for a subsidy were passed, and a vote of thanks given to Mr. Page, for his efforts in behalf of the projected railway.

FOR THE GLOUCESTER FISHING FLEET.—The Yarmouth Herald says the schr. Grand Master, which sailed for Gloucester on the 8th inst., had nearly 100 passengers, mostly fishermen to join the Cape Ann fleet. We understand two American schooners also took a number of passengers from the same place.

A NOVA SCOTIA GOVERNOR.—In the absence of Lieut. Governor Morris, of Manitoba, Judge McKeagney, formerly M. J. for Cape Breton, is administrator of the Government.

HANTS CO.—On Saturday John Crowell, a workman in the Plaster Quarries at Wentworth, was killed by a fall of rocks. Joseph Lockhart, of Brooklyn, who was kicked by a horse some few weeks ago, died on Saturday from the injuries received.

HEARING RESTORED. A great invention by one who was deaf for 20 years. Send stamp for particulars to JNO. GARMORE, Lock-box 80 Madison, Ind.

THE HORSE.—Of the great number of animals under the control of man, the horse is unquestionably the most serviceable; but it is not strange that so many who own horses, and who are dependent on their labor for a living, should neglect to give them that care and attention which their own interest no less than the safety and comfort of the horse demands. The Arabian Remedy for horses is "Darley's Condition Powders and Arabian Heave Remedy;" of this there can be no doubt—it is safe and easily given. Remember the name

ELECTRICITY! THOMAS' EXCELSIOR ELECTRIC OIL—WORTH TEN TIMES ITS WEIGHT IN GOLD.—Pain cannot stay where it is used. It is the cheapest medicine ever made. One dose cures common sore throat. One bottle has cured bronchitis. Fifty cents' worth has cured an old standing cough. It positively cures catarrh, asthma and croup. Fifty cents' worth has cured crick in the back, and the same quantity lame back of eight years' standing. The following are extracts from a few of the many letters that have been received from different parts of Canada, which, we think, should be sufficient to satisfy the most sceptical: J. Collard, of Sparta, Ont., writes: "Send me 6 dozen Dr. Thomas' Electric Oil, I have sold all I had from you, and want more now; its cures are truly wonderful." Wm. McGuire, of Franklin, writes: "I have sold all the agent left, it acts like a charm—it was slow at first, but takes splendidly now." H. Cole, of Iona, writes: "Please forward 6 dozen Thomas' Electric Oil, I am nearly out, nothing equals it. It is highly recommended by those who have used it." J. Bedford, Thamesville, writes: "Send at once a further supply of Electric Oil, I have only one bottle left. I never saw anything sell so well and give such general satisfaction." J. Thompson, Woodward, writes: "Send me some more Electric Oil. I have sold entirely out. Nothing takes like it." Miller & Reid, Ulverton, P. Q., writes: "The Electric Oil is getting a great reputation here, and is daily called for. Send us a further supply without delay." Lemoyne, Gibb and Co., Buckingham, P. Q., writes: "Send us one gross Electric Oil. We find it to take well." Sold by all medicine dealers. Price, 25 cts.

A few months ago was chronicled the death of Bertha Caldwell, a beloved young member of the 2nd Cornwallis Baptist Church. It is now my sorrowful duty to ask the insertion of a notice of the death of the father of Bertha, John M. Caldwell who departed this life on the 16th Feb., 1876, after a short but painful illness, aged 48 years. This dear brother professed religion some 14 years ago among our Methodist friends and was immersed by a Wesleyan minister. He subsequently united with the Baptist Church in Billtown where he then resided. Having removed to Gould Settlement on Cornwallis Mountain, during a gracious revival in December, 1874, he obtained his dismission and with his companion and three of his children joining the 2nd Cornwallis Church. From this time forward until his departure from us bro. C. became an active and highly esteemed member. His testimonies, prayers and singing will for many years remain fresh and fragrant in the memories of his brothers and sisters. He was also much respected in the community as an upright and obliging man. He leaves a widow, three sons and three daughters to mourn his death. The last utterance of our brother was—"Lord Jesus help me to submit to thy will." While attempting to add Amen the spirit fled. May the bereaved respond to this prayer and cherish submission to the will of Him who does all things well.—COM. BY REV. ISA. WALLACE.

At Jeddore, on the 1st of March, after a painful illness borne with Christian resignation, Hannah, beloved wife of James Myers, and youngest daughter of John Doyle, Esq., in the 45th year of her age, leaving a husband and seven children to mourn the loss of a most affectionate wife and kind mother. Some time previous to her death when asked if Jesus was precious, she replied in the affirmative, saying she was happy and wished to depart and be forever with her Saviour. Her funeral occasion, attended by a large number of relatives and friends, was improved by the Rev. Mr. Johnson, Methodist Minister.—COM. BY JOHN JENNEX.

At Clarence, March 7th, Edwin J. Roach, youngest son of James and Priscilla Roach, aged 5 years and 5 months.

VEGETABLE PULMONARY BALSAM.

THIS standard remedy for coughs and colds and other pulmonary and bronchial ailments, was first put before the public in 1826 and ever since then, a period of half a century it has maintained and increased its reputation. In the meantime, probably thousands of social ed cough remedies, under every conceivable name, have appeared, been puffed, had their day, and most of them sank into the oblivion from which they never should have emerged to cheat invalids with false hopes of cure. Though no intangible virtues are claimed for this medicine it is but just to say that it possesses the following excellencies:— 1. On many cases of cough it exerts an almost specific remedial influence, and the cases are very few which it quite fails to benefit. Long standing cases and those of aged persons are almost always greatly relieved. 2. Its action is speedy and pleasant; its taste is not disagreeable; and its dose is small. The last point is sure to be appreciated by the invalid. 3. It has received medical sanction, and has been frequently prescribed by some of our leading physicians. Add to the above that, when the smallness of its dose is considered, it is even cheaper than the common 25 cent Cough Drops and Syrups, of the Druggists. This remedy has held its way and attained its present reputation by its own merit, with little aid from advertising. It has an established sale, and those who know it will always use it when their climate remains what it is, the army of sufferers from throat and lung complaints will always be a large one, and continually reinforced by new recruits. That all such may be acquainted with this reliable medicine is the aim of this advertisement. Price 50 cents and \$1.00 per bottle. CUTLER BROTHERS & CO., Proprietors, Boston.
