JOHN B. GOUGH has been to Halifax and given three lectures which will be remembered by the thousands who listened to them as long as they may live. By some blunder of the parties making arrangements for him in Roston he was advertized to lecture on Saturday night on "Blunders," but he explained before he commenced that that lecture was not adapted to any but a U. States audience, it being on the blunders made in American politics, American legislation, and American life and manners. No one would approve of a person going from Nova Scotia to the United States and there lecturing on the Blunders of his fellow-countrymen, and so he thought with that explanation it would be apparent that he should lecture upon another subject, and he therefore give his lecture on "Peculiar people." The evening was cold and rainy but that did not prevent about a thousand people coming together into the Rink to listen to Mr. Gough. His Hon. the Lieutenant Governor and Sir William Young were on the platform. The former introduced Mr. Gough and referred to his previous visit to this province 27 years ago, and the indellible impression made by him at that time on his large audiences. Whilst the lecture was given in Mr. Gough's own inimitable style it was highly instructive, shewing that whilst the peculiarites of some people rendered them highly obnexious, those of others were such as gave them force and influence with their fellowmen. Many of the illustrations were pictured by the Dear Sir,-We wish to be notified as | hand of a master, and given with that raciness which the most stolid could not resist, and he held the audience in rapt attention and enjoyment for an hour and a half.

On Monday night Mr. G. lectured on Temperance, and gave some very wholesome lessons in a most agreeable manner, affording rich amusement as well as solemn warning against the use of poisonous intoxicants as beverages.

Last evening the subject of the leclecture, we presume it will give no less satisfaction than its predecessors. We to get him here and enable us to hear other moral reforms.

READ WHAT THE PROPLE SAY IN REGARD TO THE GREAT SHOSHONEES REMEDY & PILLS. -Levi Jones, Markham, says I had a very severe attack of Bronchitis. I was N. Y. so bad that I could hardly get my breath. I sought for a quick remedy, and seeing the "Shoshonees Remedy" so highly recommended, I procured a bottle, and am happy to say, that by the time it was taken, I was entirely well and have remained so although, I was much exposed through the winter in travelling.

Rev. F. B. Stratton, Demorestville, writes-"I have found your remedies particularly beneficial for liver complaint dyspepsia and bronchial affections, and would advise all similarly affected to give them a trial.

John Finlayson, Athol, says-" When travelling one of my feet sore and broke out. I could not cure it and had to return home. It became better and afterwards much worse. I finally purchased a bottle of the "Remedy" and a box of "Pills," and before they were half gone I commenced to improve, and before they were finished my foot was completely cured. It is now I7 months since, but I have had no further attack. Price of the remedy in pint bottles \$1; Pills 25 cents a box.

Five Years' Sickness Cured by Four Bottles of Constitutional Catarrh Remedy. Pain in Shoulders, Back and Lungs, and Droppings in Threat Disappear.

St. Armand, P. Q., Sept. 12, 1876.

Mr. T. J. B. HARDING.

Dear Sir,—Being desireus that others may know something of the merits of your Constitutional Catarrh Remedy, I wish to inform you what it has done for me. I am 29 years old; had been out of health for about five years. I had employed three or four different doctors, and tried various medicines, without receiving any permanent benefit but continued rather to grow worse, until last fall, when I had become so bad as to be unable to do an hour's work at a time. Had severe paoreness and pain under the shoulder blades and through the shoulders, with very lame back, and a feeling in my right lung as though there was a weight bearing it down, with continual dropping in the throat and down upon the lungs. Such was my condition when I commenced to take your Catarrh Remedy, one bottle of which eased my pains and gave me an improved appetite, and after taking four bottles I was restored to health, so as to be able to endure hard and continued labor, such as chopping and clearing land, at which I have been engaged the past season. My recovery I attribute solely, with God's blessing, to the use of your Catarrh Remedy. Yours truly, D.S.F. Price \$1 per bottle. HENRY SNIDER. April 4.
