A sad accident occurred at Oakfield on Friday last, shortly after the express from St. John had left Oakfield, a lad about 13 years of age was found lying on the track at that station with both legs cut off. It appears that he fell under that train while trying to get on it after it was motion. He was subsequently put on board the night express and taken to Truro, where he was placed in charge of Doctors Muir and MacKay. He was one of Mrs. Birt's children and, singular to say, Mrs. B. happened to be on the train which picked him up. She did all a mother could do to alleviate the poor little fellow's suffering. He died on Saturday morning.

GRAHAM'S PAIN ERADICATOR.—Mr. R. D. Judson merchant, Farmersville, Ont., says—"I got 12 dozen of your Pain Eradicator from Montreal about two weeks ago, and it is near half sold. I could send you some of the most satisfactory certificates from parties here that have been cured by it. While I was out of it another sold it readily at 30 cents a bottle, for the people must have it."

Leader Office, Toronto, June 7th, 1870.—I received a severe burn on the hand by accidental pouring hot lead on it. Mr. Graham was in the office at the time, and gave me a bottle of his Pain Eradicator to apply to it; after using it twice, the pain left, and my hand was quite well the next day.

THE GREAT SHOSHONEES REMEDY is an Indian vegetable compound, composed of the juices of a variety of remarkable medicinal plants and herbs; the various properties of these different ingredients, when combined, is so constituted as to act simultaneously upon the Blood, Lungs, Liver, Kidneys, Digestive Organs, Nervous System, &c., restoring their functions to healthy action, and being purely vegetable, is as harmless as Nature's own beverage. This medicine is a decided benefit in all, and a permanent cure in a large majority of diseases of the blood, such as Scrofula, Erysipelas, Salt Rheum, Canker, Pimples, &c. In prescribing this medicine we do not claim that it always performs cures; but this we do say, that it purifies and enriches the blood, permanently curing a large majority of diseases arising from its impurities. It stands far ahead and unequalled among the hundreds of competing medicines of the day. It has stood the test of ten years, and is to-day more popular than ever. As a summer restorative it stands unrivalled; it enables the system to bear up against the constant drain to which it is subjected by a high temperature. Persons who are subject to bilious Colic, Dysentery, Indigestion, &c., should take the "Shoshonees Remedy." Price of the Remedy in pint bottles \$1; Pills 25 cents a box.

WHITELY'S TORONTO MOWER.

THIS NEW MOWING MACHINE

Embodies an entirely new mechanical movement for actuating the knife, and many other new and valuable features never before combined in mowing or reaping machinery. It is extremely simple in construction, entirely doing away with the greater part of the cumbersome gearing hitherto used in harvesting machinery. Consequently, the draft is light; in operation it is almost noiseless, very powerful, and adaptable to any possible combination of circumstances.

THE KNIFE

will run with equal freedom at any angle, or in any position in which it can be placed. The points of the fingers may be instantly raised or depressed to change the height of cut while in motion, and adapt it to the nature of the ground. In short, the operator has the most perfect control of the machine while at work, and it will mow wherever horses can travel.

A handsomely illustrated Descriptive Pamphlet will be sent free, and name of nearest district agent furnished, on application to W. F. BURDIT, General Agent, St. John, N. B.

JOYFUL NEWS

For the Afflicted.

PARKER'S COVE, N. S., March 1st, 1877.

DR. C. GATES:—

DEAR SIR,—I should have written to you before but owing to sickness and business I have been prevented from doing so. I feel it my duty to send you the following information from gratitude to you and for the benefit of those suffering as I was. I have been greatly afflicted with dyspepsia and biliousness for about 25 years, tried doctors but got no cure. About 3 years ago I tried a few bottles of your Life of Man Bitters and No. 1 Invigorating Syrup, from which I obtained great relief up to the present for which I feel very thankful to God and to you, and would recommend your medicines to all suffering with the same complaints as dyspepsia and the like. Since you was at my house, Thomas Rice was taken very ill with a dreadful sore throat bordering on diphtheria, we used your Acedian Liniment and Nerve Ointment freely from which he obtained great relief. Others in our neighborhood are using your medicines and the result is good. Wishing you great success. I remain yours, REV. H. ACHILLES, July 4. Middleton, N. S.
