

FATHER CHINIQUE has been lecturing in the Methodist and Presbyterian churches during the past week.

On Monday he lectured in the Fort Massey Presbyterian Church. The crowd was so great that it was found necessary to look the doors, and some parties outside became noisy.

Dr. Burns' effort to preserve order was scarcely seconded by Mr. Chinique, who, it is our candid opinion, was quite willing to have a row.

A large crowd waited outside for Mr. Chinique, and when he came out they gathered around him. Fearing violence, he took refuge in a house in Tobin Street a few doors below the church.

Every good citizen must denounce this interference with freedom of speech. Father Chinique may say what he chooses on the anti-Catholic side; as well as Father Langcake, some time ago, was permitted to speak out freely his anti-Protestant views.

FITS!

FITS! FITS! FITS!

CURE OF EPILEPSY; OR, FALLING FITS, BY HANCE'S EPILEPTIC PILLS.

Persons laboring under this distressing malady, will find Hance's Epileptic Pills to be the only remedy ever discovered for curing Epilepsy or Falling Fits.

The following certificates should be read by all the afflicted; they are in every respect true, and should they be read by any one who is not afflicted himself, if he has a friend who is a sufferer, he will do a humane act by cutting this out and sending it to him.

A MOST REMARKABLE CURE.

PHILADELPHIA, June 28th, 1877. DEAR SIR: Seeing your advertisement, I was induced to try your Epileptic Pills.

I was attacked with Epilepsy in July, 1857. Immediately my physician was summoned, but he could give me no relief. I then consulted another physician, but I seemed to grow worse. I then tried the treatment of another, but without any good effect. I again returned to my family physician; he was cupped and bled several times, but I fell wherever I would be, or whenever I was occupied with my work. I was often attacked in my sleep, and would fall wherever I would be, or whenever I was occupied with my work. I was often attacked in my sleep, and would fall wherever I would be, or whenever I was occupied with my work.

I was attacked so much that I lost all confidence in myself. The last one was April 6th, 1858, and they were of a less serious character. With the blessing of Providence your medicine was made the instrument by which I was cured of that distressing affliction. I think that the Pills and their good effects should be made known everywhere, that persons who are similarly afflicted may have the benefit of them. Any person wishing further information can obtain it by calling at my residence, No. 83 North Third St., Philadelphia, Pa.

WILLIAM ELLER.

IS THERE A CURE FOR EPILEPSY?

The subject will answer.

GRENADA, Miss., June 30.—DEAR SIR: I have sent you two boxes of your Epileptic Pills. I was the first person who tried your Pills in this part of the country. My son was badly afflicted with fits for two years. I wrote for and received two boxes of your Pills, which he took according to directions. He has never had a fit since.

It was by my persuasion that Mr. Lyon tried your Pills. His case was a very bad one; he had fits nearly all his life. Persons have written to me from Alabama and well as day. It can be raised or lowered or placed in any position required and can with the aid of the reflector throw the light anywhere wished. It does not soil the work or cannot jar off the table, any party wishing to get one by writing a Postal Card will have one brought to them as soon as possible.
