

At the meeting of the School Board last week, Mr. F. Bowes, of Waterville, Kings County, was appointed principal of the National School, for six months, to be continued should his services prove satisfactory.

The Board refused to enter into any negotiations with the governors of Dalhousie College or the City Council for the south-end of the Grand Parade for a High School site, but agreed that the City Council be communicated with to see if that portion of the South Common, lying between Spring Garden Road and Morris Street, could be procured for a High School site, provided the sanction of the Legislature could be obtained.

At the City Council meeting on Thursday last a letter from the Secretary of the School Board was read, asking, in accordance with the resolution of that body, that that portion of the Common lying between Spring Garden Road and Morris Street, be sold or leased to them for a High School site. The letter was laid on the table.

Ald. Power moved that the amount asked for by the Commissioners of Common and Public Gardens—\$500—for the maintenance of the Gardens during the winter, be appropriated. After some discussion the motion passed.

The Custom's Receipts at this port for the month of October, 1877, were \$95,328.29, for October, 1876, they were \$99,282.15.

The INLAND REVENUE OFFICE makes the following returns for Oct. 1877, and a comparison between that and Oct. 1876:

Table with columns for Oct. 1877 and Oct. 1876. Items include Tobacco, Licenses, Spirits, Malt, Bonded Manufactures, Officer's Salary, and Petroleum.

Increase..... \$966.15

It is pleasant to see a diminution in the consumption of Spirits. That on Tobacco and Malt, however, are largely increased. This is a matter of regret.

The Windsor Mail shows the capital sailing qualities of some of the ships built at that place, as follows:

Ship Hannah Morris, with lumber and freight, Captain Dunbar, arrived at Bristol, England, October 30th, making the run from Chatham, N. B., in 20 days.

Ship Rhine left Lubec October 3rd and arrived in Liverpool October 26-23 days. Barque Alice Cooper left Chatham, N. B., October 7th and arrived in Liverpool October 25th—19 days.

He leaves a wife, seven sons, three daughters, and a large circle of relatives and friends to mourn his departure.

Miss Ida M. Phinney, the youngest daughter of the late Gilbert Phinney, of Paradise, departed this life Sept. 13th, after a few weeks of severe illness, in the 20th year of her age. She was of a reserved and quiet disposition, and had won for herself a good name as a teacher. She had never made a public profession of religion, but had been instructed in Baptist principles and doctrine, and was a regular attendant at the Sabbath School and religious meetings.

On the morning of her death, feeling her end was near, she called the family to her bedside, and bidding them good-bye told them she was going to that better home; thus she passed away, leaving an affectionate mother, brothers, and sisters with a large circle of friends to mourn their loss. Her funeral was very largely attended, and after service at the house, an appropriate sermon was preached by Rev. J. Brown, in the Baptist Church, Rev. G. N. Ballentine taking part in the service.

J. SHEPPARD. Oct. 31.

Bishop Fallows, of the Reformed Episcopal Church, lectured in the New Mason's Hall last evening on the "Four Johns of History, John Calvin, John Barneveldt, John Knox and John Wesley."

SEE WHAT THE CLERGY SAY.—Rev. R. H. Craig, Princeton, N. J. says—"Last summer when I was in Canada I caught a bad cold in my throat. It became so bad that often in the middle of my sermon my throat and tongue would become so dry I could hardly speak. My tongue was covered with a white parched crust, and my throat was much inflamed. An old lady of my congregation advised me to use the "Shoshonees Remedy," which she was then using. The first dose relieved me, and in a few days my throat was nearly well. I discontinued the use of it, but my throat not being entirely well, became worse again. I procured another supply, and I am happy to say that my throat is entirely well, and the white crust has disappeared. I wish that every minister who suffers from sore throat would try the "Great Shoshonees Remedy."

Rev. Geo. W. GROUT, Stirling, Ont., says—"Mrs. George Francis was severely afflicted with kidney disease, and had been under the care of three physicians without any beneficial result. She has since taken four bottles of the "Shoshonees Remedy," and now enjoys the best of health."

Rev. T. C. BROWN, Brooklyn, Ont., says—"My wife was very low with lung disease, and given up by her physician. I bought a bottle of the "Shoshonees Remedy," and at the end of two days she was much better. By continuing the Remedy she was perfectly restored." Price of the Remedy in pint bottles \$1; Pills 25 cents a box.

J. SHEPPARD. Oct. 31.

Down in the grave her body lies mouldering, Out of life's cares, and turmoil, and strife; Up to the skies her spirit ascended, Gained the bright portals of unending life.

Let not the grief of the mourners be hopeless, All her dependence on Jesus was placed; Seek to inherit the same consolation, Salvation alone by the word of His grace. N. H. B.
