

The Third Baptist Church are showing good indication of progress towards providing themselves with a place of worship. They ask for tenders. It is their purpose to build the basement, and use it at once in the north part of Brunswick Street leaving the large audience room for future consideration.

SONS OF TEMPERANCE.—The Grand Division, S. of T., meets in its second quarterly session this Wednesday evening, 25th, at Freeport, Digby County.

A NEW DISCOVERY IN MORAL SCIENCE!—Aphorisms.—1st. It is not wrong to do evil that good may come—especially if there is any money in it!

2nd. It is right to license a wrong, especially when it helps to pay taxes!

3rd. To reform an evil, license the practice of it—especially if it gratifies the appetite!

4th. All wrongs may be made right by legalizing them—especially if it gratifies our lusts or fills our coffers with chink!

DARTMOUTH is to have its civic election on the 1st of May, Tuesday next, when the Warden and three Councilors will be chosen. Several parties have been mentioned for Councilors.

The Warden, Geo. F. Troop, Esq., will probably be re-elected.

FIRE AT CHESTER BASIN.—Yesterday morning, the 22nd inst., at about 3 o'clock, the steam mill and box factory, the property of Hiram Hennigar, Esq., together with his dwelling house, were consumed by fire. Fortunately Mr. and Mrs. Hennigar awoke just in time to save themselves and children from the devouring element. One bed, part of a bedstead, and most of Mr. H's clothing were the principle things saved. Mr. Hennigar is an honest, industrious, sober, Christian man, and well deserves the sympathy of a generous public. He has a wife and three children depending on him for support. The business in which he was engaged promised fair to be remunerative to himself as well as affording employment to many others, thus the loss will be felt by others; but chiefly himself, as the accumulations of several years as well as the present means of subsistence are all swept from him. Let me, through you, Mr. Editor, bespeak for him and his family substantial tokens of sympathy from those who have hearts to feel for a fellow-being in distress. A trifle from each of the many would never be missed by them and would materially aid him. The post office affords every facility, and donations may be forwarded either to Hiram Hennigar, Esq., Chester Basin, or to the subscriber at Chester.

Yours truly, I. J. SKINNER.

YARMOUTH INSURANCE COMPANIES.—On Tuesday last the Commercial Insurance Company brought down a balance to the credit of the Company of \$38,000, and declared a dividend of two hundred and fifty dollars per share, payable July first. The gross premiums for the expired year being one hundred thousand dollars.

On Friday last thirty-two thousand dollars was the balance yesterday submitted by the Old Marine Insurance Company and declared payable, one hundred and sixty dollars to the share, on July 15th.

The six companies together, for the year, issued two thousand three hundred and fifty policies. They insured property to the value of six millions five hundred and eighty three thousand dollars. The premiums amounted to four hundred and thirty-one thousand dollars. They have declared to the shareholders the balance of profits from the previous year's work, amounting to one hundred and eighty-nine thousand dollars. Taking it altogether there is no place in the world where insurance is effected as cheaply as in Yarmouth.

TRURO.—The Sun says:—"Mortality in Truro and vicinity has been very great during the past few weeks. During one day last week, in Truro, we are credibly informed that ten persons were lying dead. In one day five funerals took place."

The Truro Corporation, consisting of Warden and Councilors are to be chosen on the 1st of May.

TO THE PUBLIC. READ WHAT THE PEOPLE SAY IN REGARD TO THE GREAT SHOSHONEE REMEDY & PILLS.

—Levi Jones, Markham, says I had a very severe attack of Bronchitis. I was so bad that I could hardly get my breath. I sought for a quick remedy, and seeing the "Shoshonee Remedy" so highly recommended, I procured a bottle, and am happy to say, that by the time it was taken, I was entirely well and have remained so although, I was much exposed through the winter in travelling. Rev. F. B. Stratton, Demorestville, Feb. 7. 13 ins.

writes—"I have found your remedies particularly beneficial for liver complaint dyspepsia and bronchial affections, and would advise all similarly affected to give them a trial.

