CATARRH. CANNOT be cured by Salts, Washes, or Local Applications. Thousands of cases, some of forty years standing, have been entirely cured by CONSUMPTION REMEDY, sold by all druggists. Send stamp for Treatise on Catarrh to T. J. E. HARDING, BROCKVILLE, ONT. Five Years' Sickness Cured by Four Bottles of Constitutional Catarrh Remedy. Pain in Shoulders, Back and Lungs, and Droppings in Throat Disappeared. ST. ARMAND, P. Q., Sept. 12, 1876. MR. T. J. B. HARDING: Dear Sir,—Being desirous that others may know something of the merits of your CONSTITUTIONAL CATARRH REMEDY, I wish to inform you what it has done for me. I am 59 years old; had been out of health for about five years, and had employed three or four different doctors, and tried various medicines, without receiving any permanent benefit. I continued rather to grow weaker, until I fell, when I had to be carried to bed. I was unable to do an hour's work at a time. Had severe secretions and pain under the shoulder blades, and through the shoulders, with very lame back, and a pain in my right lung as though there was a weight bearing it down, with continual droppings in the throat and down the lungs. Each was my condition when I commenced to take your Catarrh Remedy, one bottle of which cured my pains and gave me an improved appetite, and I was enabled to get up and go to work, and in a few days to be able to perform hard and continued labor, such as chopping and clearing land, at which I have been engaged the past season. I attribute solely, with great confidence, to the use of your Catarrh Remedy, years' trial, D.S.P. Price \$1 per bottle. HENRY SNIDER.

JOYFUL NEWS For the Afflicted.

HAMPTON, GRANVILLE, Feb. 2nd, 1877. MESSRS. CALEB GATES & Co.:- This is to certify that my wife was taken sick in February, 1875, with Liver Complaint, and what the Doctors called General Debility. Her stomach had become so weak that she could not retain any food on it, but would be in awful distress, and would throw it all up. I had three Doctors to see her; she was under the treatment of them for about six months and did not seem to be much better, and one of them told me not to flatter myself for she could not stand it long. We heard of your medicines and she wanted to try them. I saw the Doctor and told him that she wanted to try Gates' Medicine, and he told me by all means to get it for her, for he said, if it did her no good it would do her no hurt. I got two bottles, one of No. 1 Bitters and one of No. 2 Syrup. She had not taken it but a few times when she stopped vomiting and began to get better. She continued taking the medicine, and in four or five weeks was up and about the house, and is now able to attend to her household affairs. You can use this as you please for the benefit of the suffering. Yours most respectfully, HARRIS M. FOSTER, J. P. April 11.
