WHAT THEY SAY OF IT! A FEW FACTS
FOR THE PEOPLE.—There are but few preparations of medicines which have withstood the impartial judgment of the
people for any great length of time. One
of these is Dr. Thomas' Eclectric Oil. Read
the following and be convinced:—Thos.
Robinson, Farnham Centre, P. Q., writes,
"I have been afflicted with rheumatism
for the last ten years, and have tried many Robinson, Farnham Centre, P. Q., writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Thomas' Eclectric Oil, and since then have had no attack of it. I would recommend it to all."—J. H. Earl, Hotel Keeper, West Shefford, P. Q., writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Thomas' Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried it on my horses in eases of cuts, wounds etc., and think it is equally as good for horse as for man."—A. Maybee, Merchchant Warkworth, writes, "I have sold some hundreds of bottles of Eclectric Oil, and it is pronounced by the public, one of the best medicines they have ever used; it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greatest confidence."—Joseph Rusan, Township Percy, writes, "I was persuaded to try Thomas' Eclectric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for lameness. It is a great public benefit,"—A. M. Hamilton, Warkworth, writes, "For weeks I was troubled with a swelled ankie, which annoyed me very much. Mr. Maybee of this place induced me to try Eclectric Oil, and before one bottle was used I was cured. It is a most remarkable medicine.

on addition, N. S. DEAR SIRS, For the benefit of all concerned I make the following statement: About 3 years ago I was seized with a severe pain in my arm which lasted several days, and then settled in my wrist leaving my arm entirely useless for at least six months, during this time I was under the doctor's treatment.but all to no under the doctor's treatment but all to no purpose. And strange as it may appear I dreamed that your agent in Wallace had medicine in his store, that would cure my arm, I asked my husband to go and see, he went, and brought home one bottle of "Gates' Life of Man Bitters No. 2," and one of Gates' Acadian Liniment with immediate results two bottles of each made a perfect cure. During my trouble with my arm my general health was much impaired, appetite gone, and notwithstanding all the prejudice against patent medicines I must not only praise it, but also, recommend it to an afflicted public for I consider it providential that I found such medicine.
