ELECTRICITY! THOMAS' EXCELSIOR ECLECTRIC OIL.—WORTH TEN TIMES ITS WEIGHT IN GOLD.—Pain cannot stay where it is used. It is the cheapest medicine ever made. One dose cures common sore throat. One bottle has cured bronchitis. Fifty cents' worth has cured an old standing cough. It positively cures catarrh, asthma and croup. Fifty cents' worth has cured crick in the back, and the same quantity lays back of eight years' standing. The following are extracts from a few of the many letters that have been received from different parts of Canada, which, we think, should be sufficient to satisfy the most sceptical: J. Collard, of Sparta, Ont., writes, "Send me 6 dozen Dr. Thomas' Electric Oil, have sold all I had from you, and want more now; its cures are truly wonderful." Wm. McGuire, of Franklyn, writes, "I have sold all the agent left, it acts like a charm—it was slow at first, but takes splendidly now." H. Cole, of Iona, writes, "Please forward 6 dozen Thomas' Electric Oil, I am nearly out, nothing equals it. It is highly recommended by those who have used it." J. Bedford, of Thamesville, writes, "Send at once a further supply of Electric Oil, I have only one bottle left. I never saw anything sell so well and give such general satisfaction." J. Thompson, Woodward, writes, "Send me some more Electric Oil. I have sold entirely out. Nothing takes like it." Miller & Reid, Ulverton, P. Q., writes, "The Electric Oil is getting a great reputation here, and is daily called for. Send us a further supply without delay." Lemoyne, Gibb and Co., Buckingham, P. Q., writes, "Send us one gross Electric Oil. We find it to take well."

DEATHS.

On the 10th Feb., 1876, Mrs. Sarah L., the beloved wife of Mr. Robert Reed, of Hill Grove, Digby, and daughter of the late Charles Tucker, aged 62 years. She was baptized some 13 years ago by Rev. J. Spencer. In the welfare of the Church, and the salvation of sinners she ever had a lively interest. As a wife and mother she was kind and faithful. She is much missed and sincerely mourned for. Her last illness was very severe—she suffered much, but by the grace of God she enjoyed much. The smiles and promises of her Heavenly Father lighted up the dark passage, and gave her a joyous prospect. The large congregation attending her funeral services expressed the esteem of the public which she commanded.—COM. BY REV. J. H. SAUNDERS.

At Paradise, January 13th, Mr. Martyn Morse, of congestion of the lungs, aged 69 years. Having made Christ his hope and salvation more than thirty years ago he had proved his God to be full of love and grace, refreshing and strengthening his faith and hope. His life and conversation was a daily testimony to the reality, and blessedness of the religion he professed. He died in peace and favor with God and man, and is now with Christ and the loved ones that had gone before, having committed to the dust his dear parents one son and three daughters all of whom we believe are with Christ, because they are worthy. He has left behind a lonely widow and one son who daily feel that God setteth the solitary in families. May heaven sustain them with consoling grace.—COM. BY REV. N. VIDTQ.

On the 20th Jan., Melissa, beloved wife of James Robertson, aged 32 years. She was baptized into the fellowship of the Church at Waterville by the Rev. James Spencer, and became united in marriage to Mr. S. R. Jenks, who died 1860. She was afterwards married to Mr. James Robertson, of Fox Harbour, Wallace. Her last sickness was borne with Christian resignation to the Divine will. Her last days were spent in prayer and praise. With firm trust in the promises of the gospel, she calmly fell asleep in Jesus. Her religion was a permanent principle, which blended itself with her whole life, deep devotion, and unaffected humility combined with an intelligent mind will long enshrine her memory to the numerous friends left to mourn.—COM. BY REV. J. A. MOORE.

On the 29th of Jan., Augustine Young, second son of Mr. Daniel Young, of Kingston, aged 21 years. Though not a professor of religion, he entertained a hope in Christ, and died calmly and peacefully trusting in Jesus for salvation and eternal life. Earnest in the Temperance cause he was beloved by all who knew him. The funeral was largely attended, the family deeply mourn their loss, but Divine Grace sustains in the way of trouble.—COM. BY REV. E. O. READ.

At Pleasant River, last Christmas Day, Jason, son of the late J. O. K. Waterman, aged 31. He professed religion when he was quite young, and was baptized by the Rev. Mr. Bryning, a minister from Canada, and all through youth and early manhood, he lived a consistent christian life,

and died in peace with God, and all mankind.

MESSRS. C. GATES & CO.

Gentlemen:—This to certify that I have been afflicted for several years with pains in my side and back, a bad cough, weak lungs, liver complaint, and a number of other diseases, all at the same time, and tried the medicines of our most skillful physicians in our place and elsewhere, but received no permanent relief; and, when the doctors had given up doing anything for me, as they could do no good, I procured, through a friend who advised me to try your medicines, some Bitters, Syrup, Plaster, Ointment and Liniment, and after I had used several bottles of your Bitters and Syrup, a bottle or two of your Preventative, and applied your Ointment, Liniment and Plaster to the affected parts, I became strong again and was restored to usual good health.

I began to improve after I had used but a few bottles, etc., etc. I believe that if I had not got the medicines when I did, I could not have lived longer than two months, so feeble and debilitated was my condition and state of health.

I can cheerfully recommend those suffering as I was to procure your Medicines at once, as I am confident they will receive a great amount of benefit from their use.

Yours very truly,

JULIETTE L. MORSE.

Hundreds Cured daily in Nova Scotia

DIAMOND RHEUMATIC CURE.

Effectually curing hundreds of our Nova Scotia citizens from that terrible malady RHEUMATISM.

This statement is substantially a FACT based upon evidence in the possession of the agent, in the shape of numerous testimonials from past sufferers, in the walks of life, and particularly from some of our most respectable and trustworthy families.

DIAMOND RHEUMATIC CURE.

In its history, this invaluable Medicine occupies the most honourable position possible for any remedy to attain. A few years since it was known only to the friends and neighbors and patients of the proprietors, and always sought for by them whenever troubled with Rheumatism, and in this way came to the notice of physicians generally, and through their favorable expression, and their acknowledged value as a Rheumatic Remedy, the demand for it became so frequent to increase their facilities for its manufacture. Its reputation rapidly extended, and soon orders, letters of enquiry, letters of thanks, and certificates of praise were daily received from all sections of the United States and Canada; and in this way on a basis of its merit alone—unaided by "tricks of the trade" or special efforts—it has risen to its present enviable position. Wherever introduced it has received the most flattering preference in the treatment of all rheumatic complaints. In this we are really grateful and happy, not alone because our medicine finds ready sale, and is consequently profitable to us, so we say this, but because we open a new field in medical science, and cure at once what the best medical practitioners have for ages found so difficult even to relieve. We fill a place heretofore unoccupied. We relieve the suffering and minister to God's poor; we restore the laboring to the use of his injured limbs, and save him scores of times its cost in doctor's bills; we carry contentment and gladness into the home of the afflicted, and consequently are remembered by millions of grateful souls.

The proprietors of this medicine has walked the aisles of the Hospitals of London, Eng., for the past twenty years, making rheumatism a speciality, and the prescription from which this remedy is all he ever used in the treatment of this disease.

This medicine is for sale at all the druggists throughout Canada. If it happens that your druggist has not got it in stock, ask him to send for it to