John Finlayson, Athol, says—"When travelling one of my feet sore and broke out. I could not cure it and had to return home. It became better and afterwards much worse. I finally purchased a bottle of the "Remedy" and a box of "Pills," and before they were half gone I commenced to improve, and before they were finished my foot was completely cured. It is now 17 months since, but I have had no further attack. Price of the remedy in pint bottles \$1; Pills 25 cents a box. Feb. 28. 1m.

Ayer's Sarsaparilla

For Scrofula, and all scrofulous diseases, Erysipelas, Rose, or St. Anthony's Fire, Eruptions and Eruptive diseases of the skin, Ulcerations of the Liver, Stomach, Kidneys, Lungs, Pimples, Pustules, Boils, Blotches, Tumors, Tetter, Salt Rheum, Scald Head, Ringworm, Ulcers, Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhoea, arising from internal ulceration, and Uterine disease, Syphilitic and Mercurial diseases, Dropsy, Dyspepsia, Emaciation, General Debility, and for Purifying the Blood.

This Sarsaparilla is a combination of vegetable alteratives—Stillingia, Mandrake, Yellow Dock—with the Iodides of Potassium and Iron, and is the most efficacious medicine yet known for the diseases it is intended to cure. Its ingredients are so skillfully combined, that the full alterative effect of each is assured, and while it is so mild as to be harmless even to children, it is still so effectual as to purge out from the system those impurities and corruptions which develop into loathsome disease. The reputation it enjoys is derived from its cures, and the confidence which prominent physicians all over the country repose in it, prove their experience of its usefulness. Certificates attesting its virtues have accumulated, and are constantly being received, and as many of these cases are publicly known, they furnish convincing evidence of the superiority of this Sarsaparilla over every other alterative medicine. So generally is its superiority to any other medicine known, that we need do no more than to assure the public that the best qualities it has ever possessed are strictly maintained.

Five Years' Sickness Cured by Four Bottles of Constitutional Catarrh Remedy. Pain in Shoulders, Back and Lungs, and Droppings in Throat Disappeared. St. ALBANS, P. Q., Sept. 12, 1876.

MR. T. J. B. HARDING, Dear Sir,—Being desirous that others may know something of the merits of your CONSTITUTIONAL CATARRH REMEDY, I wish to inform you what it has done for me. I am 22 years old; had been out of health for about five years. I had employed three or four different doctors, and tried various medicines, without receiving any permanent benefit. I continued rather to grow worse, until last fall, when I had become so bad as to be unable to do an honest work at all. I had severe fever and pain under the shoulder blades and through the shoulders, with very lame back, and a feeling in my right lung as though there was a weight leaning it down, with continual droppings in the throat and down upon the lungs. Such was my condition when I commenced to take your Catarrh Remedy, one bottle of which cured my pains and gave me an improved appetite, and after taking four bottles I was restored to health, so as to be able to secure hard and continued labor, such as chopping and clearing land, at which I have been engaged the past season. My recovery I attribute solely to your Catarrh Remedy. I have not used any other medicine since. D. S. F. Price \$1 per bottle. HENRY SNIDER. April 4.

JOYFUL NEWS For the Afflicted.

HAMPTON, GRANVILLE, Feb. 2nd, 1877.

MESSRS. CALEB GATES & Co.:

This is to certify that my wife was taken sick in February, 1875, with Liver Complaint, and what the Doctors called General Debility. Her stomach had become so weak that she could not retain any food on it, but would be in awful distress, and would throw it all up. I had three Doctors to see her; she was under the treatment of them for about six months and did not seem to be much better, and one of them told me not to flatter myself for she could not stand it long and they had done all they could for her. We heard of your medicines and she wanted to try them. I saw the Doctor and told him that she wanted to try Gates' Medicines, and he told me by all means to get it for her, for, he said, if it did her no good it would do her no hurt. I got two bottles, one of No. 1 Bitters and one of No. 2 Syrup. She had not taken it but a few times when she stopped vomiting and began to get better. She continued taking the medicine, and in four or five weeks was up and about the house, and is now able to attend to her household affairs. You can use this as you please for the benefit of the suffering. Yours most respectfully, HARRIS M. FOSTER, J. P. April 11.
