Local Meins.

The exercises in connection with the closing of the term at the Normal School, Truro, took place on Friday last. The exercises are reported as varied and interesting. At the close the Principal announced that the Governor General's silver medal had been awarded to Miss M. Lockwood, of Canard, Cornwallis, for the best essay on 'school management,' and Miss Minnie Brown, of Truro, had carried off the bronze medal for the second best essay on the same subject. Excellent speeches were made by the Superintendent of Education and other gentlemen present. We believe that Miss Lockwood, referred to above, is a daughter of J. E. Lockwood, Esq.—Berwick Star.

Early on Wednesday morning last policeman Wm. Keating was violently assaulted by two soldiers who inflicted a prits are not as yet identified.

We have had about a fortnight of foggy weather, yet we have nothing in this line to compared with either Yarmouth or St. John. One of our papers suggests that some may suppose that the St. John fog has been burned out and it has removed to Halifax.

Mrs. Goff the Temperance Lecturers in her lecture on the South, given in Temperance Hall last week, expressed the opinion, that another great war might be expected in the United States before their difficulties are fully settled.

A Women's Temperance Union has been formed under the efforts of Mrs. Goff, by a number of energetic christian ladies. The following ladies were elected to fill the officers, viz:-

Mrs. Sweet, President. Mrs. Pitblado, Vice-President. Mrs. Ross, Treasurer.

Miss Sarah Robinson, Cor Secretary Miss Helen Hills, Assistant do. Committee to collect funds for Club Room for Reform.—Miss Whidden, Miss Stirling, Miss Robinson, Miss Shields, Mrs. Cooper, Miss Read, Miss Walter-

Drowning Accidents.—On Saturday last two of these occurred here. Mr. Oscar J. Knapen, stencil plate cutter with a friend, Mr. Wm. Stewart, walked out to Chocolate Lake on Saturday afternoon. Being both good swimmers they were talking about being able to swim with their clothes on in case of an accident in the harbour, and resolved to try by pushing a plank out into the lake and swimming from it to the shore. They both soon found it very difficult to make any progress or to keep above water, Mr. Stewart was able to remove some of his clothing, and with difficulty reached the shore, but Mr. K. soon sunk to rise no more. Mr. Knapan was the son of a Universalist Minister who formerly lived

in Halifax. A second case of drowning occurred on Saturday night from Granite wharf, James McKay had been sleeping on the wharf, and it is supposed got up and walked over into the dock about one o'clock at night. Search was subsequently made and the body was found about noon on Sunday.

PORT HAWKESBURY, C. B.—The News of the Week of the 16th inst., gives a glowing account of the Fancy Sale and Strawberry Festival held there on the 12th. > A VALUABLE LOBSTER CARGO. - The packet "Sonata" was cleared for London at the Custom House on Tuesday last by Mr. Isaac H. Mathers with a cargo which was valued at \$78,453. It consisted almost entirely of canned lobsters, of which there were 12,700 cases, valued at \$75,927. The "Sonata is a fine looking three-masted schooner of 360 tons register. She was built at Tracadie, Antigonish county, in 1876, and is commanded by Capt. Paul Landry.

KEMPT, YARMOUTH COUNTY.—A destructive tempest visited the above place on Saturday last. The early part of the day was unusually fine, and many people were at work at their hay in the fields, when a fierce wind, accompanied with rain, hail and thunder, burst suddenly upon them, destroying the crops, breaking down trees, and sweeping everything before it. Seven farms suffered to a great extent by it, while several others were more or less injured. The house of J. W. Morton was considerably damaged by lightning and two of the inmates were partially stunned. Many were depending for the coming winter chiefly on their crops, which, till the storm came, promised a fair yield It is feared the loss will be severely felt.—Chron.

I had for several years been subject to severe attacks of Inflammatory Rheumatism, from which I would suffer the most intense pain from four to eight weeks, although under the best treatment I could procure. About six weeks ago I had another attack coming on with its usual severity, when a customer recommended the use of your Pain Eradicator, which he had proven himself and found in a great many cases to be an effectual cure. I gave it a trial and its results exceeded my expectation, it soon relieved the pain, reduced the swelling, and I was able to attend to my business as usual in three days, and have been completely cured by less than two 25 cent bottles.

For some years L had suffered with pain and swelling around the instep and ankle of one foot, the result of a bad sprain, this was also in a short time age of all intending purchasers to inspect cured by it. It has been used in my family for Neuralgia and other forms of pain with similar success.

The result of its use in my case has induced many others to try it, and all that use it are well pleased with it, and like myself are determined to keep it always in our houses.
