What they say of it! A few facts for the People.—There are a few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of these is Dr. Thomas' Eclectric Oil. Read the following and be convinced:—Thos. Robinson, Farnham Centre, P. Q., writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas' Eclectric Oil, and since then have had no attack of it. I would recommend it to all."—J. H. Earl, Hotel Keeper, West shefford, P. Q., writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas' Eclectric Oil which gave me immediate relief, and I have used it since with the best effect. No one should be without it. I have tried it on my horses in cases of cuts, wounds ect., and think it equally as good for horses as for man."—A Maybee, Merchant, Workworth, writes I have sold some hundreds of bottles of Eclectric Oil, and it is pornelled by the public 'one of the best WHAT THEY SAY OF IT! A FEW FACTS worth, writes I have sold some hundreds of bottles of Eclectric Oil, and it is pornounced by the public, 'one of the best medicines they have ever used;' it has done wonders in healing and relieving pain, sore throats, ect., and is worthy of the greatest confidence." Joseph Russin, Township Percy, writes, "I was persuaded to try Thomas, Eclectric Oil for a lame knee which troubled me for three or four warrs, and I never found anything like it years, and I never found anything like it for curing lameness. It is a great public

## THIS NEW MOWING MACHINE

Embodies an entirely new mechanical movement for actuating the knife, and many other new and valuable features never before combined in mowing or reaping machinery. It is extremely simple in construction, entirely doing away with the greater part of the cumbersome gearing hitherto used in harvesting machinery. Consequently, the draft is light; in operation it is almost noiseless, very powerful, and adaptable to any possible combination of circumstances.

THE KNIFE

will run with equal freedom at any angle, or in any position in which it can be placed. The points of the fingers may be instantly raised or depressed to change the height of cut while in motion, and adapt it to the nature of the ground. In short, the operator has the most perfect control of the machine while at work, and it will mow wherever horses can travel.

A handsomely illustrated Descriptive Pamphlet

will be sent free, and name of nearest district agent furnished, on application to official, a water-maker page of the

# JOYFUL NEWS For the Afflicted.

PARKER'S COVE, N. S., March 1st, 1877.

DR. C. GATES:-

DEAR SIR, I should have written to you before but owing to sicknsss and business I have been prevented from doing so. I feel it my duty to send you the following information from gratitude to you and for the benefit of those suffering as I was. I have been greatly afflicted with dyspepsia and biliousness for about 25 years, tried doctors but got no cure. About 5 years ago I tried a few bottles of your Life of Man Bitters and No. 1 Invigorating Syrup, from which I obtained great relief up to the present for which I feel very thankful to God and to you, and would recommend your medicines to all suffering with the same complaints as dyspepsia and the like.

Since you was at my house, Thomas Rice was taken very ill with a dreadful sore throat, bordering on diphtheria, we used your Acadian Liniment and Nerve Ointment freely from which he obtained great relief. Others in our neighborhood are using your medicines and the result is good. Wishing you great success. I remain yours,
