HAMPTON, GRANVILLE, Feb. 2nd, 1877.

This is to certify that my wife was taken sick in February, 1875, with Liver Complaint, and what the Doctors called General Debility. Her stomach had be²⁹ come so weak that she could not retain any food on it, but would be in awful distress, and would throw it all up. I had three Doctors to see her; she was under the treatment of them for about six months and did not seem to be much better, and one of them told me not to flatter myself for she could not stand it long and they had done all they could for her. We heard of your medicines and she wanted to try them. I saw the Doctor and told him that she wanted to try Gates' Medicines, and he told me by all means to get it for her, for, he said, if it did her no good it would do her no hurt. I got two bottles, one of No. 1 Bitters and one of No. 2 Syrup. She had not taken it but a few times when she stopped vomiting and began to get better. She continued taking the medicine, and in four or five weeks was up and about the house, and is now able to attend to her household affairs. You can use this as you please for the benefit of the suffering.

Yours most respectfully, HARRIS M. FOSTER, J. P. April 11.
